Journal of Proceedings

All Souls' Church,
Biltmore, N. C.,

On motion, Mr. James H. Taylor, of St. George's Mission, Morganton, was admitted to a seat.

The Rev. Alfred H. Stubbs was re-elected Secretary.

The Secretary appointed Mr. Francis P. Bacon as Assistant Secretary.

On motion of the Rev. Dr. Swope it was

Resolved, That visiting Clergymen, and candidates for Holy Orders present in the house, be, and they hereby are, invited to honorary seats in the Convention.

The following named appeared, and took seats under this resolution:

The Rev. Walter J. Smith, the Rev. W. S. Claiborne, the Rev. John Kershaw, the Rev. W. C. Rollins, and the Rev. William T. Capers.

A recess was taken in order that the Convocations might meet and make their nominations.

The Convention reassembled.

The Convocation of Morganton having nominated the Rev. Frederick D. Lobdell as Dean thereof, and the Convocation of Waynesville the Rev. Rodney R. Swope, D. D., as Dean thereof, the Bishop confirmed the above nominations.

The Rev. William H. Hardin and Mr. Harry E. Reid by the Morganton Convocation, and the Rev. Harry F. Saumenig and Mr. Haywood Parker by the Waynesville Convocation, were nominated as members of the Missionary Committee.

The Rev. Walter R. Dye and Mr. Charles E. Waddell were nominated as members of the Missionary Committee after the reports had been received from the Convocations.

The Rev. Harry F. Saumenig and the Rev. Alfred H. Stubbs were nominated to fill the vacancy on the Board of Trustees, caused by the death of the Rev. McNeely DuBose, and Mr. Vance Brown was nominated as Trustee to succeed himself.

The Rev. Dr. Swope and the Rev. Frederick D. Lobdell were

A recess was taken for Divine service.

At ten o'clock, Morning Prayer was said in All Souls' Church, Biltmore, by the Rev. Harry F. Saumenig and the Rev. Hervey C. Parke, Jr. The Bishop delivered his annual address, and celebrated the Holy Communion, assisted by the Deans of the Convocation, and the offerings of the congregation were received for District Missions.

The Convention reassembled.

The Rev. Wililam H. Hardin presented and read the following report, which was, on motion, accepted:

REPORT OF THE DEAN OF THE CONVOCATION OF MORGANTON.

The midsummer meeting of the Convocation of Morganton was held July 27th-29th, at Grace Church, Morganton, the Convocation of Waynesville being represented by Rev. Alfred H. Stubbs and Rev. Edmund N. Joyner, General Missionary.

Reports were received from the several missionaries present, who, though few in numbers, presented with enthusiasm the work accomplished in their respective fields, which were most gratifying, considering the magnitude of the territory, and the meagre facilities for the prosecution of the same.

The General Missionary, Rev. E. N. Joyner, signified his willingness to aid the missionaries of the District to the extent of his ability, but he has been hampered, however, in this respect, by his assumption of the work in the Morganton group of Missions, due to the illness of the late lamented rector, Rev. McNeely DuBose.

The spring meeting was to be held in St. John's Church, Marion, but had to be indefinitely postponed on account of the illness of the priest in charge, the Rev. W. B. Magnan, whom we are glad to welcome to our District.

During the past year, the Dean has endeavored to familiarize himself with the needs and opportunities of the work. On every hand there is great cause for encouragement, "the harvest truly is plenteous, but the laborers are few." He finds exceptional opportunities for aggressive work-

ers, and it is hoped that the excellent schools now being carried on in our District will in time supply the need.

Among other fields recently visited, was the Gaston County group of Missions. This county covers an area of 370 square miles, and is in the very heart and center of the cotton manufacturing section of the South, and contains fifty-two mills, employing approximately 26,000 operatives.

Gastonia, the Missionary's headquarters, enjoys the distinction of being one of the largest—if not the largest—cotton mill town in the Southern States. There are within the corporate limits of the city eighteen mills, employing as nearly as can be estimated, 6,000 operatives. A recent religious census of the place shows that only 40 per cent. of these people are affiliated with any kind of a religious organization. The Church should be alive to the great responsibility with which she is confronted in this section, and in no better way can she hope to meet it than by the establishment of schools, for until this is done, the growth of God's Kingdom will be woefully retarded.

A school conducted along industrial lines has recently been started at Gastonia—the only one of its kind in the mill section—through the efforts of the Missionary, and the enthusiasm manifested thus far in the undertaking shows the ready response on the part of the mill folk to any efforts looking to their betterment.

We sadly deplore the untimely death of our beloved brother and fellow worker, Rev. McNeely DuBose. His prudent counsel and genial presence will be sadly missed. "Blessed are the dead who die in the Lord, for they rest from their labors, and their works do follow them."

Respectfully submitted,

FREDERICK D. LOBDELL,
Dean.

The Rev. Rodney R. Swope, D. D., presented and read the following report, which was, on motion, accepted:

REPORT OF THE WAYNESVILLE CONVOCATION.

The members of the Convocation of Waynesville met during the session of the Convention at Waynesville, June 16, 1910, and nominated the Rev. R. R. Swope, D. D., to the Bishop as Dean for the ensuing year, which nomination was confirmed.

The first meeting of the Convocation was held at St. Paul's Church, Edneyville on the 7th and 8th of September. The usual services and business meetings were held. At this service, the attractive stone church, erected through the energy of the Minister in charge, the Rev. R. N. Willcox, was consecrated by Bishop Horner. Our work in this neighborhood is most encouraging, and all the services there were well attended by the people of the community.

The meeting in January was to have been held in Trinity Church, Asheville, but the burning of the church building in November prevented this, and as many of the clerical members of the Convocation were absent from the district during this month, no meeting was held. In the autumn, a clericus was formed among the Clergy of the neighborhood, which held several meetings, and these gatherings in a large degree accomplished the purposes of the Convocation by bringing together the Clergy, and giving opportunity for the discussion of questions connected with our work.

During the year, the Dean has visited six places in the Convocation where we have a few Church people, and conducted service and preached.

R. R. SWOPE, Dean.

June 28th, 1911.

The assessments are made for an amount sufficient to cover only the necessary expenses of the Convention and District, and should be paid promptly on the date specified in the Canon—half August 1st, and half February 1st.

Respectfully submitted,

ALFRED H. STUBBS,
Secretary.

The Secretary presented and read the following report, which was, on motion, adopted:

REPORT OF THE MISSIONARY COMMITTEE.

To the Seventeenth Annual Convention of the District of Asheville:

Four meetings of the Committee have been held since last Convention.

In compliance with the resolution adopted by the last Convention, twelve members were elected at large, under the Canon.

The matter of the apportionment for the support of the Rector of Chapel Hill Parish was referred to the Convocations for pledges.

A paper showing what is the opinion of the District regarding the action of the General Board of Missions with respect to specials, was ordered prepared for the use of the deputies to the General Convention.

The Committee has expended \$3,600.00, the same being paid to 19 of the Missionary Clergy. Towards this sum the congregations gave \$324.58, less than last year, but the Sunday-School Advent Offering and the net balance derived from the Ravenscroft Fund combined, yielded \$199.65 in excess of the former yearly report. The debit balance is now \$464.63.

The Committee has approved of the organization of St. James' Mission, Black Mountain, and of St. Cyprian's Mission, Lincolnton.

A committee was appointed to make a report to the Convention, suggesting an equitable apportionment to cover the \$2,300.00 asked for next year by the General Board of Missions. This report so far as printed is now in the hands of the Convention for their action.

The General Apportionment for General, Domestic and Foreign Missions, amounting this year to \$900.00, has been paid.

Respectfully submitted,

ALFRED H. STUBBS,
Secretary.

The Rev. Dr. Swope presented and read the report of the Committee on the Apportionment for General Missions.

On motion, the report was amended by striking out St. Michael's Mission, Morganton.

On motion, the report of the Committee as amended, was adopted, as follows:

REPORT OF THE COMMITTEE ON THE APPORTIONMENT FOR GENERAL MISSIONS.

Biltmore, N. C., June 20th, 1911.

It has been the practice of our General Board of Missions for a number of years to ask from each Diocese and Missionary District a definite sum of money for the maintenance of the general Missionary work of the Church. This has been known as the Apportionment Plan. What each Parish or Mission in a given Diocese or District should be assessed has been left to the authorities of the same to determine. Further the Sunday-schools have been asked to set aside their offerings during the season of Lent for the same object, the work of General Missions, and the organization known as the Woman's Auxiliary has also made contributions to the same cause. But the amounts contributed by these two agencies have not been credited upon the apportionment assigned the Parishes and Missions. Thus on the face of the report issued by the General Board, it might look as if a given Parish was doing little for Missions because it had not met its apportionment, while in reality, the contributions from the Sunday-school and Auxiliary may make up a sum largely in excess of what it was expected to give.

Now the present Board has introduced a new policy for the ensuing year. It proposes to largely increase the sum asked from the Dioceses and Districts, but to credit them with all money given for the cause of Missions.

Thus, under the old plan, the District of Asheville was apportioned for the year ending September 1st, 1910, \$700.00. The District gave \$947.21 on account of apportionment and in addition the Sunday-schools gave \$676.02, and the Woman's Auxiliary \$327.00, or a total of \$1,950.23.

Under the new plan, beginning with September 1st, we are apportioned \$2,310.00, an increase of \$359.77 over the amount the District gave in 1909 and 1910. It is for the purpose of distributing this sum among the Parishes and Missions that your committee was appointed.

Our report contemplates an increase of 25 per cent. on the amount contributed for General Missions by the Parishes and Missions of the District during the year ending September 1st, 1910, where such amount was under \$10.00.

It proposes an increase of 18 per cent. for such Parishes and Missions as give more than \$10.00, with the exception of the Church of the Holy Communion, Balsam and St. Mary's, Micadale, which, in view of the generous offerings made, we do not think, should be asked to do more. Balsam, with 27 communicants, gave \$109.30, or an average of \$4.00 a communicant. Micadale, with 34 communicants, gave \$114.66, an average of \$3.37. If the whole District would emulate these places in interest and generosity, our offerings for Missions would approximate \$9,000.00.

All places which have given less than \$1.00 are asked to contribute that sum.

R. R. SWOPE,
A. H. STUBBS,
E. N. JOYNER.

The Rev. Arthur B. Livermore presented and read the following report of the Committee on New Parishes, which was, on motion, accepted:

The Committee on New Parishes beg leave to report that the application of some colored residents of Lincolnton, Lincoln County, North Carolina, has been received, in which they desire to be accepted as an Organized Mission of the District of Asheville.

As the application was made in the form provided by the Canon, the Committee recommend that it be complied with, and that the Mission be recognized as St. Cyprian's Organized Mission in the District.

The Committee also report that they have received a letter signed by permanent and summer residents of Black Mountain, in which the signers express their desire to have a Mission of the Church established at that place.

As the application is not made in the form provided by the Canon, the Committee decline to recommend it, and place it before the Convention, for their action of approval or disapproval.

ARTHUR B. LIVERMORE, Chairman,
On Behalf of the Committee.

On motion, St. Cyprian's congregation, Lincolnton, was admitted as an Organized Mission.

On motion, the congregation of St. James' Church, Black Mountain, was admitted as an Organized Mission.

The Rev. Dr. Swope presented and read the following report :

TRUSTEES' REPORT.

The Trustees of the Missionary District of Asheville beg leave to submit the following report :

During the past year the Trustees have conveyed to the Vestry of Holy Cross Church, Tryon, title to the lot in Tryon, so that said vestry could proceed at once to raise money to build a rectory thereon.

The trustees have also conveyed to the vestry of St. James,' Lenoir, title to the vacant property situated in Lenoir which was held in the name of the trustees for the benefit of St. James' Parish. This was done so that said vestry could sub-divide and sell said property and use the proceeds for Parish purposes.

At the meeting on March 30th, Bishop Horner delivered to the trustees the following letter :

"To the Board of Trustees, Missionary District of Asheville.

"Gentlemen:—Mr. Edmund A. Embury and sisters, of Tryon, N. C., formerly of Summit, N. J., have given through me fifteen thousand dollars (\$15,000.00) to be used as a reserve loan fund for the Missionary work of the District, with the understanding that the fund is to be increased, if possible, by subscription from other sources to \$30,000.00. The principal of this fund is to be loaned under the direction of the Bishop and other trustees to and for Church and School work in the District at an interest rate of 5 per cent. per annum; the income from the fund thus loaned is to be at the disposal of the Bishop of the District for Missionary work.

A reasonable amount of the fund is also to be placed by order of the Board of Trustees at the disposal of the Bishop as an emergency fund and working capital when so needed by him for his work, and to be returned by him out of the first moneys available which he may afterward collect for that purpose in order that the capital of the fund may be preserved.

"I should like the fund to be designated 'The Embury Fund,' unless the Emburys themselves object.

"JUNIUS M. HORNER,
"Bishop of Asheville.

"March 30, 1911."

Bishop Horner further stated at that meeting that other friends had added \$3,300.00 to the gift, making the total then in hand, \$18,000.00.

After extending a vote of thanks to Mr. Embury and his sisters and the other contributors, the trustees voted that the fund should be known as "The Embury Fund."

The trustees have loaned \$14,000.00 of this fund to the Valle Crucis School, to pay off obligations incurred in erecting buildings and equipping that school, and \$1,000.00 to the Appalachian School in Mitchell County, to be used as payment on the property, and \$1,000.00 to the Patterson School to install water works and erect a cottage for the headmaster. All these loans to bear interest at the rate of five per cent. per annum, and to be repaid by said institutions out of the first moneys coming to them available therefor. The remaining \$2,000.00 were loaned to the Bishop so as to be available for the purposes of meeting any emergencies which may arise in the work of the Church; this loan is also to bear interest at five per cent., and to be returned as soon as possible. All interest which may be derived from these loans will be turned over to the Bishop for his missionary work.

The trustees have had a plat made of the Ravenscroft lands, and have sub-divided the same, excepting Shoenberger Hall and about three acres around it, into thirty lots, with two streets intersecting. They have sold the old Ravenscroft house and the lot on which it stands, containing one .08 acres for \$12,000.00, to Mr. Roger Lamson, of New York, who purposes to remodel the property and use it as a first-class boarding house. The terms of the sale are \$1,500.00 cash, and the balance in five notes, due respectively one, two, three, four and five years after date, with interest at six per cent. on deferred payments.

The trustees have, also, contracted to sell to Mrs. Tyack, of Asheville, the northwest corner lot as shown on said plat, containing about half an acre, with frontage of 75 feet on Ravenscroft Drive, for \$2,500—terms \$500.00 cash, balance in one year with six per cent. interest on balance.

The trustees have decided to use the cash derived from these sales in payment of taxes and working out and macadamizing the streets and otherwise improving the property so that the remaining lots may be sold to better advantage.

The trustees think that these properties were sold for good prices, and while they consider that the resolutions heretofore passed by the Conventions give them ample authority to sell and convey the Ravenscroft or Roebing properties, or any part thereof, except Shoenberger Hall, nevertheless, as the attorneys for the purchasers desire it, the trustees recommend the adoption of the following resolution:

"Whereas, At the Convention of the Missionary District of Asheville for the Protestant Episcopal Church in the United States of America held at Waynesville, N. C., June 15th and 16th, 1910, the following resolutions were adopted:

"Resolved, That the trustees of the Missionary District of Asheville be, and they are, hereby fully authorized and empowered to mortgage and convey by deed in trust, and to sell and to convey in fee simple all or any part or parts of the property given by Mr. John A. Roebing, or of the Raven-

scroft property, except Shoenberger Hall, and the grounds immediately connected therewith, to contain not less than three acres of land surrounding the same, upon such terms and conditions as they deem best.

"Resolved, Further, That all resolutions heretofore passed by the Convention in conflict with this resolution, are hereby rescinded.

"And Whereas, In accordance with said resolutions and by virtue of the authority in them vested, the trustees of the Missionary District of Asheville have contracted to sell and convey unto Roger Lamson, Jr., of New York, the house known as Ravenscroft in Asheville, N. C., and the lot on which it is situated, comprising about one acre of land more or less for the sum of \$12,000.00; and have agreed to sell to Mrs. Tyack the northwest corner lot as shown on said plot, containing about one-half acre, for \$2,500.00; therefore, be it

"Resolved, That the action of said trustees of the Missionary District of Asheville, in contracting and agreeing to sell the said land and premises aforesaid to Roger Lamson, Jr., for the price aforesaid and upon the terms contained in their contract with said Roger Lamson, Jr., and in contracting and agreeing to sell said lot to Mrs. Tyack as aforesaid, be in all things ratified and confirmed and the said trustees are hereby authorized and directed to make and execute a deed in fee simple to said Roger Lamson, Jr., upon his complying with all the provisions of his contract with the said trustees, for the property so sold to him, and to make and execute a deed in fee simple to Mrs. Tyack upon her, joined by her husband, complying with all the provisions of her contract with the trustees for the lot so sold to her."

The trustees recommend, also, the adoption of the following resolutions:

"Resolved, That the trustees be, and they are, hereby authorized and empowered to spend so much of the proceeds of said sales, not exceeding \$5,000.00, as may be necessary for the proper improvement of the Ravenscroft property by opening, grading and macadamizing streets, laying sidewalks, curbing, water and sewer pipes.

"Resolved, Further, That said trustees are hereby fully empowered and authorized to sell and convey any of the remaining lots of the Ravenscroft property, except the Schoenberger Hall, and three acres immediately surrounding the same, for such prices and upon such terms as they deem best, and to convey any property so sold to the purchaser and heirs in fee simple by deed with general warranty."

The Rev. Rodney R. Swope, D. D., presented and read the following report:

REPORT OF THE SUNDAY-SCHOOL COMMISSION.

In any consideration of Sunday-School work we must in the first place have a clear understanding of what such a school is in itself. As administered today it has departed very far from its original purpose, which was to instruct poor children in the elements of reading and writing, together with some simple teaching in morals and religion. Today it is a vast organization which comprehends both the rich and the poor. It exists in all Christian bodies as an adjunct to the congregation, and often where there is no church organization or building, some earnest man or woman will gather the children of the neighborhood and have a *Sunday-School*. It takes the babies of kindergarten age and men and women of adult years,

and forms them into classes, and there are publishing houses with large capital, which do nothing but print matter for the schools, while men and women of ability devote themselves to preparing manuals and lessons and devising methods for this specific department of religious work. When we are told that there are twenty-two millions of children in the Sunday-Schools of the world, about eleven millions of these being in the United States, we get an idea of what a powerful factor the Church of Christ here possesses for inculcating righteousness.

In the ecclesiastical organism the Sunday-School bears to the Church a relation akin to that of our public school system to the State. Our elementary and high grade schools are in a very real sense the nursery of the social order. Beside the study of the story of their own and other nations, a training in the use of language, the understanding and application of mathematics, and a knowledge of the sciences our youths are taught the principles which are at the basis of good citizenship and which are essential to the preservation of our national position and prosperity. In like manner the Sunday-School is to make boys and girls good Christians, sincere disciples of Jesus Christ, knowing Him, loving Him, and showing their discipleship by the gentleness, purity and unselfishness of their lives. And it is also to make them good Churchmen, who understand their Church, and are conversant with its principles, its history and its customs. This is the purpose of our Sunday-Schools. To train Christians and Churchmen. It is to build up character in the Church by the appliances of the Church.

Such being the purpose of the Sunday-School, we need to consider the instruction that is given our pupils, and if our purpose is to make them Christians and Churchmen we will want to instruct them in the Creed, the Lord's Prayer and the Ten Commandments. The Commandments because they are our moral heritage from the Old Testament. The Prayer, as the expression of the spirit of the New Testament and as illustrating and teaching the Christian attitude toward God and toward man; and the Creed as the voice of the mind of the Church upon the essential facts of the Christian faith. In these formularies we are taught how to act, how to pray, and how to think. They are brought together in the Catechism.

But the Catechism lacks the item of personal example, and it is necessary to supplement its statements by the stories of men who acting in obedience or disobedience to the principles which it lays down enjoyed the blessing of God or suffered the penalty which follows upon the violation of His laws. And such stories we find in the Scriptures of the Old and New Testament.

For training in Churchmanship we have the Book of Common Prayer. No one can be regarded as an intelligent Churchman unless he knows how to use this book, what it contains, how it came into being, and how to use it so as to find it a blessing.

And also there must be some knowledge of Church history, of the ori-

gin, the progress and the position of the Church. It is from this kind of study that we learn why our Church is different in its system of government, in its methods, and in its nomenclature from the associations of Christian people about us, and we are made appreciatively and intelligently loyal to it.

From information furnished your committee we learn that our views as to the character of the subject matter of instruction in the schools of the District are generally accepted. The Catechism is generally taught, so is the Bible, the Prayer Book is used and some information about the Church and her ways, is communicated. But there is no general system in use, and, as a fact, there are hardly two schools that are using the same lesson scheme. It is in our opinion undesirable to select some one of the many systems of instruction that are available and say this is the authorized lesson system that must be used. The conditions of much of our Sunday-School work forbid this, but it is possible and appears desirable that the subject matter of instruction should be settled, and that in our schools we have a definite course of teaching, covering a period of three or four years, leaving it to the rector, minister in charge, or other responsible person to select his own lesson system. The lesson outline furnished the pupil is not of so much importance as helps to study furnished the teachers, and those in control of the Sunday-Schools should see that such books are provided as will enable the teachers to get an intelligent mastery of the matter they are trying to teach.

We would suggest that a year be given to Old Testament History, a year to the Life of our Lord, giving six months to the story of His life, and six months to His teaching, a very important course. Six months to the story of the founding of the Church and its growth and development. And six months to the story of the Prayer Book and its contents. The study of the Catechism should be conducted in conjunction with these several courses. And special lessons should be introduced from time to time, upon practical subjects, notably the study of the Missionary work of the Church. Such an occasion could be made interesting by having some of the older scholars prepare papers, to be read by themselves to the school, upon the geography of a Missionary field at home or abroad, the history of the people, what the Church is doing with and for them, and so with other topics. By this means we will be doing, what we assume to be the purpose of the Sunday-School, making Christians and Churchmen.

The statistics of the Sunday-Schools of the District as furnished by the Secretary credit us with having 1,053 male pupils, 2,665 female pupils, or a total of 3,718 young people under our care. The difference between the number of boys and the number of girls is noteworthy, it is considerably less than half. And to instruct these we have 204 officers and teachers, an average of about 18 pupils to each teacher. Out of 54 schools there are 32 that have three teachers or less. Here we have the visible expression of a weak point in our Church life. Our people are not interested in this par-

ticular work sufficiently to be willing to give some small part of their time to its development. When importuned to take a class in the Sunday-School they offer all sorts of paltry excuses which after all only represent laziness and indifference. Many of our congregations do not grow as they ought because they are made up so largely of sluggards. Failing to be as interested and energetic as they ought to be, they check the process of spiritual development, and instead of becoming adults in the faith they remain babes unable to digest even milk. Arrested development, a common fact in the vegetable and animal world, becomes in the moral world a tragedy.

The author of "The Church of Today," not a Churchman by the way, takes as his introductory proposition the statement that "the greatest need of the day is the recognition of the worth of the Church itself." That is it, failing to have a profound appreciation of what the Church is and what it stands for, our people, and particularly the men, do not give themselves to its activities with real earnestness. Men are active in matters as they believe them to be worthy, if they had the right undersanding of the Church, good works would flow from them. Oh, for such a recognition of the needs of the Sunday-School as will bring our strong, well equipped, successful men into it.

Your committee offer the following resolutions:

First, that it is the sense of this Convention that a definite outline of instruction be followed in our Sunday-Schools so that within a definite time the pupils shall be instructed in the history of the Old Testament, the Life and Teaching of our Lord, the founding and development of the Church, with special reference to the Apostolic origin and continuity of the American Church, the history of the Prayer Book and the Church Catechism.

Second, That the Clergy be urged to present to their people by sermons and personal appeal, the claims of the Sunday-School upon the Church and the urgent need for teachers.

R. R. SWOPE,
CHAS. E. WADDELL.

On motion, the first appended resolution of the report was adopted.

On motion, the second appended resolution of the report was adopted.

On motion, the report of the Sunday-School Commission, with its appended resolutions, was adopted as a whole.

On motion of the Rev. Mr. Saumenig, it was

Resolved, That the Sunday-School Commission be continued, and be requested to prepare a scheme for Sunday-School study.

REPORT OF THE BOARD OF MANAGERS OF THE THOMPSON ORPHANAGE AND
TRAINING INSTITUTION.

The Board of Managers held their 25th annual meeting in the vestry room of the Orphanage Chapel, Thursday, April 27th, 1911, at 10:30 a. m., the Bishop of the Diocese presiding.

The annual reports of the Superintendent and Treasurer, Rev. Walter

J. Smith, and Mr. J. G. Shannonhouse, trustee of the Endowment Fund, were read and accepted.

It being the occasion of the Bishop's annual visitation to the institution, a recess was taken at 11 o'clock for divine service, at which the Bishop preached and confirmed a class of nine.

At 1:30 the meeting was re-convened, and after the election of officers, etc., for the ensuing year, the architects' plans for the proposed new buildings were carefully considered and accepted, with certain modifications.

It was decided to undertake the erection of the first of the six cottages at an early date, and it is hoped that nothing will occur to impede the progress of the work.

The Superintendent reports an income of \$12,556.99, including a balance of \$1,438.69 from the year previous, and expenses amounting to \$10,419.58, thus beginning the new year with a balance of \$2,137.37, which is indeed most gratifying.

The Endowment Fund, invested in certain securities, amounts to \$12,418.47, as per statement hereto appended.

The Board is pleased to report that there has been no serious sickness among the children during the past year, and the Superintendent deserves great commendation for the very efficient manner in which he has administered the affairs of the institution, considering the meagre facilities at his command.

It is hoped that the clergy throughout the State will keep their respective congregations thoroughly alive to the responsibility, as well as the privilege that is theirs, to provide an adequate support for the fatherless and motherless little ones that must be cared for in our Orphanage, which is one of the essentials of our most holy religion.

Respectfully submitted,

WILLIAM H. HARDIN,
For the Board of Managers.

The Rev. Walter J. Smith addressed the Convention in the interest of the Thompson Orphanage, and presented his annual report, together with the annual statement of J. G. Shannonhouse, Trustee of the Endowment Fund.

On motion of the Rev. Alfred S. Lawrence, the report of the Thompson Orphanage was ordered printed as a whole.

ANNUAL REPORT OF THE REV. WALTER J. SMITH, SUPERINTENDENT OF THE
THOMPSON ORPHANAGE AND TRAINING INSTITUTION.

To the Board of Managers—Greeting:

We close another fiscal year with many causes for thankfulness and

encouragement. The health of the children has been remarkably good, and the contributions have been better than ever before, due in a great measure, no doubt to the envelope system adopted in the Diocese of East Carolina, and also to the increased number of Sunday-Schools making regular monthly offerings. The Woman's Auxiliary, too, has done a noble part by us. We close the year practically without a dollar of debt, and with a credit balance of \$2,137.37, the largest amount with which we have ever begun a new year.

The expenses of the farm seem to be excessive, but when we take into consideration that wages are higher, and that the farmer does not devote all of his time to the farm, together with the fact that a considerable sum was expended in repairs and improvements, the difference will not seem so great. Adding the cash receipts to the products consumed, the account about balances, and the fresh vegetables and the training of the boys may be put down as the net profit. We have started out with the intention of doing better this year, and the first month's sales will amount to nearly, if not quite, a hundred dollars.

Mrs. Campbell, our capable housekeeper, left us in May, and her place was filled in July by Miss Lou Hall Hill, of Brooklyn, N. Y. In the meantime, Mrs. Morton, the Matron, with the assistance of her daughter, Miss Alice, looked after the housekeeping, in addition to her duties as Matron. Wishing to make a home for her children in Richmond, Va., Mrs. Morton, after several years of faithful service, left us in August, and her place was at once filled by Mrs. Mildred Wooldridge, of Richmond, Va. The other members of the faculty have remained the same as last year, doing their duty faithfully and regularly.

During the year we have received twenty-eight children: twelve from the Diocese of North Carolina, eight from the Diocese of East Carolina, five from the District of Asheville, and three of our children that came back to us. Seventeen have returned to their homes, eight have been placed in homes, four have entered industrial schools, and two are taking a hospital course in order to become trained nurses. The present number is sixty-two, thirty-four being from North Carolina, eighteen from East Carolina, and ten from the District of Asheville.

The Tri-State Conference of Orphanage Workers which met in Charlotte last week, was a pleasure and an inspiration to the Superintendent and his associates.

Through Mr. Benjamin R. Huske, of Fayetteville, I have received from the estate of the late James C. Stedman, of Fayetteville, the sum of \$3,645.00 in stocks and bonds, and \$855.00 in cash, all of which has been deposited in the First National Bank of Charlotte to await the action of the Board of Managers. A small cash payment is still due, making in all about five thousand dollars as the full amount of the legacy, which might very appropriately be put into a memorial building. During the past year the amount

of \$159.27 has come into my hands from various sources for the Building Fund, which I have turned over to Mrs. M. M. Murphy, the treasurer of the Federation of Orphanage Guilds.

In closing my report I wish to thank our physician, Dr. Wm. Myers Hunter, the other physicians and dentists of the city, Mr. Frank H. Shannonhouse, our attorney, the Standard Ice & Fuel Company, and the railroad companies for their continued favors.

Hereto I append my statement as Treasurer.

The Rev. Chalmers D. Chapman presented and read the following report, which was, on motion, adopted:

REPORT OF THE COMMITTEE ON THE GENERAL CLERGY RELIEF FUND.

The Committee on the General Clergy Relief Fund would respectfully report that three beneficiaries in this District received pensions and relief from the Fund last year, to the amount of \$500.00.

And twenty Parishes and Missions, out of the eighty-two in the District, contributed \$130.98 to the Fund, one less than last year. Besides the twenty Parishes and Missions, one individual contributed.

An analysis of the contributing Parishes and Missions gives us the following results: Six Parishes out of thirteen, eight organized out of thirty, and six unorganized Missions out of thirty-nine, contributed this year, as against five Parishes, eleven organized, and five unorganized Missions last year; an increase of one Parish and one unorganized Mission, and a loss of four organized Missions.

We note here that eight Parishes and Missions that contributed last year failed to contribute this year, and eight Parishes and Missions that did not contribute last year, did so this year.

This seems to your committee to indicate a vacillating, rather than a fixed purpose, as well as a serious neglect on the part of many to obey the standing order of the Convention, to take a collection for the General Clergy Relief Fund once a year at least.

Brethren, this ought not so to be. We do not believe there is a Mission in this District that cannot, and will not give something if it has the opportunity. No credit invariably means no opportunity.

We cannot believe there is a case on record where a congregation, as a body, refused entirely to give to the General Clergy Relief Fund, if the opportunity was given it. We are firmly convinced that interest, and giving in this, and in all Misisonary work, must find its furtherance and grace of continuance in the Church's leaders.

In Parishes and organized Missions at least, that have no credit, we are moved to ask the question, What becomes of the parson's offering? for surely there is no law exempting him and his family from the obligation of ministering to the aged servants of the King, or their helpless widows and orphans. If he made his offering, his Parish or Mission would have at least some credit, even if every member refused. But we cannot and will not believe such a case is on record, or ever will be.

We repeat, interest and giving must find its furtherance, and grace of continuance in the Church's leaders. Do your duty, brethren, and your people will do theirs, or at least your consciences are clear. You did your

duty. It is up to your people to do theirs. And we are convinced that some of them at least will do it.

Respectfully submitted,

FREDERICK D. LOBDELL,
ALFRED S. LAWRENCE,
CHALMERS D. CHAPMAN.

The Secretary presented the following communication, which, on motion, was referred to the Committee on Constitution and Canons.

The General Convention, to the Ecclesiastical Authority of the Missionary District of Asheville:—

In compliance with the requirement of Canon 47, Section 1, Clause 4, I hereby give notice that the following alterations of the Constitution of the Church are proposed, to-wit, those comprised in the resolutions printed herewith, said resolutions having been constitutionally adopted by a General Convention held in the city of Cincinnati, in October, A. D., 1910.

HENRY AUSTICE,
Secretary of the House of Deputies.

New York, April 15th, 1911.

RESOLUTIONS.

Resolved, That the following change be made in the Constitution, and that the proposed alteration be made known to the several Dioceses, in order that the same may be adopted at the next General Convention, in accordance with Article XI. of the Constitution, as follows:

Strike out Section 3 of Article I., and insert in place of it the following:

Section 3. Upon the expiration of the term of office of the Presiding Bishop, the General Convention shall elect the Presiding Bishop of the Church. The House of Bishops shall choose one of the Bishops having jurisdiction within the United States to be such Presiding Bishop, by the vote of a majority of all the Bishops entitled to vote in the House of Bishops, such choice to be subject to confirmation by the House of Deputies.

His term and tenure of office shall be prescribed by Canons of the General Convention. His salary as Presiding Bishop shall be fixed and paid by the General Convention.

When, for any reason, a vacancy in the office shall occur, or if by reason of infirmity the Presiding Bishop shall become disabled, the House of Bishops shall elect one of its number to act as Presiding Bishop until the next meeting of the General Convention.

Resolved, That the following change be made in the Constitution, and that the proposed alteration be made known to the several Dioceses, in or-

der that the same may be adopted at the next General Convention, in accordance with Article XI. of the Constitution, as follows:

Strike out Section 4 of Article I., and insert in place of it the following:

Section 4. The Church in each Diocese which has been admitted to union with the General Convention shall be entitled to representation in the House of Deputies by not more than four Laymen, communicants of this Church, having domicile in the Diocese; but the General Convention by Canon may reduce the representation to not fewer than two Deputies in each order. Each Diocese shall prescribe the manner in which its Deputies shall be chosen.

The Church in each Missionary District within the boundaries of the United States of America, which shall have been established in accordance with the Constitution and Canons for the government of this Church, shall also be entitled to representation in the House of Deputies by not more than one Layman, communicant of this Church, having domicile in the Missionary District. Each Missionary District shall prescribe the manner in which its Deputies shall be chosen. Deputies from such Missionary District, except as otherwise provided in the Constitution, shall be subject to all of the qualifications and with all of the rights of Deputies from Dioceses.

To constitute a quorum for the transaction of business, the Clerical order shall be represented by at least one Deputy in each of a majority of the Dioceses entitled to representation, and the Lay Order shall likewise be represented by at least one Deputy in each of a majority of the Dioceses entitled to representation.

On any question the vote of a majority of the Deputies present shall suffice, unless otherwise ordered by this Constitution, or, in cases not specifically provided for by the Constitution, by Canons requiring more than a majority, or unless the Clerical or the Lay representation from any Diocese require that the vote be taken by orders. In all cases of a vote by orders, the two orders shall vote separately, each Diocese having one vote in the Clerical order and one in the Lay order, and each Missionary District within the boundaries of the United States of America having a one-fourth vote in the Clerical order and a one-fourth vote in the Lay order; and the concurrence of the votes of the two orders, by not less than a majority of whole votes in each order of all the Dioceses and Missionary Districts within the boundaries of the United States of America represented in that order at the time of the vote, shall be necessary to constitute a vote of the House.

Resolved, That the following change be made in the Constitution, and that the proposed alteration be made known to the several Dioceses, in order that the same may be adopted at the next General Convention, in accordance with Article XI. of the Constitution, as follows:

Strike out Section 6 of Article I., and insert in place of it the following:

Section 6. One Clerical and one Lay Deputy chosen by each Missionary District of the Church established by the House of Bishops, beyond the territory of the United States of America, and one Clerical and one Lay Deputy chosen by the Convocation of the American Churches in Europe, shall have seats in the House of Deputies, subject to all the qualifications and with all the rights of Deputies, except the right to vote when the vote shall be taken by orders.

Resolved, That the following change be made in the Constitution, and that the proposed alteration be made known to the several Dioceses, in order that the same may be adopted at the next General Convention, in accordance with Article XI. of the Constitution, as follows:

Amend the new Section 4 of Article II., so that the first sentence shall begin: It shall be lawful for a Diocese, with the consent of the Bishop of that Diocese, the consent of a majority of the Standing Committees of the Dioceses, and the consent of a majority of the Bishops of this Church exercising jurisdiction in the United States, to elect one or more Suffragan Bishops, etc.

On motion, the following communication from the Bishop of Atlanta, regarding the University of the South, was laid on the table for future consideration:

DIocese OF ATLANTA,

RT. REV. C. K. NELSON, D. D.,

S. PHILIP'S TOWER.

December 31st, 1910.

Dear Sir:—At the Third Annual Council of the new Diocese of Atlanta special time was given to the consideration of the interests of the University of the South. It being made to appear that Sewanee is an institution for the whole South and that by every memory and token the Dioceses which have formed this affiliation for the purpose of Christian Education are in honor and duty bound to afford assistance and relief to their own University, it was agreed that for the year 1911 the sum of \$1,200 be assessed upon the Parishes and Missions in the Diocese of Atlanta to meet the current expenses, and if possible avoid the deficit of the University of the South. The resolution was adopted and the assessment accepted by all Parishes and Missions represented in the Council, and a committee was appointed to distribute the assessment.

It was then and there further resolved that all the Dioceses affiliated in the University of the South be notified of this action of the youngest Diocese in the South and earnestly requested to stand with us in this action.

We have the honor as the committee appointed by the Council to apprise you of this action and respectfully request that the subject be brought before your Council at the earliest opportunity for action which we sin-

cerely trust will be favorable to this movement, and thus provide an annual sum of \$20,000 to meet the deficit, until such time as we have sufficient endowment to cover the running expenses of the University.

With fraternal regards, we are,

Yours sincerely,

C. K. NELSON,
Bishop of Atlanta.

C. K. WELLER,
Secretary of Committee.

On motion, the report of the Annual Meeting of the Joint Diocesan Lesson Committee was referred to the Sunday-School Commission.

The Secretary presented and read the following communication from the Chairman of the Executive Committee of the General Board of Religious Education:

ST. JOHN'S RECTORY,
144 BENEFIT STREET,
Providence, R. I.

February 7, 1911.

To the Secretary of the Convention,
Missionary District of Asheville.

Dear Sir:—Permit me to call your attention thus early to the new Canon, No. 55, enacted at the last General Convention, which requires the election at each "Diocesan Convention and Council, or Missionary Convocation" of five delegates to a Department Sunday-School Convention, to be called within one year from the passage of the Canon, last October.

The Canon provides as alternative that the Diocesan Convention and Council, or Missionary Convocation may authorize the official Sunday-School body of the Diocese or Missionary District to appoint these delegates.

I shall be much indebted if you would send me notice in due time of the action taken by your Convention.

Sincerely yours,

LESTER BRADNER,
Chairman of the Executive Committee of the General Board of
Religious Education.

On motion, the above report was referred to the Sunday-School Commission with authority to act.

The order of the day having arrived, the Rev. Edmund N.

Joyner presented and read the following memorial, which was adopted, with its appended resolutions, by a rising vote:

MEMORIAL OF THE REV. CHARLES FERRIS.

The Rev. Charles Ferris had been canonically resident in this District during its whole existence. Yet few knew him. He was by nature shrinking, and meek-spirited by grace, and the burden of bodily infirmity withheld him from such intercourse with others as would have been pleasing to him, and to their advantage. Those only who came closest to him, knew how he chafed under the restraint which forbade him the exercise of a ministry which he cherished. With a ready hand he responded to the necessity of the poor and lowly, and kept back nothing in his support of the church, and of all good works which commended themselves to his judgment. He was a constant, and devoted student of the Sacred Scriptures, and he delighted himself in prayer. He lived a quiet life among us, of purity, and sincerity, and when he fell asleep, well known to but few on earth, and those best, to whom he had done most good, he doubtless met beyond, an acquaintance, even his Lord and Saviour Jesus Christ, who welcomed, and rewarded him.

Resolved, That valuing such a character in its saintly humility, and fervent love, we would thus commemorate it among ourselves as an example, and encouragement.

Resolved, That a transcript of this action be sent to Mrs. Ferris, and also that it be given space in our journal.

EDMUND N. JOYNER,
JOHN W. ARESON,
FRANCIS P. BACON,

Committee.

The Rev. Harry Fields Saumenig presented and read the following memorial, which was adopted by a rising vote:

REPORT OF COMMITTEE ON MEMORIAL TO THE REV. MCNEELY DuBOSE.

Just midway between the shadows and gloom of Good Friday and the brightness and joy of Easter Day, last, there passed into the life in Paradise the soul of McNeely DuBose, Priest.

His was a quiet, sweet, loving, Christian character that left its impress upon every life with which it came in contact.

There were many sad hearts last Easter Day because of the passing of McNeely DuBose, but thanks be to God who giveth us the victory, we sorrow not as those without hope.

Some men need no words of commendation and praise, yet our hearts

cry out to express, or to try to express in some feeble way our feelings and to pay a tribute of respect.

McNeely DuBose was a man of pure life. His religion was a real union with the Master to whose service he gave himself. His life was so genuine that his actions spoke louder than words. As we think of that life, its influence and force upon the community in which he lived, we are constrained to say of him that,—“He being dead’ yet speaketh”.

McNeely DuBose was first of all a Priest of the Church,—always loyal to his Spiritual Mother; but far more reaching than the priestly office was his faithfulness as a pastor. He was a shepherd, he was conscious of the responsibility of his stewardship, his work as a pastor was an answer to the warning in our missionary hymn—

“Let none whom He hath ransomed fail to greet Him,
Through thy neglect, unfit to see His face.”

Not only was he a loyal priest and a faithful pastor, but he was also a true man, a courteous Christian gentleman. He was respected and honored by the entire community where he lived. Perhaps the chief of all his gifts was his profoundly sympathetic nature. Men and women went to him for counsel, advice and help. He could weep with the sorrowful; he could rejoice with the happy. His heart was always open, his ear ever ready to listen, his was ever an outstretched hand toward his brother man.

Words, mere words are but a poor tribute to his worth. We must not permit the selfishness of human sorrow to crowd out our thankfulness to God that he now rests from his labours. He is not dead, but sleepeth. We shall miss him, but his are the blessings and the privileges of the higher life.

May he rest in peace. Thinking of him today, we borrow the words of that old Christian hymn—

“Only good night beloved, not farewell.
A little while and all his Saints shall dwell
In hallowed union, invisible—
Good night.

Until we meet again before His throne,
Clothed in the spotless robes He gives His own,
Until we know, even as we are known,
Good night.

Sleep on, beloved, sleep and take thy rest,
Lay down thy head upon thy Saviour’s breast,
We love thee well, but Jesus loves thee best,
Good night.”

As Treasurer of the Board of Trustees, I also respectfully report that I have in my charge the several items of property which have been stated in detail in previous reports of the Trustees.

ALFRED H. STUBBS,
Treasurer.

On motion of the Rev. Dr. Swope, six hundred copies of the Journal were ordered printed.

On motion of the Rev. Dr. Swope, the Treasurer was directed to omit next year the publication of the Tabulated Statement.

The Rev. Hervey C. Parke, Jr., offered the following resolution, which was, on motion, lost:

Resolved, That the Clergy of the District be, and they are hereby instructed to report to the Convention as communicants, only those confirmed members who have made their communion at least once during the year, and also to report the number of confirmed members.

On motion of the Rev. Hervey C. Parke, Jr., it was

Resolved, That the Education Committee be requested to formulate, and communicate to such Clergy as have schools under their charge, a basis of reckoning the enrollment and average attendance in their schools, which basis shall then be used in making reports.

The Rev. Reginald N. Willcox presented and read the following revised report of the Committee on the State of the Church, which was received, and ordered printed in the Journal, the motion to table having been lost:

REPORT OF THE COMMITTEE ON THE STATE OF THE CHURCH.

Your Committee on the State of the Church of the Missionary District

of Asheville, begs leave to report that it has done its best to ascertain the true state of the Church in this District, but that owing to the negligence of some of the Clergy in the District, a complete and satisfactory report is impossible. To mention the fact that some of the reports received showed on their faces the most glaring and self-evident errors, would be but to repeat an old story. Taking such figures as we have, however, the following constitutes very nearly the numerical condition of the Church in the District on June 1st, 1911: Clergy, 30; Candidates for Holy Orders, 5; Postulants, 2; baptized persons, 5,687; communicants, 2,767; baptisms—adults, 67; infants, 288; total, 355. Confirmations, 186; Sunday-School officers and teachers, 235; pupils, 3,110; Parish School teachers, 7; pupils, 115; Mission School teachers, 43; pupils, 1,172; cost of maintenance of the Parish and Mission schools cannot be ascertained by the Committee. Receipts from Parishes and Missions, \$36,276.31.

Comparing these figures with former years we find 184 more baptized persons, a loss of 52 communicants, an increase of 29 baptisms; a decrease of \$19,764.76 in contributions, an increase of 3 Sunday-School teachers and 152 pupils; an increase of 1 Parish and Mission School teachers and a decrease of 88 pupils; a decrease of 32 in the number of confirmations, a decrease of 2 in the number of the Clergy. Except in the number of baptized persons, baptisms, Sunday-School teachers and pupils, Parish and Mission School pupils, there is a decrease.

We have noted a few facts which may be instructive or interesting, viz.: (1) That nearly 50 per cent. of the receipts of the District comes from two Parishes. (2) That more was given last year by two Parishes to two hospitals than was given by all the 82 Parishes and Missions to the support of the Missionary work within the District. The figures being \$3,693.26 to hospitals, and \$3,133.56 to Missions.

The beautiful Parish Church of Asheville, Trinity, was totally destroyed by fire November 15th, 1910. This was a catastrophe not only to Trinity Parish, but to the whole District, which looks up to Trinity as the Mother Church. The Committee has reason to believe, judging from the past works of Trinity Parish, that a new and even statlier building will be erected in the near future. Indeed, we understand that the contract for the new building has already been signed.

Your Committee regrets to report that two parishes have been for several years without rectors, and that in one at least, there appears to be no effort made to secure a rector. These are the parishes of St. John in the Wilderness, Flat Rock, and St. Paul's Church, Wilkesboro. Your Committee believes that this condition is detrimental to the spiritual welfare of these two parishes, and to the Church throughout the District.

The reports from three Missions, viz.: St. Matthias, Asheville—Baptized persons, 316; communicants, 136; contributions, \$346.48. St. Mark's, Gastonia—Baptized persons, 146; communicants, 102; contributions, \$816.97;

and St. Paul's, Glen Alpine—Baptized persons, 153; communicants, 67; contributions, \$214.80, would seem to warrant the hope that in the near future they would become parishes, and your Committee recommends that these said Missions, by suitable action of this Convention, be encouraged to seek admission as independent parishes.

Your Committee believes that it would be a benefit to the following unorganized Missions to organize:

	BAPTIZED PERSONS	COM- MUNICANTS
St. Andrew's, Bessemer City.....	47	33
St. Paul's, Glen Alpine.....	153	67
St. Andrew's, Green River.....	60	24

Our efforts to ascertain the progress of the Church in this District have been handicapped by the omission of necessary information from the Journals of the Convention. There is no record in the Journals of the money received from outside the District, or of the manner of its spending. This is a serious omission, as it represents by far the largest amount used in the work of the District. The General Missionary makes an annual report to the Convention, and yet there is nothing to show what salary he receives, if any, or whence it is raised. It is the opinion of your Committee that for the welfare of the Church in this District, the Convention of the District should be advised of all monies raised for the work of this District, and how spent.

We believe also that the welfare of the District would be advanced if the machinery of the District were so simplified that all the Clergy and leading laity could take an intelligent share in the work of the District. As one step towards this end, we recommend that the Education Committee and the Missionary Committee be one Committee. The Missionary and Educational work are inseparable in fact in this District, and should be supervised by one committee. This committee should be a committee of all the principal workers of the District.

Your Committee also recommends that some action looking towards the securing of an Archdeacon be taken.

We offer the following resolutions for adoption:

Resolved, That the Committee on Canons be instructed to present to the next Convention such a revision of the Canons as may be necessary to allow the Missionary Committee to assume the work and prerogatives of the Education Committee. And further also to prepare a revision of Canon XV., relating to the constitution, membership and office of the Missionary Committee, so that the same may be more representative of the working forces of the District.

Resolved, That a committee of five, composed of the two Deans of the Convocations, and one clergyman and two laymen to be appointed by the chairman, be authorized to thoroughly investigate the matter concerning an Archdeacon for this District, and report at the next Convention.

The Rev. John Norton Atkins presented and read the report of Christ School, Arden.

The Rev. Hugh A. Dobbin presented and read the report of the Valle Crucis school.

On motion, the Rev. John Norton Atkins was appointed as auditor and visitor of the above three industrial schools, and to furnish the Secretary with tabulated reports of the same, for publication in the Journal.

The Secretary presented and read the following letter to the Bishop of Asheville from the Rev. Francis M. Osborne:

Charlotte, N. C., May 25, 1911.

The Rt. Rev. Junius Horner, D. D.,
Asheville, N. C.

My Dear Bishop Horner:—As you doubtless know, the Rev. R. W. Hogue, who has been in charge of the Church work at the University of North Carolina for the past three years, leaves in June for the Church of the Ascension, Baltimore.

We are very anxious to continue the same policy for securing a liberal support for his successor, at least \$2,000.00 and rectory. We have been rais-

ing this in the past by the following apportionment of financial responsibility:

The local parish.....	\$600.00
The Diocese of North Carolina.....	600.00
The Diocese of East Carolina.....	600.00
The District of Asheville.....	200.00

At the recent meeting of the Convention of the Diocese of North Carolina, we renewed our pledge for \$600.00 per year and we have appealed to East Carolina to do the same. The Parish will contribute its \$600.00 and also plans to build a rectory.

Will you not, as one interested in the welfare of the Church and the State University, do what you can to have your Convention renew its pledge of \$200.00?

Sincerely yours,

FRANCIS M. OSBORNE,

Chmn. of the Committee of the Diocese of N. C. on the Work of the Church at the State University.

A motion to place the Rector of Chapel Hill on the list of the stipendiaries of the Missionary Committee was lost.

On motion of the Rev. Alfred S. Lawrence, the sum asked from the District of Asheville towards the salary of the Rector of Chapel Hill was referred to the Deans of the Convocations to be apportioned by them among the congregations of their respective Convocations.

On motion the reading of the minutes was dispensed with, the same to appear in the Journal after the approval of the Bishop.

The Committee on Unfinished Business, having reported that there were no further matters requiring the attention of the Convention, it was moved that the Convention should stand adjourned until such time and place as shall be designated by the Bishop.

The motion was agreed to.

The 143 Hymn was sung.

After prayer and the Bishop's benediction, the Convention adjourned.

JUNIUS M. HORNER,

Bishop of Asheville.

Attest: ALFRED H. STUBBS, Secretary of the Convention.

Appendix A

Address of the Bishop

Brethren of the Clergy and Laity:

Grace be unto you, and Peace from God our Father, and from the Lord Jesus Christ.

We are come together again in annual convention to take counsel of one another concerning the extension of the Kingdom of God. Our duty in this respect is not confined to our Mountain District, but has a world field for its exercise. Our citizenship in the Kingdom is universal in respect of both time and space, and we should let this idea of the universal character of our citizenship have due influence in our thoughts, words and deeds in behalf of the Kingdom.

During the past year two saintly and beloved men have been taken by death from the ranks of our Clergy.

The Rev. Charles Ferris and the Rev. McNeely DuBose were actively engaged in the exercise of their ministry in this section of the State many years before its organization into the Missionary District of Asheville, and both of them continued in canonical union with the District until death. Mr. Ferris was for many years in charge of the missionary work in and around Tryon. As long as his physical strength permitted he served the people faithfully, and when compelled by feebleness of health to resign, he was elected Rector Emeritus of the Parish at Tryon, and in such position with successive Rectors he was greatly beloved by all the people and by his associate Rectors. He was pure in thought, word and deed, and it was always an inspiration and a blessing to be with him. He died on the third day of December, 1910, in the thirty-second year of his ministry in the Church of God.

The Rev. McNeely DuBose at the time of his accidental drowning in the Catawba River, Saturday, April 15, was Rector of Grace Church, Morganton, and in charge of the Associated Missions connected therewith. He was devotedly loved in Asheville

and Morganton in which places his ministry was exercised in this District. His lovely character and uniform courtesy won for him friends everywhere, from all classes of people. His judgment was always sound and good, and the high esteem in which he was held by his co-workers is evidenced by the fact that at the time of his death he was officially in so many places of trust in the Church of the District. He was a member of the Board of Trustees, Deputy to the General Convention, Trustee of the University of the South, Trustee of St. Mary's School, Raleigh, Member of the Council of Advice of the District, Member of the Missionary Committee, Member of the Education Committee and Examining Chaplain.

The Church of the District has lost in him a valuable Missionary and friend. He emphasized in his ministerial life the great value of that conservative Churchmanship which has been the steady power of the Church in America. Extremes in churchmanship were disliked by him. He was a strict constructionist in rubrical and canon law. Traditions which had no clear foundation in law, were not considered by him as of any value in determining conduct. When interpreting a rubric of the Book of Common Prayer a contrary tradition was not permitted to alter in his mind the plain meaning of the words. The services of the Church as conducted by him in such an attitude of loyal churchmanship were dignified and beautiful, and satisfying to both low and high churchmen. I always felt that any service of the Church placed under his direction would be dignified, smooth and pleasing. The need in the Church for such men is great.

Seven Bishops of the American Church have passed to their reward during the past year:

Rt. Rev. Wm. N. McVickar, D. D., Bishop of R. I.

Rt. Rev. Channing Moore Williams, D. D., at one time Bishop of China and Japan.

Rt. Rev. William Paret, D. D., Bishop of Maryland.

Rt. Rev. Alexander H. Vinton, D. D., Bishop of W. Mass.

Rt. Rev. Ozi W. Whitaker, D. D., Bishop of Penn.

Rt. Rev. Edward Robt. Atwill, D. D., Bishop of Kansas City.

Rt. Rev. James Theodore Holly, D. D., Bishop of Haiti.

These have all done faithful work in their fields of labor, and

their death reminds us that the Church triumphant is growing, and that God is shortly to accomplish the number of His elect, and the Kingdom is hastening on. May God give us grace to follow where they have led the way.

The Triennial Convention of the Church was held in Cincinnati in October last. Many questions of great importance were discussed by delegates there from all parts of the world. No single interest, however, was so generally felt and emphasized as that of the Missionary work of the Church. The Board of Missions was reorganized and made more generally representative of the whole Church in the United States of America. Instead of being made up of Bishops, Priests and laymen in and near New York City, the present organization calls for membership in that Board from each of the eight Missionary Departments of the Church in the United States. In this way the Board will be constantly in vital touch with all parts of the field. There was frequent evidence given at that convention of the continually increasing interest that is felt by the Church in the smaller as well as in the larger dioceses in the Forward Movement for the extension of the Kingdom of God throughout the world. We are living now in the most intensive period of all the centuries of the Church's life. The privilege is given this generation of doing a work for Christ and His Church, that has been given to no other generation, and if we are faithful to our trust, no subsequent generation will have a similar opportunity. We are equipped to do in ten years what could not be done in a hundred years before.

The extending process must have a limit; and when that limit is reached the end will come.

The disciples came to our Lord privately and said (St. Math. 24-3), "Tell us, when shall these things be? and what shall be the sign of thy coming, and of the end of the world? And Jesus answered and said unto them (Matthew 24-14), * * * This gospel of the Kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come."

The accomplishment of this end is within the vision and almost in the grasp of the Church in this generation. Verily the Kingdom of Heaven is at hand.

Our limitations in the pursuit of our duty in these mountains may be great—but after accepting the limitations we cannot shift the duty. We must rise to heights from which we can see in our vision the fields far off as well as those that are nigh, and our pleasure and success in dealing with the Church problems near at hand will be in proportion to our ability to view the larger field of the Church's world activities. A self-centered Christianity is not only contrary to the ideals of the Kingdom of God as a world kingdom, but is absolutely unsatisfying to the individual.. As we broaden out in our vision, we become the more able to cope with the near-at-hand problems. The nigh and the far off should not be antagonistic, but supplementary. We should make every endeavor to develop the home situation in order that we may be the better equipped to deal with the far off. When these relationships are properly adjusted in theory and practice, we will find that we are all the better equipped and disposed to deal intensively with the limitations of our local environment.

EDUCATIONAL WORK.

Our local environment requires that we give much attention to our school work. The school work of the District has been greatly hindered except in certain localities by the lack of money to maintain the schools. It is designed that our four industrial schools shall as soon as possible become not only self-supporting, but develop into and rank as strong parishes in vital connection with the Church work of the District. This I am satisfied can be done. They require, all of them, further equipment, but when an adequate equipment is obtained, each of these schools should be in position to turn over to the general and specific funds of the District as much as any of our self-supporting parishes do. Many private schools are maintained and so managed as to bring in handsome returns to the private owners of the same, and these schools do as efficient and satisfactory educational work as the endowed institutions. In the endowed institutions individual students are the profit sharers. In the private schools, the individual owners are the profit takers. Now I maintain, and hope to demonstrate the desirability and practicability of the contention, that in a Church school, the profits of the same should be devoted to the

maintenance of the Church work in the Diocese which owns the school, and not given to individual students attending the school. It may be maintained that in industrial schools, such as ours in this District are, there is no money brought into the school from which profits may be made. Money may not be brought, but labor is brought in, and the labor of the boys and girls can be turned into money, and the profits of that labor, with the tools and equipment furnished, can be divided so as to support the student and turn over something to the owner of the plant, tools, equipment, etc. It becomes a fair business proposition. And upon this business basis, I hope all of our industrial schools will some day be maintained. I do not propose that they shall be, as many suppose they will be, a continual drain upon the resources of the Church, but rather an integral and substantial source of income to the Church. This is, I know, a radical departure from the traditional method in the financial conduct of Church schools; and it will require a few years longer to show its practicability. In the meantime we must use every effort to keep up our present system of school work, for the school is the most helpful part of each Mission group, as well as the most satisfying to both Clergyman and people. I shall ask that space be allowed in the Journal for full financial and statistical reports from the industrial schools:

Christ School, Arden.

The Patterson School, Legerwood.

The Appalachian School, Penland.

The Valle Crucis School, Valle Crucis.

These reports will give and keep before you the progress and conduct of the schools as nothing else will do, and start the ranking of the schools with the Parishes and Missions as important and vital units in the Church life of the District.

ST. MARY'S SCHOOL, RALEIGH.

The Diocesan School of the Carolinas, St. Mary's, Raleigh N. C., has made during the past year great improvements in its equipment, and ranks now as the largest and one of the best Church schools for girls in the United States. You will be asked at this Convention to elect a successor to the Rev. McNeely DuBose as trustee of that school. The standard and efficiency of the

school are being raised under the wise direction of the present Rector, the Rev. Geo. W. Lay.

THOMPSON ORPHANAGE.

Our Church Orphanage at Charlotte is an institution that is doing immense good in North Carolina. Additional buildings are needed and funds are being collected for the purpose of enlarging the equipment. Many of the orphans of our mountain section are taken care of at this orphanage and your continued liberal contributions for its support are appreciated. The offerings on Thanksgiving Day are by resolution of the Convention designated for this charity of ours. Remember these dear children in your prayers as well as by your contributions.

WOMAN'S AUXILIARY.

The work of the Woman's Auxiliary during the year has been most satisfactory in every way. The Auxiliary of the District has suffered a severe loss in the death of Mrs. Chester, Deaconess, who, in addition to her local work in connection with the Mission of Grace Church, near Asheville, voluntarily given, served faithfully and efficiently as a District officer of the Auxiliary. She gave most valuable help to the Auxiliaries as Secretary of the Mission study classes. All who had the privilege of working with Mrs. Chester felt that in her presence they were before a pure and saintly woman, whose one aim in life was to serve and help others. She loved the Church and loved to work for the Church. The beautiful little stone church at Grace will be known as a monument and memorial of her faithful work in that neighborhood.

The Auxiliaries will meet this afternoon in business session, and the reports made there will show how beautifully and faithfully the women of the District have done their share of the work among our mountain people. I wish to emphasize the great value of these Auxiliaries to every Parish and Mission of the District.

SUNDAY-SCHOOLS.

The Sunday-Schools of the District have been most valuable aids in the extension of the Kingdom. It seems hard for our Sunday-School Commission to accomplish much in the way of

united work because of the almost impossible barriers which separate the workers. It would be too expensive for the superintendents and teachers to come together at any one point to consult solely about Sunday-School work. Still, under the circumstances, most efficient work has been done by the Sunday-Schools, and the Commission will have to content itself with theoretic advice given from a distance to the leaders of the Sunday-Schools.

GENERAL MISSIONARY INTEREST.

During the year I have consecrated at Edneyville a small stone church, erected under the supervision of the Rev. R. N. Willcox, of Hendersonville. It is a model small church, and the most satisfying of all our Mission churches. It was erected at comparatively small cost, and should be visited and adopted by our Clergy as a suitable model for any proposed chapel. I commend it most heartily. It is in remarkable contrast to some others which have been erected in our District, and because we have so many evidences that our Clergy need a model, I call special attention to this Church. During the year two rectories have been put up, one at Tryon and one at Lincolnton. These supply a great need at both places, and both show the competent direction of the clergymen who were specially interested in them as their future home. Minor improvements have been made in our properties at other places. You will shortly be notified of the apportionment to each Parish and Mission for General Missions. The Board in New York has asked that for the coming year the offerings from the Woman's Auxiliary, the Sunday-School and the Church be combined, and this apportionment upon the District has been made accordingly, and though the increase from \$900 to \$2,310 seems very great, it is not so great as at first might appear. We must not let it frighten us—but we can meet this apportionment just as we have always met our apportionments in the past.

We are on the frontier of the home field, but the endeavor to help in the work of far off lands through this general offering to Missions will give us strength and courage to battle with our own problems the more satisfactorily.

In each case the Chapels at the respective schools have been omitted from the enumeration of the buildings, as they were considered as representing the Mission, as distinct from the school, though in each case the Chapel is used by the school.

Constitution and Canons

Missionary District of Asheville 1911

THE GENERAL CONVENTION — HOUSE OF BISHOPS.

Boston, 10th day of the Session.

Oct. 17, 1904.

The following resolution was adopted:

Resolved, That the Constitution and Canons of the Missionary District of Asheville, based on those of the Diocese of Ohio, be and are hereby approved.

Attest: SAMUEL HART,
Secretary.

Constitution of the Protestant Episcopal Church

IN THE

Missionary District of Asheville

Adopted September 10, 1899

As Subsequently Amended and Approved by the House of Bishops

ARTICLE I.

THE DISTRICT.

The Missionary District of Asheville embraces territorially the counties of Alleghany, Wilkes, Alexander, Catawba, Lincoln, and Gaston, in the State of North Carolina and all that portion of the State lying west thereof; and, as a constituent part of the Protestant Episcopal Church in the United States of America, it accedes to and adopts the Constitution and Canons of that Church, and acknowledges their authority accordingly.

ARTICLE II.

THE CONVENTION.

The Convention of the District consists as follows:

- (a) Of the Bishop of the District, when there is one.
- (b) Of every clergyman, not under discipline, who shall have been for six months, next preceding the Convention, canonically resident in the District, and in charge of, or employed as assistant minister in, any Parish in canonical union with the District, or employed as a missionary under the Ecclesiastical Authority of the District, or regularly engaged as Instructor in any Parochial or Mission school of the District, or regularly engaged as instructor in any Church Institution, upon the Board of Trustees of which the District is represented, or who, having been engaged in the discharge of any of the foregoing duties, shall have been disabled from continuing in the same by reason of advanced years or infirm health.
- (c) Of any officers of the District, who may be constituted *ex-officio* members of the Convention by constitutional or canonical provision.
- (d) Of lay delegates from the Parishes in canonical union with the District, and from the organized Missions in the District.

Each of the said Parishes shall be entitled to three delegates in the Convention, and each of said Missions shall be entitled to one delegate in the Convention.

The lay delegates shall be communicants in the Parish or Mission, which they represent, and they shall be chosen in such manner as may be prescribed by Canon.

ARTICLE III.

ANNUAL AND SPECIAL CONVENTIONS.

The Convention shall meet annually at such time and place as may have been determined by the next preceding Convention, or in case of no such determination, on the third Wednesday in June, at such place as may have been designated by the Ecclesiastical Authority of the District, but the time or place of such meeting may be changed, or Special Conventions may be called by the Ecclesiastical Authority of the District, subject to such provision as may be prescribed by Canon.

Printed notice of the meeting of the Convention shall be mailed at least thirty days before the time appointed, to every clergyman canonically resident in the District and to the Clerk of the Vestry of each Parish in canonical union with the District, and to the Clerk of each Mission in the District.

In case of a special Convention, the notice shall specify the purpose for which the same is called, and no business not strictly pertaining to that purpose shall be transacted by said Convention.

ARTICLE IV.

RELIGIOUS SERVICES OF THE CONVENTION.

The Ecclesiastical Authority shall appoint and order the opening service, and all other religious services of the Convention, subject, in the absence of the Bishop, to modification by the Convention itself.

ARTICLE V.

The Bishop of the District shall have a seat and vote in the Convention, and shall be its presiding officer.

If the Bishop of the District be not in attendance upon the Convention, a President *pro tempore* shall be elected from among the clerical members of the Convention.

ARTICLE VI.

CONVENTION QUORUM.

The presence of one-half of all the clergy entitled to seats in the Convention, and of a representation from one-third of all the Parishes entitled to be represented in the Convention, shall be necessary to constitute a quorum for the transaction of business, provided, however, that any less number shall have power to meet, to receive reports, and to adjourn.

ARTICLE VII.

OFFICERS TO BE ELECTED BY CONVENTION.

The Convention shall elect annually, a Secretary, a Treasurer, and one

member of a Board of five Trustees of the District to serve for five years. It shall elect triennially, a Registrar of the District, one clerical and one lay delegate to the General Convention, with one provisional clerical and one provisional lay delegate to the same, and an Ecclesiastical Court to consist of five Presbyters of the District.

The foregoing officers shall respectively perform the duties which, by canon or general usage, may be prescribed for them; and each shall continue in office until his successor is chosen; and any vacancies among the foregoing officers, arising during the recess of the Convention, may be filled by appointment of the Ecclesiastical Authority of the District. Vacancies continuing until the time of an Annual Convention shall be filled by the same.

ARTICLE VIII.

MODE OF VOTING AND ELECTIONS.

The Clergy and lay delegates shall deliberate in one body, and vote as such in all elections. All elections shall be by ballot.

A vote by orders upon the decision of any question may be called for by five members; and in such case the concurrence of a majority of the votes in each order shall be necessary for an affirmative vote. In a vote by orders, each Parish represented in the Convention shall be entitled to but one vote, and a Mission in such case has no vote.

ARTICLE IX.

ELECTION TO THE EPISCOPATE.

The election of a Bishop shall be made in an Annual Convention, or in a Special Convention called for that purpose at least sixty days before the time appointed, the object being stated by notice in writing, and sent to every clergyman and vestry of the District.

The election shall be by orders, and the concurrence of a majority of both orders present and voting shall be necessary to determine the choice.

ARTICLE X.

THE CHANCELLOR.

The Bishop, with the approval of the Council of Advice, may appoint a person, learned in the law, Chancellor of the District, to advise regarding any question of law which may arise in the administration of District affairs, who shall be entitled *ex-officio* to a seat and vote in all Conventions, except when the vote is by orders. The Chancellor must be a communicant and resident in the District, and shall continue in office till death, or resignation, or revocation of appointment by the Bishop.

ARTICLE XI.

SUSPENSION OF PARISHES OR MISSIONS.

Any Parish or Mission may be suspended from the right of lay representation in the Convention by a vote of two-thirds of each order, whenever the same shall be deemed conducive to the interests of the Church; or its connection with the District may be wholly dissolved by canonical process.

ARTICLE XII.

AMENDMENT OF CONSTITUTION.

The mode of altering this Constitution shall be as follows:

Every proposition for amendment shall be made in writing, and being read, shall be referred to the Committee on Canons, which shall report the same to the next Annual Convention, with their recommendation, and if two-thirds of the two orders voting separately shall then approve of said proposition, either in its original form, or in the form recommended by said Committee, and if the Bishop of the District approve, the proposed amendment shall then be submitted to the House of Bishops, and upon the approval of the House of Bishops, the Constitution shall be changed accordingly.

CANONS AS AMENDED AND APPROVED BY THE HOUSE OF BISHOPS, 1904.

CANON I.

OF THE LIST OF MINISTERS.

SECTION 1. Within one week before the meeting of every Convention of this District, the Bishop shall cause to be prepared a list of the Ministers canonically resident in the District, annexing the names of their respective cures, or parishes, or stations as Missionaries, or of the institutions of learning, in which they are engaged; and in regard to such as are not engaged in parishes, or missions, or institutions of learning as above, their places of residence only, specifying, at the same time, who of any class are Deacons; but no Clergyman, while suspended from the Ministry, shall have a place on such list; and the list shall be laid before the Convention immediately after it shall have been called to order, and the names of the Clerical members called therefrom. The same shall be appended to the Journal, and sent to the Secretary of the General Convention.

SEC. 2. When the right of any Clergyman to a seat in the Convention is disputed, it shall be determined according to the provisions of the second article of the Constitution, by the Convention itself, whether his name be inserted in the list aforesaid or be omitted.

CANON II.

OF ATTENDANCE ON CONVENTION.

It shall be the duty of all Clergymen entitled to seats in the Convention to attend the same, and of each Parish in union with the Convention to send one or more Lay Delegates to the Convention, not exceeding three, elected by the Vestry, at least ten days before the meeting of any Convention from among the male communicants of said Parish, and of each organized Mission to send one delegate appointed by the Minister-in-charge from among the male communicants of the Mission, and the Clerk of the Parish or Mission shall, at least five days before the meeting of any Convention, send to the Secretary of the Convention, for delegates elected or appointed as aforesaid, a certificate as follows:

"This is to certify that N. N., communicants in good standing of _____ Church or Mission were duly appointed Lay Delegates to represent the same in the Convention of the Protestant Episcopal Church in the District of Asheville, to be held on the _____ day of _____, in the year of our Lord_____; and that the semi-annual dues to the Contingent Fund of the District are either fully paid, or application has been made for relief in accordance with the Canon."

This certificate shall be signed by the Rector or Minister-in-charge, and Clerk. The Secretary of the Convention shall make a list of the names of Delegates thus certified to him, to be used by him at the organization of the Convention.

CANON III.

OF THE SECRETARY.

It shall be the duty of the Secretary to take minutes and record all proceedings of the Convention; to attest its public acts, preserve its records, notify the Parishes of the times and places of meeting of all stated and special Conventions, giving thirty days' notice, and faithfully to deliver to his successor all books and papers belonging to the Convention which may be in his charge. In giving notice of the meeting of the Annual Convention, he shall send a form of parochial report, and of certificate by which the appointment of Lay Delegates is to be certified. If the Parish or Mission be vacant, this notice shall be sent to the Clerk.

CANON IV.

OF THE TREASURER.

SECTION I. It shall be the duty of the Treasurer to receive and disburse all money collected under the authority of the Convention, of which the collection and disbursement shall not otherwise be regulated, and semi-annually to notify the Treasurer of each Parish and Mission of the amount

of its dues, and when to be paid, giving twenty days' notice. His accounts, properly audited, shall be rendered annually to the Convention, and shall be examined by the Committee on Finance. In case of a vacancy, the Bishop shall appoint a Treasurer for the unexpired term.

SEC. 2. The Treasurer of the District shall *ex-officio* be entitled to a seat in the Convention, and to a voice in the discussion of all financial questions. He shall be *ex-officio* a member and Secretary of the Committee on Finance.

SEC. 3. The salary of the Treasurer of the District shall be (\$200) two hundred dollars per annum, and he shall act as Treasurer of the Board of Trustees of the District, if the Board so elects.

SEC. 4. Before entering upon the discharge of his duties, the Treasurer shall file with the Trustees of the District a bond, executed to them on behalf of the District by some reliable guarantee company, in the sum of five thousand dollars, for the faithful performance of duty, the cost of which bond shall be paid by the District; and all moneys, under the charge of the Treasurer, belonging to the District, shall be kept on deposit, in the name of the District, subject to the order of the Treasurer of the District, with such banking institution as may be approved by the Trustees of the District.

CANON V.

OF THE REGISTRAR.

It shall be the duty of the Registrar to gather and preserve all such journals, files, papers, reports, catalogues, and other documents as may be useful for reference, or furnish materials for the history of the Church in the District of Asheville, and to hold the same under such regulations and restrictions as the Convention may from time to time prescribe.

CANON VI.

OF THE TRUSTEES.

SECTION 1. A Board of five Trustees of the District, to hold office five years, shall be elected by the Convention, who shall hold all property of the Missions of the District, and of such Parishes as desire to have their property held in trust by the Board, and who shall have the care of funds, such as those derived from extinct Parishes, and who shall have care of funds for the support of the Episcopate, and of all such as may by gift or devise for any special purpose become the property of the District.

SEC. 2. At the first election of Trustees of the District under this Canon, the whole number shall be chosen; but the term of one (to be designated by the Board) shall expire each year, so that every year after the first, one Trustee shall be elected, and vacancies shall be filled for unexpired terms.

SEC. 3. The Board of Trustees shall elect a Treasurer, who shall per-

form the duties usually pertaining to that office. Before entering upon the discharge of his duties, said Treasurer shall file with the Trustees a satisfactory bond, executed to them on behalf of the District by some reliable guarantee company, in the sum of five thousand dollars, for the faithful performance of duty, the cost of which bond shall be paid by the District. Said Treasurer shall *ex-officio* be entitled to a seat in all District Conventions, and to a voice in the discussion of all financial questions, and he shall be *ex-officio* a member of the Finance Committee. The Board of Trustees shall also appoint a Secretary, who, if not a member of the Board, shall have a seat, but not a vote, at its meetings.

SEC. 4. The Bishop shall be *ex-officio* a member of the Board of Trustees, and, if present, shall preside at all meetings of the Board. The Bishop or any two trustees may call meetings of the Board.

CANON VII.

OF THE COUNCIL OF ADVICE.

SECTION I. A Council of Advice, who shall perform the duties of a Standing Committee for the District, shall be annually appointed by the Bishop in accordance with Canon 13, § IV [ii] of the General Convention.

SEC. 2. Any three of the Council, the whole being summoned, provided one be a Presbyter, shall be a quorum for the transaction of business, when convened at the request of the Bishop. At all other meetings a majority of the members shall be necessary to a quorum. It shall be the duty of the Secretary of the Council to keep a faithful record of the proceedings in a book provided for the purpose; to preserve the original of all papers or letters addressed to the Council; to attest their acts, and to deliver to his successor all books and papers which in virtue of his office have been committed to him. The minutes of the Council, and all other papers in their hands relative to the Church, shall be subject to examination by the Bishop, or by the Convention. A report of the acts of the Council shall be made annually to the Convention.

CANON VIII.

OF DELEGATES TO THE GENERAL CONVENTION.

SECTION I. The Convention shall, at each regular annual meeting next preceding a stated meeting of the General Convention, elect one Clergyman and one Layman, to act as Delegates from this District to the General Convention. It shall also elect one Clergyman and one Layman, as Provisional Delegates, which Delegates and Provisional Delegates shall represent the District until their successors are elected, and shall represent the District in any General Convention, which may be held during their continuance in office.

SEC. 2. It shall be the duty of the Delegates-elect to signify to the Bishop, at least ten days before the meeting of the General Convention, their acceptance of the appointment, and their intention to perform its duties, and in case the Delegates or Provisional Delegates cannot represent the District in the General Convention, the Bishop shall appoint one or more as the case may be, to supply any deficiency in the representation of this District, which may in any way occur. And the person or persons so appointed by the Bishop, being furnished with his certificate thereof, shall have all the power and authority of Delegates duly elected by the Convention.

CANON IX.

OF THE DISTRICT CONTINGENT FUND.

SECTION 1. At each Annual Convention an assessment shall be made upon the several Parishes and Missions in the District, according to the several abilities of the Parishes and Missions, of an amount sufficient to satisfy the pecuniary obligations of the Convention, embracing all contingent expenses.

SEC. 2. It shall be the duty of the Vestry of each Parish, and of the officers of each Mission, to provide for the collection and payment of such sums as shall be assessed by the Convention as aforesaid; and the same shall be transmitted in semi-annual installments to the Treasurer of the District.

SEC. 3. It shall be the duty of each corporation in union with the Convention and of each organized Mission, to render, at such time and in such manner as may be required by the Convention, a true and faithful account of the real estate and other property owned by said Parish or Mission, with its fairly estimated value, and also a statement of any lien or encumbrance on the same, or any part thereof, and the amount of interest paid in consequence of such lien or encumbrance. And further, it shall be the duty of each Parish, or Mission, to declare the full amount of the current expenditure of the Parish or Mission, and of all money expended for the same, in any way accruing including salaries and all other expenses.

SEC. 4. [iii.] No Minister, knowingly after due inquiry, shall solemnize the marriage of any person who has been or is the husband or wife of any other person then living, from whom he or she has been divorced for any

cause arising after marriage. But this Canon shall not be held to apply to the innocent party in a divorce for adultery; *Provided*, that before the application for such re-marriage a period of not less than one year shall have elapsed, after the granting of such divorce; and that satisfactory evidence touching the facts in the case, including a copy of the Court's Decree, and Record, if practicable, with proof that the defendant was personally served or appeared in the action, be laid before the Ecclesiastical Authority, and such Ecclesiastical Authority, having taken legal advice thereon, shall have declared in writing that in his judgment the case of the applicant conforms to the requirements of this Canon; and *Provided*, further, that it shall be within the discretion of any Minister to decline to solemnize any marriage.

§ 4. If any Minister of this Church shall have reasonable cause to doubt whether a person desirous of being admitted to Holy Baptism, or to Confirmation, or to the Holy Communion, has been married otherwise than as the Word of God and discipline of this Church allow, such Minister, before receiving such person to these ordinances, shall refer the case to the Bishop for his godly judgment thereupon; *Provided, however*, That no Minister shall in any case refuse these ordinances to a penitent person in imminent danger of death.

CANON XXXIX.

OF REGULATIONS RESPECTING THE LAITY.

§ 1. A communicant in good standing removing from one Parish to another shall be entitled to and shall procure from the Rector or Minister of the Parish or congregation of his or her last residence, or if there be no Rector or Minister, from one of the Wardens, a certificate stating that he or she is a communicant in good standing; and the Rector or Minister of the Parish or congregation to which he or she removes shall record him or her as a communicant when such letter is presented, or on failure to produce such letter from no fault of the communicant, upon other evidence of his or her standing sufficient in the judgment of the said Rector or Minister. Notice of the above record shall be sent by said Rector or Minister to the Rector of the Parish from which the communicant has removed.

§ 22. When a person to whom the sacraments of the Church have been refused, or who has been repelled from the Holy Communion under the Rubrics, shall lodge a complaint with the Bishop, it shall be the duty of the Bishop, unless he see fit to require the person to be admitted or restored because of the insufficiency of the cause assigned by the Minister, to institute such an inquiry as may be directed by the Canons of the Diocese or Missionary District, and shall proceed according to such principles of law and equity as will insure an impartial decision, but no Minister of this Church shall be required to admit to the Sacraments a person so refused or repelled, without the written direction of the Bishop.

The Sacraments shall not be refused in any case to a penitent person at the point to die.

Journal Proceedings

Church of St. John in the Wilderness,

Flat Rock, N. C.,

June 19th, 1912.

This being the day appointed by the Bishop for the Eighteenth Convention of the Missionary District of Asheville, the Convention assembled in the Church of St. John in the Wilderness, Flat Rock, N. C., at 9 a. m.

Morning Prayer was said by the Rev. Alfred H. Stubbs.

The Bishop called the Convention to order, and the Secretary proceeded to call the roll. Twenty-seven of the Clergy, and twenty-three lay representatives from eleven parishes and nine missions answered to their names, and the Bishop declared the Convention organized.

The Bishop appointed Mr. Kingsland Van Winkle in the room of Mr. Thomas W. Valentine, on the Committee on Credentials.

The Rev. Alfred S. Lawrence presented and read the following report, which was, on motion, adopted :

REPORT OF COMMITTEE ON CREDENTIALS.

We, the Committee on Credentials, respectfully report that we have examined the certificates from Parishes and Organized Missions, and find them in due form, with the following exceptions: St. George's Morganton, St. John's Sylva, Christ School Arden, Holy Communion Balsam, St. David's Cullowhee, and Holy Cross Valle Crucis, certificates not having been signed by the secretaries.

We recommend that the lay delegates from the Missions whose certificates are presented herewith, but in some respects are irregular, be accepted, and be entitled to a seat, and vote in this Convention.

ALFRED S. LAWRENCE,
KINGSLAND VAN WINKLE,
FRANCIS P. BACON.

On motion of the Rev. H. Fields Saumenig, it was

Resolved, That the Secretary be instructed to wire the greetings of the Convention to the Rev. Rodney R. Swope, D. D.

The Rev. Alfred H. Stubbs was re-elected Secretary.

The Secretary appointed Mr. Francis P. Bacon as Assistant Secretary.

The Bishop appointed the Rev. Theodore Andrews and Mr. Haywood Parker as the Committee on Unfinished Business, and the Rev. Walter R. Dye, the Rev. Edmund N. Joyner, Hon. William A. Hoke, and Mr. Francis P. Bacon, as the Committee on Constitution and Canons.

On motion of the Rev. Theodore Andrews, it was

Resolved, That visiting Clergymen, and Candidates for Holy Orders present in the house, be, and they hereby are, invited to honorary seats in the Convention.

The following named appeared, and took seats under this resolution: The Rev. Walter C. Clapp, the Rev. James B. Sill, the Rev. Walter J. Smith, Mr. Albert R. Morgan, and Mr. Samuel B. Stroup.

A recess was taken in order that the Convocations might meet and make their nominations.

The Convention reassembled.

The Convocation of Morganton having nominated the Rev. Frederick D. Lobdell as Dean thereof, and the Convocation of Waynesville, the Rev. Rodney R. Swope, D. D., as Dean thereof, the Bishop confirmed the above nominations.

The Rev. Walter R. Dye and Mr. Harry C. Martin by the Morganton Convocation, and the Rev. H. Fields Saumenig and Mr. Haywood Parker by the Waynesville Convocation, were nominated as members of the Missionary Committee.

The Rev. Rodney R. Swope, D. D., was nominated as Trustee to succeed himself.

The Rev. Theodore Andrews presented and read the following report, which was, on motion, accepted:

REPORT OF THE DEAN OF THE CONVOCATION OF MORGANTON.

We have held during the past year three meetings of the Convocation of Morganton: Midsummer, August 16-18, at Valle Crucis; December 5 to 7 at the Church of the Ascension, Hickory; and February 14 to 15, at St. Luke's Chapel, Rutherfordton.

At the latter meeting the Rev. Eugene deF. Heald conducted a conference for the Clergy in preparation for Lent.

From eight to ten clergy, and a few laymen have been in attendance at these meetings.

Five new clergymen have been added to our list since last year.

The Dean has visited, outside of his own district, twenty-three Mission Stations in the Convocation. This includes four counties where as yet no Church work has been established. Recently two addresses have been given, and the Holy Communion administered in Burnsville, the county seat of Yancey County. Seventeen addresses and lectures have been given in the North and West in the interests of the work.

We should pray earnestly the Lord of the harvest to send forth laborers into this most promising field; that souls asking for the Gospel message may be ministered to, and God's kingdom advanced. Some clergyman, untrammelled by parish ties, set apart to this neglected field, is greatly needed.

Respectfully submitted,

FREDERICK D. LOBDELL,

Dean.

The Secretary presented and read the following report, which was, on motion, accepted:

REPORT OF THE DEAN OF THE CONVOCATION OF WAYNESVILLE.

The autumn meeting of the Convocation was held at the Church of the Holy Cross, Tryon, September 26 and 27, 1911. There were five of the Clergy and six lay representatives present. Sermons were delivered by the Dean, and the Rev. H. Fields Saumenig. Three public services and a business meeting were held. An apportionment of six per cent, on the amount of the District Missions' apportionment was agreed to for the salary of the rector at Chapel Hill, North Carolina. After discussion a Sunday-School monthly offering was recommended for District Missions, in place of the Advent Offering from the schools. A most admirable paper on Church Unity was read by the Rev. Mr. Willcox, and discussed by those present.

The winter meeting of the Convocation was held at Asheville and Biltmore, February 6 and 7, 1912, and seven of the Clergy were in attendance. The first meeting was held on the evening of the sixth in the building used by Trinity Church, Asheville, when several addresses were made by the Rev. Mr. Parke, the Rev. Mr. Areson, and Bishop Horner, on the need and practical working of the Machinery of Missions. On the following morning, at a service held in All Souls' Church, Biltmore, Mr. Walter S. Cain was admitted to the Order of Deacons, after a sermon by the Dean. At the business meeting there was a discussion of the Sunday-School Penny Offering for District Missions.

It would seem that more might be accomplished by the Convocations, if the duties of the Deans were made more definite. At present they are merely the chairmen of the semi-annual meetings, with no authority to do

anything more than provide that such meetings be held, and to arrange a programme for the same; whereas the office could be made more effective and useful if the Bishop and Convention would associate certain definite duties with the office. I offer this as a suggestion for the consideration of the Convention.

R. R. SWOPE,

Dean of the Convocation of Waynesville.

The Council of Advice respectfully reports:

That on July 12th, 1911, Walter Stephens Cain was recommended to the Bishop to be admitted a candidate for Holy Orders.

That on January 18th, 1912, the time of the candidateship of Walter Stephens Cain was recommended to be shortened six months, and he was accordingly recommended to the Bishop to be ordered Deacon.

That on the same date the Council approved of a Dispensation from Latin and Greek being granted to the Rev. James Thomas Kennedy, and recommended him to the Bishop to be admitted a candidate for Holy Orders.

That on May 1st, 1912, Robert Powell Hairston was recommended to the Bishop for admission to the Sacred Order of Deacons.

Respectfully submitted for the Council,

ALFRED H. STUBBS,

President.

REPORT OF THE MISSIONARY COMMITTEE.

To the Eighteenth Annual Convention of the District of Asheville:

Four meetings of the Committee have been held since last Convention.

The Committee has expended \$3,841.34, the same being paid to 25 of the Missionary Clergy.

Towards this sum the congregations gave \$225.95 less than last year, but the Sunday-School Advent Offering, the Sunday-School Penny Offering, and the net balance derived from the Ravenscroft Income Fund combined yielded \$222.87 in excess of the former yearly report. The debit balance is now \$728.06, and demands the consideration of this Convention as to ways and means of wiping it out.

At the November meeting it was decided to inaugurate a monthly offering for District Missions from the Sunday-Schools, and accordingly a

circular letter was prepared by the Bishop, and sent to the Clergy and Sunday-School workers. This action was supplemented at the meeting in May by a resolution requesting the Convention to appoint a special committee to secure the interest of the Sunday-School children in this matter.

The General Apportionment for General, Domestic and Foreign Missions, amounting this year to \$2,414.42, lacks \$459.40 of being paid.

Respectfully submitted,

ALFRED H. STUBBS,
Secretary.

A recess was taken for Divine Service.

At half past ten o'clock the Bishop, assisted by the Rev. Frederick D. Lobdell and the Rev. Alfred H. Stubbs, celebrated the Holy Communion and delivered his annual address. (See Appendix A.)

The offerings of the congregation were received for Convention expenses.

The Convention reassembled.

On motion, so much of the Bishop's address as referred to Social Service, and to the Penny Offering for District Missions, was referred to the Committee on the State of the Church.

On motion of the Hon. William A. Hoke, it was

Resolved, That a committee of three be appointed by the Bishop to confer with like committees from the other Dioceses of the Carolinas, concerning the indebtedness of St. Mary's School at Raleigh, N. C., and to devise ways and means for the liquidation of the same.

The Bishop appointed as such committee the Rev. Walter R. Dye, the Rev. Stephen E. Prentiss, and the Hon. William A. Hoke.

The Rev. Alfred S. Lawrence presented and read the report of the Sunday-School Commission, which, on motion, was referred back to the Committee for amendment.

Mr. Haywood Parker presented and read the following report, which was, on motion, adopted:

TRUSTEES' REPORT.

During the year the Trustees have sold the vacant lot in Black Mountain to Mr. F. C. Watkins for \$600.00, as it was considered that a more desirable lot can be secured for a church site. Also the small piece of land near Riceville, Buncombe County, was sold to Mr. A. L. Stevenson for \$15.00, as there was no longer a Mission at Riceville, and also because of a

change in the county road the land was no longer suitable as a site for church or school house.

At the request of Rev. Mr. Willcox, the minister in charge, an exchange of a small piece of the lot at Upward has been made so as to make the property there more available.

Some years ago Miss Caisson conveyed a lot in Lenoir to the Trustees as a site for a colored school, and for a while a school was maintained there; but no school has been conducted there for several years past, and as there was no prospect of its being opened again at that site, the Trustees have thought best to re-convey the lot to the sisters of Miss Caisson, who died some time ago.

The sale of one of the vacant lots of the Ravenscroft property to Mrs. Tyack, mentioned in the last report, was consummated; and recently the lot containing the brick cottage on the Ravenscroft property was sold to Mrs. Mamie D. Meadows for \$2,500.00.

The street through the Ravenscroft property has been graded out and paved, and water line laid, and cement sidewalks are being put down.

HAYWOOD PARKER,
Secretary for Board of Trustees.

June 18, 1912.

The Rev. Theodore Andrews presented and read the following report, which was, on motion, accepted:

REPORT OF THE REGISTRAR.

During the past year I have received 52 Journals of Diocesan and District Conventions, and of Department Council meetings, with other matter of a miscellaneous character. There are on hand some 200 Journals turned over to me by the Rev. J. A. Deal, my predecessor. Owing to a misunderstanding as to my present address, caused by a mistake in the Church Almanacs, my name has been taken off the mailing list of the dioceses exchanging journals, under the impression that I had removed from the District. I hope that this mistake may be rectified, and the exchange of Diocesan journals resumed. I would suggest, however, that a more central or accessible place be found where they may be kept on file, so as to make them more easy of reference for the members of the District.

More important is the Registrar's work in preserving records of the District itself. Following a policy in which a few years ago Mr. Deal had the hearty support of the Convention, I have made efforts to secure personal and parochial records of the clergy and congregations of the District. As a result, I have now personal records of 14 of the 32 clergy of the District, and of 5 who are no longer canonically resident here; and more or less complete information concerning 10 out of 13 Parishes, and 24 out of 71 Missions.

A little more co-operation on the part of all of us of the clergy will result in the saving of a record that it may in a few years be vain to seek.

Respectfully submitted,

THEODORE ANDREWS,
Wilkesboro, N. C.

On motion, the Treasurer was authorized to pay the amounts apportioned the District by the Council of the Fourth Missionary Department.

A recess was taken.

Wednesday

3:30 P. M.

The Convention reassembled.

The Secretary presented and read the following report, which, on motion, was received, and ordered printed in the Journal:

REPORT OF THE TRUSTEES OF ST. MARY'S SCHOOL.

In accordance with the provision of the act of incorporation of St. Mary's School, Raleigh, the following report is submitted on behalf of the Board of Trustees.

The Treasurer of the Corporation reports small balances on hand, aggregating \$1,231.57.

Of this, \$58.14 is the balance on general account, and \$1,173.43 is the proceeds of some efforts of the Rector of the School, and of a committee of the Board, to raise a fund for buildings, equipment, and endowment. The Treasurer reports in hand a fund of \$3,000.00 constituting all which has been received, from the executor of the late Dr. and Mrs. Martin, of their legacies to establish the "Martin Scholarship." There is also on hand \$121.80 interest upon the \$3,000.00. These are the only funds in the hands of the Treasurer.

The bonded debt of the School is \$40,000.00 upon which interest is paid semi-annually at the rate of *six per cent. per annum*. There is also a balance of about five thousand dollars, spent for permanent improvements and equipments, which was not funded, but has been carried on the books of the school, with the hope that the School might be able to pay it off. The School has therefore been obliged to meet its proper annual expenses, to pay the interest both on the bonded debt of forty thousand dollars, and on the above mentioned balance of about five thousand dollars of floating debt, and to give annually free scholarships worth twenty-five hundred dollars, which is equivalent to the interest on \$50,000.00 at 5 per cent. All this the School with great effort and economy has succeeded in doing.

Relieved of this burden of interest and scholarships, the School would

be able to make annually many repairs and minor improvements, with the balance of profits which at the present time the School would really be making.

The total enrollment of pupils during the present year has been 242, of whom 152 were boarding pupils, and 90 day scholars. The discipline of the School has been excellent, the diligence and improvement of the pupils most gratifying, and in every respect there has been a high degree of excellence in the administration of the School both as to its material interest and in its educational work. Of the higher spiritual interests of the pupils it is not so easy, perhaps it is not so proper, to speak. But so far as can be judged by the Chapel services, and the attendance and interest of both pupils and teachers, it is safe to say that St. Mary's shows no signs of declining from its high ideals of the past.

It is the opinion of the President of your Board of Trustees that we have in St. Mary's School an institution developed to a high degree of efficiency, doing most admirable work in every department, and its entire machinery, to use a common figure, running with smoothness and power, such as has not been surpassed, if at any time equalled, during the experience of the years since the Diocese took it from the hands of Dr. Smedes, the younger. The large sums of money expended three years ago in increasing its accommodations and improving its equipment, have made possible the higher development of comfort, convenience and efficiency in its management. And an increased attendance of pupils has followed upon this improvement in the School. But it has not yet been filled to its *maximum* capacity. It could now accommodate a small further increase in the number of boarding pupils. We hope to see that increase when the School opens next September.

In the meantime the friends of the School in the Carolinas should remember that we have made only a beginning in what we must do for St. Mary's. I am saying only what the Trustees of the School have asserted again and again in formal action, and what every one must recognize to be true, if he will but look at the facts in the history and the present state of higher education, namely, that we must furnish the School with its buildings and its equipment, *free of any burden of debt*; and we must provide it an endowment, if we would assure its permanent success and usefulness. Unless this be done and done promptly, there will be no recourse for the Trustees but to increase the charges of the School, and remove its benefits and blessings further and further from people of moderate means, that is, from the great majority of our people. St. Mary's needs fifty thousand dollars to pay off all indebtedness, and one hundred thousand dollars as the beginning of an endowment.

All which is respectfully submitted.

JOS. BLOUNT CHESHIRE,

President of the Board of Trustees of St. Mary's School,

May 6th, 1912.

Raleigh, N. C.

Mr. Allan W. Gibson offered the following resolution:

Resolved, That a committee of from three to five members of this Convention be appointed to investigate whether it would be advisable or not to call a convention of all denominations together, in order to discuss Missionary work, in view of a union in the future.

On motion, the resolution was laid on the table.

The Rev. Walter J. Smith, by request, addressed the Convention in the interest of the Thompson Orphanage.

The Rev. Chalmers D. Chapman presented and read the following report, which was, on motion received, and ordered printed in the Journal, after being edited by the Secretary:

REPORT OF THE COMMITTEE ON THE GENERAL CLERGY RELIEF FUND.

We recall the fact that there is a standing order of the Convention requiring a collection to be taken for the General Clergy Relief Fund on Quinquagesima Sunday of each year. This order, we assume, is binding on every Parish and Mission in the District that is able to make an offering. Seventeen congregations only observed the order this past year. A stronger sense of responsibility on the part of the Clergy and Laity, and an earnest purpose to meet the obligations of this Fund, would greatly change this state of things, and honor our standing order by a more faithful observance of it in the future.

The great and crying need for this General Fund no one will deny, and it is earnestly hoped that every Parish and Mission of the District will claim a share in the sacred privilege of helping to provide for the Ministers of Christ in their time of distress, or of extreme age.

No small number of devoted and self-sacrificing Clergymen, disabled by sickness, or by the weight of declining years, would lack even the necessities of life, were it not for the helping hand of the General Clergy Relief Fund.

If all the Clergy and Lay officers of our congregations could read the Triennial Report of the Trustees of this Fund presented at the last General Convention, interesting and encouraging indeed, but yet showing with unflinching frankness and unanswerable argument, how much good that ought to be done, and might be done, is reluctantly and sorrowfully left undone, the heart and conscience of the Church would be deeply stirred to give with greater liberality to this most worthy cause.

Respectfully submitted,

CHALMERS D. CHAPMAN,
GEORGE H. BELL,
WILLIAM F. RICE.

Last year the pension and relief list was about 550 and the obligation over \$100,000. The Trustees this year must have \$30,000 each quarter or cut down and refuse grants. At this moment they do not have sufficient money in the treasury for the next quarterly payments, viz.: July and October. Kindly call attention to the situation.

Total number of churches, 84. Number of churches contributing, 15.

The average amount, from the whole number of churches in the Diocese, in order to equal present grants, is \$9.53. Could this be managed?

On motion of the Secretary, it was

Resolved, That the Treasurer be directed to send a return postal card to the Clergy and congregations of the District, calling attention to the offering required to be received on Quinquagesima Sunday, for the General Clergy Relief Fund, and asking whether such canonical offering will be made.

The Rev. Alfred S. Lawrence presented and read the following report, which was, on motion, adopted :

REPORT OF THE SUNDAY-SCHOOL COMMISSION.

Owing to the difficulties of travel around the District, the lack of necessary funds, and the want of spare time, it has been impossible for members of the Sunday-School Commission to visit the schools of the District, or to give any personal advice or aid. Therefore, your Commission considers that a Sunday-School Commission in such a District as this is unwieldy, and as far as any particular action concerning any particular Mission or Church is concerned, it is quite impracticable. The Diocese of North Carolina has just abolished its Commission, and instead has appointed a Sunday-School Commissioner, whose expenses are to be met by the Convention. It would seem to those of your Commission here present, that some such scheme is practicable for this District. We would therefore recommend, that the present Commission be abolished, and that a Sunday-School Commissioner, preferably a layman, be appointed for this District, and that the Convention provide some way to meet his traveling expenses, and that he be required to visit as many Sunday-Schools as possible, investigate conditions, give advice and counsel, and report at the next Convention.

ALFRED S. LAWRENCE,
J. FOSTER SEARLES.

On motion of Mr. Kingsland Van Winkle, it was

Resolved, That the Sunday-School Commission consist of one layman to be appointed by the Bishop.

Mr. Harmon A. Miller presented and read the following resolution:

Resolved, That Section one of Canon eleven be amended by striking out the word "ten" in line four, and inserting in lieu thereof the word "twenty."

On motion, the resolution was referred to the Committee on Constitution and Canons.

On motion of the Rev. Alfred S. Lawrence, it was

Resolved, That the fourth of the Standing Resolutions, that dealing with prison reform, be omitted from the list of Standing Resolutions.

Mr. Haywood Parker presented and read the following report:

REPORT OF THE FINANCE COMMITTEE.

The Finance Committee recommends that the Convention and Contingent Assessments for the year ending May 31st, 1913, be the same on each Parish and Mission as for the fiscal year just past, and published on page 22 and 23 of the Journal of last Convention.

The Finance Committee further recommends that the Rector at the University of North Carolina at Chapel Hill, be placed on the list of the stipendiaries of the Missionary Committee of the District of Asheville, at \$200.00 per year.

On motion, the first recommendation of the Finance Committee was adopted.

On motion, the second recommendation of the Finance Committee was adopted.

On motion, the report of the Finance Committee was adopted as a whole.

The Secretary presented and read the following communication from the Diocese of Fond du Lac:

DIOCESE OF FOND DU LAC,
OFFICE OF THE SECRETARY.

Big Suamico, Wis., June, 1911.

Rev. and Dear Sir:—

The following resolution was adopted by the 37th Annual Council of the Diocese of Fond du Lac, holden in the Cathedral Church of S. Paul's, Fond du Lac, on Tuesday, the sixth day of June, A. D., 1911, and is sent to you in accordance with the instructions of the Council, viz.:

Resolved, That it is the judgment and desire of this Council that the words "Protestant Episcopal" should be stricken from the Book of Common Prayer in the seven places where now used.

Resolved, further, That a copy of this resolution be sent to the Bishop and Secretary of each Diocese with a request that they should express their judgment on this subject by a vote of their Council or Convention before the next meeting of the General Convention.

This change would bring our Prayer Book into accord with that used by the rest of the Anglican Communion.

So that where the English Prayer Book reads "according to the Use of the Church of England" our Prayer Book would read "according to the Use of the Church in the United States of America."

Sincerely yours,

LUCIUS D. HOPKINS,
Secretary of the Council.

A motion to table was lost.

Mr. Harry C. Martin offered the following resolution:

Resolved, That we do not approve of the proposed change in the Prayer Book suggested by the Convention of the Diocese of Fond du Lac.

As a substitute for Mr. Martin's resolution, the Rev. Malcolm S. Taylor offered the following resolution:

Resolved, That this Convention does not at this time take any action

upon the request from the Diocese of Fond du Lac, that the words "Protestant Episcopal" be omitted from the Prayer Book.

On motion, the substitute was adopted.

A recess was taken.

The Convention reassembled.

The Rev. Walter R. Dye presented and read the following report, which was, on motion, adopted:

REPORT OF THE COMMITTEE ON THE STATE OF THE CHURCH.

It has been the earnest desire of the Committee on the State of the Church to determine as far as possible, not only the present condition of the Church, but also what progress has been made. That progress has been made, progress in every sense, no one can doubt, but to make a fair estimate of such progress can never be done by a simple comparison of one year with the year immediately preceding. Movement is nearly always rhythmical. A wave moves shoreward only to recede, and then to move forward again a little further each time. There are years of seeming increase. There are years of seeming decrease, and yet the Church is steadily moving forward. A proper estimate can be made by comparing decades. No one can doubt the marked, tremendous progress that has been made in

the last ten years. Let anyone think of our present Convention with a Convention of ten years ago. He would need no further attestation of improvement, growth, everything in fact indicating substantial and satisfactory progress. Yet to measure results with the year before, as presented by the reports which we have examined, might cause us to feel deeply discouraged. Two things have presented difficulties. The largest Parish in the District, Trinity Parish, Asheville, has no report. Hickory also has no report. We can therefore take only the report of last year for these churches as basis of comparison, and on this basis we have, according to the reports, lost in everything but confirmations. Without wishing to criticise, we must say the book-keeping, the simple figuring of the reports is done with decided carelessness in many instances. To give an example, one report gives the following for Communicants: formerly reported, 103; added, 4; lost, 3, and present number 87. Another gives 116 as formerly reported, and lost 40, and present number 62. How 40 taken from 116 will produce 62, we fail to see. But taking the reports as we have them, and giving the last year's figures to Churches not reporting, we have lost as follows: 470 in baptized persons, 113 families, 154 Sunday-School pupils, and 122 Communicants, and there is a decrease of several thousand dollars in receipts, and yet we all know the Church has made very decided progress. So we do not accept the figures as indicative of conditions. We feel the Church is extending its field, and occupying new places. One of the surest means of progress is to determine on an advantageous field, and to proceed to occupy it at once. One of the great generals of the Civil War, when asked the secret of his success, laconically replied, "To get there first with the best men," and this we conceive, is no less true for our success in the field of the Church. Go there first with the best men. We can pass through the length and breadth of our country, and we shall find thriving, growing, progressive towns, in which the Church, when there at all is in a pitifully, if not seriously hopeless condition, simply because we lost a golden opportunity to occupy first, with good men. And now we feel deeply grateful when we hear of our devoted missionaries, for all true ministers are missionaries, going into new places, and carrying the Church to new people. We feel that our grand old Church has something to give people, something they can find nowhere else. But another thing presents itself, and behooves us to weigh carefully. One of the first things to be instilled into a new Church is the idea of self-support. Not what can I get out of the Church, but what can I render unto the Lord for all the mercies He has done unto me? The Church has her blessings, her rewards, but the man who goes into the Church for that reward is utterly unworthy of such reward. To get all that is possible, and to give as little as possible is to misunderstand the spirit of the Christian Church. And even in growing, there is sometimes a motive not entirely free from calculation. It may be true that when we cast our bread upon the waters, it may return after many days, but simply to cast it there with the avowed hope that it may return,

and more than this, to cast one loaf with the hope that it return as ten, is to show a spirit not worthy of a true Christian. Do we never find this? The idea of self-support must grow with the growth of the Church, and a Church should never start out as a parasite for it is likely to remain such all its feeble days, as we fear some have been, and still are. Ralph Waldo Trine has said, "The best way to help a beggar is to help him help himself," and the best way to help Churches is to help them help themselves. Any effort such as the Penny Offering that can effect this end is, in your Committee's opinion, to be urged, and pressed upon the congregations. The work in the social line carried on by Trinity Church, Chicago, which remained in the heart of the business part of the city is exciting wide interest, and some such system adapted to our conditions, might be the means, not only of Church growth and improvement outwardly, but of inward strength, by bringing heart and spirit together, producing mutual help and sympathy. All organizations such as the Boy Scouts, etc., should be considered by our Clergy. Any legitimate thing that can stimulate interest and make the working power of a Church more effective should be put in practice. We believe the organization of Unorganized Missions would have the tendency to increase interest, as it would make the Mission feel that it stands for something, and has responsibilities, and therefore we urge all Clergymen to organize all Missions where it is possible. We earnestly concur with the Bishop in urging the Clergy to put into practice, wherever it is possible, and it is possible in more instances than we sometimes might think, the Penny Offering system as defined in the Bishop's address. In conclusion, your Committee feels thankful, and deeply gratified to see the interest as showed in the present Convention, indicating life—real life—in the Church, and our Bishop ought to feel that he not only has a great field for work, but that field is being occupied, and the men under him are the peers in consecration and earnestness in all those qualities which go to make up efficient laborers in the King's service. A more loyal, earnest, and devoted set of men it has never been my pleasure to know and work with.

Respectfully submitted,

WALTER R. DYE,

REPORT OF THE PATTERSON SCHOOL.

The School is located at Legerwood, Caldwell Co., N. C.—8½ miles north of Lenoir.

The equipment consists of the Main Building, containing class-rooms, dormitories, dining-room and kitchen; the Principal's house; two small cottages; a repair shop and various barns, cribs and outbuildings. The Farm comprises 1280 acres, of which 300 acres are under cultivation, the rest wooded. There are 9 horses and mules, a large herd of pigs, a poultry plant and various farm implements.

The school is for white boys only, with a minimum age limit for entrance of sixteen years. The six year courses of study gives an exceptionally thorough training in the fundamental Primary and Grammar school subjects, while in the last two years about one half of the time is spent upon Agriculture and allied subjects.

The farm provides summer work for boys unable to pay tuition in cash.

The enrollment during the past year was 44, of which thirty six were boarding and eight were day pupils. The staff consists of the Principal, 3 teachers, the Agriculturist, secretary and house-keeper.

As Treasurer of the Board of Trustees, I also respectfully report that I have in my charge the several items of property which have been stated in detail in previous reports of the Trustees.

ALFRED H. STUBBS,
Treasurer.

Reports received from the Thompson Orphanage were ordered printed in the Journal, as follows:

REPORT OF THE BOARD OF MANAGERS OF THE THOMPSON ORPHANAGE AND TRAINING INSTITUTION.

The Board of Managers held their twenty-sixth annual meeting in the vestry room of the Orphanage Chapel on Wednesday, April 24th, 1912, at 10 o'clock, the Bishop of the Diocese presiding.

The annual reports of the superintendent and treasurer, Rev. Walter J. Smith and Mr. J. G. Shannonhouse, trustee of the Endowment Fund, were read and accepted, and are hereby submitted as a part of this report.

It being the occasion of the Bishop's annual visitation to the institution, a recess was taken at 11 o'clock for divine service, at which the Bishop preached and confirmed a class of ten children.

Immediately after dinner the Board of Managers resumed its deliberations.

Upon investigation it was found that the work of the institution has been most satisfactorily conducted during the past year. While there has been a very appreciable falling off in the gross products of the farm on account of the excessive drought of last summer, still the financial statement of the Superintendent shows a very gratifying increase over the previous year.

The Board is pleased to report that the health of the children has been, and continues exceptionally good. The sanitary conditions are satisfactory, and the children appear to be happy and well provided for.

Rev. Mr. Smith and his efficient co-workers deserve the utmost commendation for their zeal and faithfulness to duty.

The report of the Superintendent shows a very marked decrease in the Thanksgiving offering over the previous year. This fact is greatly to be deprecated, and while there may be some excuse for it, due to the short crops prevailing in some sections of the State, yet even that is by no means sufficient to account for so serious a falling off in the contributions of our people for this noble work, for whatever the differences may have been in the profits of the farm, and various lines of industries throughout the State, there has not been a corresponding diminution in the comforts and luxuries of our people.

It is with satisfaction and pleasure that we mention the fact of the laying of the corner-stone of the first of the series of cottages which the Federation of Orphanage Guilds throughout the State has undertaken to build for the institution.

The zeal and faith of the noble women of the State which has been manifested in connection with this good work cannot be too highly commended, and deserves the thanks of the Church, and we hope their efforts may be seconded by the generous contributions of our people everywhere, so that they may be able to accomplish the stupendous task which they have undertaken.

Respectfully submitted,

EDWIN A. OSBORNE,
WILLIAM H. HARDIN,
For the Board of Managers.

ANNUAL REPORT OF THE REV. WALTER J. SMITH, SUPERINTENDENT OF THE
THOMPSON ORPHANAGE AND TRAINING SCHOOL.

To the Board of Managers—Greeting:

Our institution, the child of faith, is now a quarter of a century old, and we celebrate its silver jubilee by the laying of the corner-stone of a new building, the result of the prayers and labors of the Federation of Orphanage Guilds in the State. In looking back over the past twenty-five years we have much for which to be thankful. The main support of the work has come from the voluntary offerings of our people, gladly and cheerfully given, and with the increase in the cost of living the contributions have also increased, so that we have generally been able to close each fiscal year with a respectable balance on hand. The total enrollment of children to date has been 462, and the present number in the Orphanage is 70. We have not made any great efforts to enlarge our capacity, but we have tried to take care of the number we have without going into debt.

While we have suffered at times from the effects of malaria, the health of the children has been on the whole very good, and during all the history of the institution there have been only seven deaths, two of which were caused by accidents. With the drainage of the creek, and the erection of new buildings we look for improved conditions in many respects, and so we thank God and take courage.

The past year, too, gives us cause for thankfulness, and yet we have had our discouragements. The long drought during the summer cut short our crops, and while we usually had enough for our own use, we were able to sell very few vegetables after the spring months. Then, again, the low price of cotton and other causes cut off the Thanksgiving offerings, so that our credit balance this year is \$1,325.26 less than it was last year. An opportunity to make up the greater part of this deficit came to us by the great demand for sand in paving the streets. In order to do this work it became necessary to buy an extra pair of mules, and a wagon and set of harness, which partly accounts for the large expenses of the farm. It will be observed, however, that the farm and dairy products sold and consumed exceeded the farm expenses by more than seven hundred dollars.

Our faculty during the late year has remained the same with the exception of the teacher of the primary department. After three years of faithful and efficient service Miss Tomlin gave up her position at the close of the school year, and was succeeded by Miss Ethel Clare, of Greenville, S. C., who left us, much to our regret, at the end of two months to be married. Her place was filled at once by Miss Eliza Hill, of Weldon, who, in addition to her duties in the school room, plays the organ in the chapel.

During the year we have received twenty-four children, seven from the Diocese of North Carolina, four from the Diocese of East Carolina, and thirteen from the District of Asheville. Eleven have returned to their friends, three have entered industrial schools, one ran away, and one was expelled. The present number is seventy, thirty-three being from the Diocese of North Carolina, nineteen from the Diocese of East Carolina, seventeen from the District of Asheville, and one from the Diocese of Southern Virginia. The health of the children during the year has been remarkably good, and notwithstanding the long and severe winter the colds have been fewer than usual. We have had three cases of scarlet fever which were skilfully treated by our physician and nurses, and so the disease did not spread. It is becoming more and more the policy of orphan homes not to put children into private families, and from my own observation and experience I think it is best to hold on to them as long as possible in order that they may be able to take care of themselves when they go out into the world. The Steadman legacy mentioned in my last report has been turned over to Mr. J. G. Shannonhouse, treasurer of the Endowment Fund.

In closing my report I wish to thank our own physician and the other physicians and dentists of the city, the Standard Ice and Fuel Co., the railroads, and our own attorney for continued favors.

Hereto I append my statement as treasurer:

Appendix A

Address of the Bishop

Brethren of the Clergy and Laity:

Grace be unto you, and Peace from God our Father, and from the Lord Jesus Christ.

We have passed another year in the service of God and for the advancement of His kingdom among men; and are here together again to take counsel of one another as to the best methods of continuing this work.

It has been a year with perhaps many dark spots for some of us, but I hope these dark places have been quickly brightened by the evidences of God's continual nearness to us in all difficulties. With an abiding faith in God we are strengthened to face the hardest enemy in the severest life and death struggles as long as the struggles are for God and His people, and we are persuaded in our own minds that we are fighting His battles.

We have lost by transfers to other fields during the year three of our strongest and most active workers. The Rev. William H. Hardin has removed to the Diocese of North Carolina; the Rev. John S. Moody to the District of Arizona, and the Rev. Grant Knauff to the Diocese of Florida.

We have received by Letters Dimissory five others: The Rev. R. R. Harris has taken charge of Christ School, Arden as Rector. The Rev. Stephen E. Prentiss has taken charge of Grace Church, Morganton, as Rector, and with the Rev. Mr. Magnan and the Rev. Mr. James Joyner as assistants, has charge of the Morganton Associate Missions. The Rev. William B. Allen has taken charge of Grace Church, Waynesville, as Rector, and with the Rev. W. P. Browne as assistant, has charge of the Waynesville Associate Missions. The Rev. John H. Crosby has taken charge of St. Agnes Church, Franklin, and the Missions associated therewith. The Rev. Walter S. Cain, after his ordination to the Diaconate, assumed charge of Grace Church, Asheville, one of the Ravenscroft Associate Missions, and the Rev. Robt. P. Hairston, after his

ordination to the Deaconate, assumed charge of St. Cyprian's Church, Lincolnton, under the Rev. Wm. R. Dye, Rector, and of St. Stephen's Church, Morganton, under the Rev. Stephen E. Prentiss, Rector.

These additions to our staff of Clergy give us an increase of four over what we had last year. We welcome most heartily these brethren to our Convention and feel that we have in them very valuable co-workers.

Our method of forming groups of Associated Missions is capable of very efficient development if we make proper use of the opportunities offered by such grouping. The method requires loyalty and sympathetic co-operation on the part of all members of the staff of co-workers in any one group. Otherwise the greatest strength of the grouping system becomes a great weakness. A Rector has one or two clergymen associated with him and four or six teachers in charge of several Mission Schools. These all should meet at fixed intervals, say once a month, and consult together and talk over the best methods of doing the particular work in charge of the various workers of the group. Attendance upon this monthly meeting should be considered an obligation of prime importance by each one in the group. Any disloyalty or lack of sympathy on the part of any member of the group works a very serious harm to the efficiency of the method. Everyone readily appreciates the theoretic advantage, and we might add necessity, if much is to be accomplished, of absolute loyalty in such a system. One can be loyal without necessarily approving of all the little details of the system, and where loyalty cannot be accorded, there is but one remedy,—the associated relationship should be severed,—otherwise, sooner or later a disastrous breach will come, preceded by disagreeable and inefficient service. The law that governs the principle involved here, is one that is exemplified in all walks of life—political, commercial and social, but it shows its strongest effects for good or evil in religious relationships. The history of the Christian Church shows how often the success of the work of some groups of Christian workers depended upon the loyal co-operation of the workers, and how often the failure of another group could be traced to the lack of this loyalty.

EDUCATIONAL WORK.

Our Associate Mission work is very closely allied to our educational methods. The small Mission schools of each group have shown more and more each year how great is their value in the building up of Christian ideals and aspirations. We must not be content with the direct influence we exert in these schools upon the children, but we must be on the lookout for indirect opportunities of reaching the parents of the children through the children themselves. We so often see exemplified in work here the words of the prophet, "And a little child shall lead them." The schools in the District have, as heretofore, been most successfully carried on, at great nervous strain and anxiety it is true, on the part of the Clergy who have had to carry the burden of financing them, but I am satisfied they all feel that the satisfaction of doing this good and helpful work is worth the exertion as far as they themselves are concerned. So long as they can in one way or another secure the money necessary to give a living support to the teachers, I wish every Mission had a small school attached. It would mean so much more than is supposed by many to the efficiency of the work of the minister in charge. The four Industrial schools are making satisfactory progress. Christ School, Arden, has already made a good start in securing an endowment, as will appear in the financial exhibit of the year's work at the school. The Valle Crucis school is progressing rapidly towards becoming self-supporting through its horticultural farm ventures, and other industries of the school.

The Patterson School has improved in many ways the excellent farm on which the school is situated, and all of these schools have done good work in the class room.

The Appalachian School at Penland has made a good start as a day school, but its industrial features will not be commenced until we can put up a building suitable for caring for a few boys as boarding pupils. I have great faith in the ultimate success of all these schools and hope in a few years they will all be very helpful in the development of our District in a self-supporting Diocese. If the ideals, which have been formed for them are carried out, they will not be a burden and constant drain upon the finances of the

Diocese, but they will be most efficient helps in the necessary financial cares of the Diocese, when this District is organized into a Diocese.

ST. MARY'S SCHOOL.

You will find from the report of St. Mary's School that great progress has been made there, and I hope this District will be more than willing to respond favorably to the request from Bishop Cheshire that all the Dioceses in the Carolinas join him in an effort to pay off the indebtedness of the school and begin at once the building up of an endowment fund for the school, which is the school of the Carolinas, not belonging to any one Diocese in the personnel of its Board of Trustees. It is asked that a special committee be appointed to co-operate with like committees from other dioceses.

THOMPSON ORPHANAGE.

The Thompson Orphanage at Charlotte has taken care of many of the orphan children of the Church in our mountain District, and deserves our continued hearty support. A special offering is made each year on Thanksgiving Day for this Institution, and I hope our Clergy and laity will take more and more interest in this opportunity of helping these dear little and otherwise uncared for children of our mountains. I was glad to be present at the laying of the corner-stone of the first building of the new series of buildings to be erected for the Orphanage under the leadership and co-operation of the Thompson Orphanage Guilds. It is very important for the welfare of the Institution that these buildings be erected as soon as possible.

THE SUNDAY-SCHOOLS.

Our Sunday-Schools are well organized throughout the District and are doing good work. I feel, however, that the Clergy have not taken the proper and desired attitude towards the efforts made by your Missionary Committee and your Bishop for a systematic offering from the Sunday-Schools each week for our District Mission fund. A monthly offering does not meet the demand. If we are to keep pace with the progress of the Church in the

United States and in the world, we must fall in with the effort that is being made to have all the people of the Church give some help each week, and not merely once a quarter or once a month, for the extension of the Kingdom. We can come nearer reaching all the people of our mountain Missions through the Sunday-Schools than in any other way. As our people grow more and more anxious to have at least an opportunity once a week, the Lord's Day, to worship God, so should we do all we can to teach them that they should desire a like opportunity of giving something each week for the progress of the Kingdom of God in other parts of the field. Nothing short of this weekly opportunity of making an offering will satisfy the leaders in the movement, and I feel sure the time is soon coming when all the people will show not only their willingness but their active desire to have this opportunity each and every week to give an expression to their deep interest in and love for the Kingdom of God. I beg you to have a special committee appointed to take action and report at this Convention what should be done in this movement for a weekly offering for Missions through the Sunday-Schools.

WOMAN'S AUXILIARY.

The work of the Woman's Auxiliary has been in every way most satisfactory, though I am told there are still some Rectors and some Auxiliary leaders from whom it is very hard to get a response to letters, or information of any kind as to what is being done. I think our Clergy and Auxiliary workers ought to feel that it is their duty, at least to make an acknowledgment of the communications sent them, that the writers may know that their letters have not been missent.

In spite of all discouragements of this character, the Auxiliary has done excellent work in our District. Many of the Clergy feel that the help given them in their work by Auxiliaries from without could not be dispensed with. The women, through the Auxiliary organizations of the Church, are doing a most necessary and indispensable part in the evangelization of the world.

GENERAL MISSIONARY INTERESTS.

The Church has made excellent progress during the year. We

have had some serious losses from our ranks, in that some of our good workers have gone to other fields of labor for one reason or another, but we have more than adequately supplied their places. We have a larger number of Clergymen on our rolls and actively engaged in the work than ever before. It is needless for me to speak of the personnel of these newcomers to our District. They are here to speak by their presence for themselves. We bid them a hearty welcome to our mountains, and God-speed in their good work.

Our apportionment for general Missions was greatly increased this year, and though we have not yet met the same, I am confident that we will do so before the close of the year in September. We have never failed as yet to meet our full apportionment, and there is no reason, that I know of, why we cannot give the amount asked of us. A social service commission should be named at this Convention that we may keep in touch with what is being done by the Church along sociological lines in the cities, and extend similar efforts to meet the sociological problems of our isolated mountain sections. The Church is studying more and more the needs and opportunities in rural sections. It is in rural sections, for the coming generation, that probably the most important and efficient accessions will be made in the forward movement of the Church. The trend of population is turning from the cities to the country. The rapid transit lines from the cities to the outlying rural districts make it possible for families to live in the country and feel that they are not entirely cut off from the daily life of the world. The conditions favorable to rural life will continue to be more and more attractive. Thus the advantages of the cities will belong to the country and the evils incident to city life will be avoided. A commission appointed specially to study these conditions as they touch our mountains will prepare us to give our people the advantages of these opportunities as they come up. We are living in an age of co-operation, and the religious and social forces should be on the alert to combine when needed for effective work.

We must prepare for the great vision that is evidently not far away, that we may see first in dreams the forces of God combined in a mighty effort to suppress the evil of the world. It will require

the combined efforts of all who are praying for and working for the good of the world to overpower the immense combines of selfish greed. May God give us His Holy Spirit to see and know what things we ought to do and grace and power to fulfil the same.

JOURNAL PROCEEDINGS

St. Philip's Church,
Brevard, N. C.,

June 25th, 1913.

This being the day appointed by the Bishop for the Nineteenth Convention of the Missionary District of Asheville, the Convention assembled in St. Philip's Church, Brevard, N. C., at 9 a. m.

Morning Prayer and Litany were said by the Rev. Walter S. Cain, the Rev. James B. Sill, and the Rev. H. Norwood Bowne.

The Bishop called the Convention to order, and the Secretary proceeded to call the roll. Twenty-two of the Clergy, and nineteen lay representatives from seven parishes, and five missions answered to their names, and the Bishop declared the Convention organized.

A recess was taken for Divine Service.

At half past ten o'clock, the Bishop, assisted by the Rev. Rodney R. Swope, D. D., and the Rev. Frederick D. Lobdell, Deans of the Convocations, celebrated the Holy Communion, and delivered his annual address. (See Appendix A).

The offerings of the congregation were received for Convention expenses.

The Convention reassembled.

The Rev. Walter S. Cain presented and read the following report, which was, on motion, adopted:

REPORT OF COMMITTEE ON CREDENTIALS.

We, the Committee on Credentials, respectfully report that we have examined the certificates from the Parishes and Organized Missions presented to us by the Secretary, and find them correct and in due form.

WALTER S. CAIN,
HARMON A. MILLER,
F. P. BACON.

The Rev. Alfred H. Stubbs was re-elected Secretary.

The Secretary appointed the Rev. Walter S. Cain and Mr. Francis P. Bacon Assistant Secretaries.

On motion of the Rev. Walter S. Cain, it was

Resolved, That visiting Clergymen and Candidates for Holy Orders present in the house, be, and they hereby are, invited to honorary seats in the Convention.

The following named appeared and took seats under this resolution: The Rev. William Henry Ball, and the Rev. Walter J. Smith.

The Bishop appointed Mr. George Hamilton Holmes to serve on the Committee on Unfinished Business in the absence of Mr. J. Foster Searles.

A recess was taken in order that the Convocations might meet, and make their nominations.

The Convention reassembled.

The Convocation of Morganton having nominated the Rev. Frederick D. Lobdell as Dean thereof, and the Convocation of Waynesville the Rev. Rodney R. Swope, D. D., as Dean thereof, the Bishop confirmed the above nominations.

The Rev. Walter R. Dye and Mr. Harry C. Martin by the Morganton Convocation, and the Rev. Reginald N. Willcox and Mr. Haywood Parker by the Waynesville Convocation, were nominated as members of the Missionary Committee.

The Rev. Frederick D. Lobdell presented and read the following report, which was, on motion, accepted:

REPORT OF THE DEAN OF THE CONVOCATION OF MORGANTON.

The Convocation of Morganton met for their summer meeting this year at Blowing Rock, second week in September. Two well attended meetings were held at night in the Presbyterian Church loaned for the purpose. Stirring Missionary addresses were made by Rev. E. N. Joyner, Rev. J. Norton Atkins and Rev. Hugh A. Dobbin. The business sessions and other services were held in the library of the Mission House. The Dean gave a devotional address. At the business session social service work was discussed, and the Rev. Theodore Andrews was made chairman of a committee to obtain information of such work in this and other dioceses that might be helpful to us in our district.

The duplex envelope system and Penny Offering were recommended for adoption wherever practicable.

Our second meeting at the Spring Ember Tide was held in Gastonia. At the opening service a most helpful address was given on prayer by the Rev. E. N. Joyner, as the most effectual aid to the Missionary. Addresses helpful to the Clergy were given on the second day by the Rev. Charles Mercer Hall, after which the needs of the work in the mill district of Gastonia were effectively brought out in an able paper by the Rev. Minor J. Peters, which we hope will be printed for distribution.

The Dean has visited six counties of our Convocation, and delivered twenty addresses and lectures outside of our District. He would emphasize the urgent call for help from the teeming population of the mill towns, especially in Gaston and lower Rutherford counties.

Our Mission stations in the mountains are better manned now than ever.

Respectfully submitted,

F. D. LOBDELL,
Dean.

The Rev. Rodney R. Swope, D. D., presented and read the following report, which was, on motion, accepted, and the recommendation contained therein, regarding the reappointment of a Sunday-School Commission, adopted:

REPORT OF THE DEAN OF THE CONVOCATION OF WAYNESVILLE.

Owing to various untoward circumstances there was but one meeting of the Waynesville Convocation in the last year; this was held in Grace Church, Waynesville, May 6th and 7th, 1913. There were present six of the Clergy with the Dean. There were two celebrations of the Holy Communion and sermons were delivered by the Dean and the Rev. Walter Cain.

Considerable time was occupied at the business sessions in discussing the needs and opportunities of the Sunday-School, and the following resolution was passed which the Dean was requested to present to the Convention meeting at Brevard:

Resolved, That realizing the importance of the Sunday-School work in the District of Asheville, we recommend the re-appointment of a Sunday-School Commission of three.

The Convocation also appointed a committee of its own members to suggest plans of work and methods for Sunday-Schools, and determined to devote one evening and one afternoon session at future meetings to the consideration of this part of our Parish work.

The apportionment for General Missions for the year beginning in September next, which considerably increases the amount to be raised in our District, was also considered, and the following resolution was adopted, which the Dean was requested to incorporate in his report to the Convention:

Resolved, That while we deem the extra amount apportioned us by the

General Board of Missions excessive, nevertheless we will endeavor to raise it, and to this end we recommend the adoption of the Duplex Envelope system throughout the District.

In my report of a year ago I suggested that some definite duties be assigned to the Deans of the Convocations, but as no action was taken at that time the Convocation of Waynesville has instructed me to bring the matter again to the attention of the Bishop and Convention. We believe that authority should be given these officers to visit the Parishes and Missions within their respective fields, to inquire into their conditions, to give such counsel and advice as may seem needed, and to report, from time to time, their findings to the Bishop.

Respectfully submitted,

R. R. SWOPE,
Dean.

The Rev. William B. Allen nominated the Rev. Frederick D. Lobdell as Deputy to the General Convention.

Mr. Haywood Parker nominated the Rev. Rodney R. Swope, D. D., as Deputy to the General Convention.

The Hon. William A. Hoke, Mr. Haywood Parker, Mr. Harmon A. Miller and Mr. Francis P. Bacon were nominated as Lay Deputy to the General Convention.

The Rev. Edmund N. Joyner and Mr. Harry C. Martin were nominated as Provisional Deputies to the General Convention.

Mr. Haywood Parker was nominated as Trustee, to succeed himself.

The Rev. Alfred H. Stubbs was nominated as Trustee, to fill the unexpired term of the Rev. H. Fields Saumenig, who has resigned.

The Rev. H. Norwood Bowne, the Rev. Walter R. Dye, the Rev. Reuben R. Harris, the Rev. Frederick D. Lobdell and the Rev. Reginald N. Willcox were nominated as members of the Ecclesiastical Court.

The Rev. Theodore Andrews was nominated as Registrar, to succeed himself.

The Rev. J. Norton Atkins, the Rev. Wyatt Brown, Mr. Harmon A. Miller, Mr. Thomas A. Cox and Captain Burke were nominated as Trustees of the University of the South.

The Secretary presented and read the following report, which was, on motion, accepted:

Respectfully submitted for the Council,

President and Secretary.

On motion of the Rev. Rodney R. Swope, D. D., it was

Resolved, That the portion of the Bishop's address relating to the propositions from the Board of Missions be made the special order for this afternoon at three o'clock.

A recess was taken.

Wednesday

3:00 P. M.

The Convention reassembled.

The Convention, on motion of the Rev. Reginald N. Willcox, went into the Committee of the Whole, to consider that portion of the Bishop's address relating to the propositions from the Board of Missions.

The Bishop called the Rev. Dr. Swope to the chair.

The committee rose, and the Bishop resumed the chair.

Whereupon, on motion of the Rev. William B. Allen, it was *Resolved*, That the District of Asheville co-operate with the Board of Missions in their proposed plan for carrying on the Mountain and Mill work in this section.

The Secretary presented and read the following report, which was, on motion, adopted:

REPORT OF THE MISSIONARY COMMITTEE.

Two meetings of the Committee have been held since last Convention.

At the first, the Rev. William B. Allen, the Rev. Reginald N. Willcox, Mr. Harmon A. Miller and Mr. Thomas W. Valentine, were elected as members at large, under the Canon, and it was

Resolved, That the apportionment for General Missions on the congregations of the District be three times their assessments for the Convention and Contingent Fund; also, that ten per cent. be added to the District Missions apportionment, to provide for the stipend of the Rector of Chapel Hill Parish, as voted by the last Convention.

The Committee has expended \$5,011.73, the same being used to pay the stipends of twenty-three of the Missionary Clergy, that of the Rector of Chapel Hill Parish, and the debit balance of last year.

Towards this amount the congregations of the District gave \$2,353.34, being \$53.39 less than last year, when the sum received was \$225.95 less than the year before. The Sunday-School and Penny Offerings yielded \$118.60, and the net income from the Ravenscroft Fund was \$454.82.

The debit balance now is \$2,084.97, and demands the consideration of this Convention of the following recommendation of the Committee. That the Convention be requested to urge all the Clergy and congregations to make a special offering for District Missions on the third Sunday in July towards wiping out this deficit in the District Mission fund

The Committee appointed two of their number, the Rev. Mr. Allen and the Rev. Mr. Willcox, to consider whether it would be advisable to intro-

duce envelopes for the collection of the Sunday-School Penny Offering, and to report their conclusions to this Convention.

The General apportionment on the District of Asheville for General, Domestic, and Foreign Missions, amounting this year to \$2,503, lacks \$1,050 of being paid. We have until September 1st to raise it. The delinquent congregations are the ones to do this.

Respectfully submitted,

ALFRED H. STUBBS,
Secretary.

On motion of the Rev. Dr. Swope, it was

Resolved, That the Clergy be requested to preach a special sermon on the third Sunday in July, presenting the work of the District, and take an offering for that work.

On invitation of the Bishop, Mr. William E. Stone addressed the Convention in behalf of St. Mary's School, Raleigh, N. C.

The Rev. Chalmers D. Chapman presented and read the following report, which was, on motion, adopted and ordered printed in the Journal:

REPORT OF THE COMMITTEE ON THE GENERAL CLERGY RELIEF FUND.

It is with gladness of heart that we present our report this year, because of the encouraging signs, and more favorable outlook for the General Clergy Relief Fund in our District than ever before.

A comparison of this year's offerings with those of last year, as well as of the number of Parishes and Missions contributing, will show that we are not mistaken in this hope for the future.

The total number of congregations contributing from June 7th, 1911, to June 7th, 1912, was sixteen.

The total number of congregations contributing from June 7th, 1912, to June 7th, 1913, is twenty-nine, a gain of thirteen.

The total contributions from Parishes and Missions, including an offering from the Woman's Auxiliary and individuals not named, from June 7th, 1911, to June 7th, 1912, was \$227.00.

The total contributions from Parishes and Missions, including an offering from the Woman's Auxiliary and individuals not named, from June 7th, 1912, to June 7th, 1913, is \$386.63, a gain of \$159.63.

Notwithstanding this substantial gain in contributing Parishes and Missions, and the increase in offerings, much remains to be done before we can honestly say we have done what we could.

The District received in grants from the General Clergy Relief Fund this year \$950.00, as against \$800.00 last year, an increase of \$150.00.

The number of beneficiaries this year are five, as against four last year, an increase of one.

Comparing the appropriation to, with the offerings from, the District, to the General Clergy Relief Fund, we find a deficit of \$563.37. The average amount required from each Parish and Mission in order to equal amount granted beneficiaries, being \$11.18.

Brethren of the Clergy and laity, you know that the Clergy have no share, and desire no share, in the race for wealth. They are not admitted competitors in the strife for the prize which most men covet, and which only the few never dream of contesting for.

By the habits of their life, by the qualities of their duty, by the public feeling of the Church itself, by the power of their own convictions they are cut off from everything, and from all pursuits which interfere with entire devotion to the main purpose of their life. The immense overwhelming majority of the Clergy are poor. To their credit be it said, most of them bear their poverty in splendid and heroic silence.

We have heroes and martyrs in our Church today. In many obscure places there are noble, and beautiful, and choice spirits; men into touch with whom it is a privilege to come; living on the most meagre salaries without complaint. Let their old age and disability be provided for.

No servant of the Cross can be exempted from the obligations bound upon every man and woman and child to endure hardness as a good soldier of Jesus Christ; but it is surely not the purpose of the Church to wait and see how well her aged and widowed and orphaned ones can starve.

Do we not know, do we not feel that it is but right that the Clergyman, who has spent himself in his Master's service, should receive from the Church a sufficient support?

Are we not perfectly agreed, that when such an one is taken away from his dependent family, that family should be upheld by the tender care of the Church?

We are agreed, I trust the Church is agreed, that a reasonable maintenance should be provided for the aged Clergy, but if such a maintenance is to be provided, it must be done by individuals, and first of all by the faithful preaching of the Clergy on the subject. We know their sensitive avoidance of the semblance of begging, either for themselves, or for their order. But this is not begging; it is counsel to do right; counsel for the lack of which, the Church is daily forfeiting the precious blessings of duty done.

The Bishop of South Carolina in his late Convention address, speaking of the General Clergy Relief Fund, said, "I feel we ought to take our financial obligations to the General Church more seriously than we do. Our laity would respond to this appeal more generously if the Clergy would only give them the opportunity to contribute, but strange as it may seem, the Clergy, either through undue sensitiveness, or because they themselves are personally interested in this fund, are the worst offenders in the matter of pressing the claims of this society upon the Church."

Therefore to our brethren of the Clergy we would say, Shake off your false modesty. Help the Church to do right. You know that many of your aged brethren are suffering through a neglect for which the people are not responsible, since they do not know the facts. It is in your power to make the facts known, and so to help your brethren.

At the business meeting of the Missionary Council of the Fourth Department, held at Charlotte, N. C., in October last, a resolution was passed, recommending that every Clergyman in the Fourth Department be requested to contribute one-half of one-per cent. of his annual gross income to the General Clergy Relief Fund, through his Bishop, or the person appointed by the Bishop in forwarding the contribution, who shall give the name and amount of each contributor. This is with the purpose of stimulating the interest of the Clergy themselves in this cause.

In conclusion, dear Brethren of the Clergy and laity, you who love the Church, who care for her justice and mercy and righteousness, let us ask of you, what benevolence can there be more pure and lofty than this? What charity more tender or considerate than this, which cares for the widows and orphans of deceased Clergymen, or provides for the years of infirmity, whether from age or sickness of those of the Clergy, who, by faithful service, have won the plaudit, "Well done," and have broken down in the Master's work for those whom He died to redeem.

Respectfully yours,

CHALMERS D. CHAPMAN,
WILLIAM F. RICE.

With the purpose of stimulating the interest of the Clergy themselves in the General Clergy Relief Fund, the following resolution was offered by Rev. Chalmers D. Chapman:

Mr. Haywood Parker presented and read the following report, which was, on motion, adopted:

REPORT OF THE TRUSTEES.

The trustees were compelled to foreclose the mortgage given for the purchase money on lot No. 24 by Mrs. Tyack, as heretofore reported, and buy in that lot.

During the past year this lot No. 24 of the Ravenscroft grounds was sold to Mr. S. M. Stevens for \$2,400, of which \$625.00 was paid in cash, and the balance in notes secured by purchase money mortgage.

Lot No. 28 of the Ravenscroft property has been sold to Mrs. Hyman for \$2,600 cash.

It will be seen by reference to former reports that up to the present time, \$19,500 has been received for the parts of Ravenscroft property so far sold. Of this amount, \$6,225 has been received in cash, and the remaining \$13,275 is represented by purchase money notes secured by mortgage on the land sold.

So far, only four of the thirty lots of the Ravenscroft property have been sold, but two of the four sold contain improvements, one of them being the large Ravenscroft house. Only two of the remaining twenty-six lots have improvements—these being two cottages of six and eight rooms respectively.

The trustees feel that the property still left is worth considerably more than that which has been sold, and they hope within a few years to convert most of the remaining property into interest-bearing securities.

Mrs. Woolsey recently executed a deed to the trustees, releasing the lot on East street, in Asheville, from the conditions and limitations contained in the deed by which that lot was conveyed to the trustees by the late Col. Woolsey. There were large assessments against this lot on account of street paving, sidewalks, etc., and as the trustees had no hopes of a church being built thereon at any time in the near future, and even doubted if it was a suitable location for a church, they decided to sell the lot, and have sold the same to Mr. Guthrie for \$1,000. Mr. Guthrie paid one-third cash, and executed notes secured by purchase money mortgage for the remainder.

Since our last report, Rev. Mr. Taylor has resigned as the principal of Patterson School to resume active Parish work. His resignation was accepted with regrets and sincere wishes for success in his new field of labor. Mr. Taylor did a splendid work in organizing and conducting the Patterson School, and it was indeed fortunate that at that formative period of the school, such a man was at its head, and the Church in this District is greatly indebted to him for his noble self-sacrifice and unremitting labor in this critical period of the school's existence. The trustees desire to take this opportunity to make public acknowledgment of their great appreciation of the splendid work done by Mr. Taylor, and of their high regards and warm friendship for him personally, and of the great loss which the Church and the District, generally, and the Patterson School in particular, have suffered by Mr. Taylor's resignation.

Fortunately for the Patterson School, the trustees were able to secure the services of the Rev. H. A. Dobbin to supply the vacancy caused by Mr. Taylor's resignation, and Mr. Dobbin was unanimously elected principal of the Patterson School, and is now in charge thereof. Mr. Dobbin's well-known ability and ripe experience in school work, and his peculiar fitness assure a successful future for the school under his management.

Respectfully submitted,

HAYWOOD PARKER,
Secretary for the Trustees.

The Secretary presented and read the following report, which was, on motion, adopted:

As Treasurer of the Board of Trustees, I also respectfully report that I have in my charge the several items of property which have been stated in detail in previous reports of the Trustees.

ALFRED H. STUBBS,
Treasurer.

The Bishop appointed the committees to serve until the adjournment of the next Convention, and which will be found on pages 6 and 7 of this Journal.

The Rev. William B. Allen presented and read the following report, which was, on motion, adopted, subject to the corrections of the Secretary in regard to statistics:

REPORT OF THE COMMITTEE ON THE STATE OF THE CHURCH.

Your Committee on the State of the Church of the Missionary District of Asheville begs leave to report that it has done its best to ascertain the true state of the Church in this District, but that owing to the negligence of some of the Clergy, a complete and satisfactory report is impossible. Such a condition ought not to be. The reports should be in the hands of the Committee on the State of the Church at least one week previous to the meeting of the Convention, in order for the Committee to render a true statement of the actual condition of the District. The Committee ventures to make the following recommendations:

First. That forms for the reports be sent out one week earlier than is now customary, that a beginning be made, and reports completed promptly.

Second. That the Convention vest in this Committee, on its appointment each year, authority to request complete reports not received at the specified time.

A matter which the Committee considers of vital importance is the apparent lack of interest on the part of a number of Missions, in the matter of District responsibility.

Along the line of progress may be noted an increase of families, 47; of baptized persons, 433; of baptisms, 35; of Confirmations, 8; of Communicants, 129; of Church property to the value of \$89,430; in disbursements for objects outside the District, \$97.00, and in amount paid for in-

surance, \$23,460; while the losses have been in marriages, 13; in burials, 25; in Sunday-School pupils, 331; in Parish and Mission School pupils, 125; in Parochial disbursements, \$11,026; and in District disbursements, \$1,786. Reported indebtedness also has increased \$8,000. A Rectory has been built in Hendersonville, and Churches at Asheville, Black Mountain, and Sylva. An electric plant has also been installed at Valle Crucis.

Considering the financial state of affairs in the District, we commend to the prayerful and thoughtful consideration of both Clergy and laity, the deep necessity of meeting all assessments and obligations devolving upon Parishes and Missions promptly.

We commend the Duplex Envelope System and the Sunday-School Penny Offering to your thoughtful consideration, believing that these ways and means will very materially help to redeem the situation, and put the District on a good financial basis. If any Parish or congregation has not adopted the Duplex Envelope, it is, we believe, the most effectual instrumentality discovered in recent times for the solving of parochial financial difficulties, and for the stimulation of parochial, and missionary, and spiritual activities. Your Committee suggests that the Duplex Envelope System be given a fair trial in every Parish and Mission.

Figures do not measure spiritual advancement and uplift, nor are they indicative of conditions. The Church is alive, aggressive, and Missionary, and accomplishing great things for the moral, spiritual, physical and mental life of our people. We feel that special mention should be made of the work at Rutherfordton, Morganton, and Waynesville. We earnestly concur with the Bishop in urging the Clergy to put into practice wherever it is possible, the Penny Offering System as defined in the Bishop's address.

In conclusion, your Committee feels thankful to see the deep interest which is manifested in this present Convention, indicating life and progress—real life and development in the Church, and we feel encouraged and inspired at the outlook and vision which the Master has given us, and let us go forward, strong in the Lord, and in the power of His might accomplishing great things for the upbuilding of His Kingdom, and the salvation of souls, believing "That the best is yet to be."

Respectfully submitted,

HUGH A. DOBBIN,
WILLIAM B. ALLEN.

The reports of four industrial schools were then read, and, on motion, were ordered printed in the Journal.

REPORT OF THE PATTERSON SCHOOL.

The Patterson School has witnessed quite a number of improvements during the past year. A large silo has been erected at a cost of \$500.00. A hog lot fenced in with wire at a cost of \$500.00. A water line has been

installed, bringing an abundant supply of water by gravity to the school which is a great saving to the school as it eliminated the expense of running a gasoline engine to pump the water out of a well.

REPORT OF THE PRINCIPAL OF THE VALLE CRUCIS INDUSTRIAL SCHOOL TO THE ANNUAL CONVENTION OF THE DISTRICT OF ASHEVILLE.

The school is located at Valle Crucis, in Watauga County, N. C., the nearest railway station being Elk Park, N. C., which is fourteen miles distant, and which is the freight depot for the school. The equipment, besides a few small outbuildings, consists of two main structures: Auxiliary Hall and Auchmuty Hall. There is a farm and timber tract of five hundred acres, sixty-five acres of which are set in fruit trees, half of them bearing fruit. A small repair and blacksmith shop is in operation on the school grounds. The almost indispensable wagon factory and saw mill burned to the ground last fall.

An electric plant has been installed this past year. The electricity is generated by water power. The two school buildings, the chapel, the rectory, the dairy, the shop and the power houses are lighted by electricity. There are electric irons and an electric mangle in the laundry; two electric ranges, a baker and an electric griddle in the kitchen, also a tank for hot water, all of which are heated by electricity. Then there are twelve electric heaters, which can be moved about from one room to another. All of these various electric implements are operated most successfully. And all of this is furnished without effort and at small cost.

Instruction is given in the Primary and Grammar School grades, with

industrial training in kitchen, laundry and house work, basketry, plain sewing and embroidery. The enrollment during the past year was one hundred and three, of which fifty-four were boarding pupils. The staff consists of Chaplain, Principal, four academic teachers, two industrial teachers and a book keeper, who is also secretary to the Principal.

REPORT OF CHRIST SCHOOL.

The school is located at Arden, in Buncombe County, N. C., midway between Asheville and Hendersonville and two miles from the railway station. The equipment consists of the following buildings: St. Mary's Hall, providing quarters for the Primary School, cooking and sewing classes, an infirmary, and rooms for the women teachers; Thompson Hall, containing dormitory, dining room and kitchen; St. Andrew's Brotherhood Cabin, carpentry shop, chapel and rectory. White Hall, the first building erected on the campus, and which marked the beginning of this work, has been torn down to make place for a 10-room administration building to be built

of rough stone. Six large log cabins, to be used for dormitory purposes, have just been completed, each to accommodate four boys.

The buildings are provided with running water and electric lights. The courses of instruction provide the usual Primary, Grammar and High School grades with special attention to carpentry and cabinet work for boys, and cooking, home-makers' classes, sewing and embroidery for the girls, who attend the school as day pupils.

THE HOUSE OF CHILDHOOD AT THE PROUT SCHOOL.

While not such a school as the three industrial schools of the District of Asheville, in that besides teaching industrial branches the students have the opportunity of partially paying for their board and tuition, yet the

House of Childhood at the Prout School might be called a Junior Industrial School in that the children are taught industrial branches, but the usual system of scholarships and of paying by work for advantages secured is not in vogue. We have six boarding pupils between the ages of six and eleven years and several day pupils, though the latter do not receive the same constant attention, not sharing the life of the house.

The Prout School, located at Foscoe, and attached to the Easter Chapel Mission, has been conducted as a day school for three years. It seemed, however, that the great influence we desired to effect, especially on the younger children, was greatly discounted by the children being in their homes the greater part of the time, and the usual vacation, whether in winter or summer, seemed to remove quite effectually any spiritual influence that might have taken root during the school term. Hence there arose the idea of a boarding school for children under twelve years of age, for both boys and girls. The other industrial schools could take children fourteen and sixteen years old, so there was no need for another school for children of that age, in the vicinity of Valle Crucis and Patterson. Rather would we prepare children for these schools, taking them when they were really children, before their minds and habits had taken any definite form, as is not unusual with the children in the mountains when fourteen or sixteen years of age.

It was my observation that, except for an experiment undertaken at Valle Crucis with ten Faith Babies under twelve years of age, very little permanent training, especially in branches other than academic, could be given to younger children coming as day pupils to a mission school. Not only the body and mind must be trained, but the soul also, and this latter can be done to better advantage, as well as the training of the two former, in the boarding school. Further, the earlier this training is begun in the life of a child, the more permanent it will be—it was Loyola who said, "Give me a child until he is seven and you may have him the rest of his life," or words to that effect.

Another consideration suggested itself, in that the large school becomes an institution, in which the pupils are dealt with as a body, which is not of particular advantage to the younger child; hence the intention to limit the House of Childhood to a small group, ten or at most twelve children, keeping as it were the family unit—large perhaps, but not unusual in this region. By this means each child can receive the individual attention and loving care of the House Mother and the teacher, who compose the staff of workers, with the additional help of a hired girl when such can be had.

By such an arrangement it is intended to teach the children in their daily work to do the best with what they have at the time and under conditions which they will meet with in their own home. If wood is to be used as fuel in the kitchen stove, we will teach them to be economical; if they have to bathe in a tin foot tub by an open fire, show them how that can best be done; and if the washing must be done in tubs on the

back porch or in the yard, train them to do it with neatness and dispatch; how to cook plain food, and provide a variety with what they have and can get economically—in a word, how to live in the best possible manner in their present circumstances and how to improve their condition when possible. These practical and industrial features, together with the daily academic, ethical and spiritual teaching, constitute the activities of the House of Childhood, the children receiving that training of body, mind and soul that we are able to give them the year round, the purpose being to keep them as long as the parents or guardians will allow them to remain.

The ultimate purpose is to establish a House of Childhood wherever we have a mission house and school in the counties under our care, gathering together into a family group ten or twelve children under twelve years of age, with two workers, a house mother and a teacher. Such a school would benefit whatever community it may be located in, will provide a sufficient nucleus to begin school and Sunday-School with, and will attract the other children of the community.

In closing, the words of Phillips Brooks are most appropriate: "He who helps a child helps humanity with a distinctness, with an immediateness, which no other help given to human creatures in any other stage of their human life can possibly give again." There are children whose homes may be undesirable, or whose fathers are unknown or have left their families, some who are orphans, and others whose parents can afford to pay their children's way—we are glad to have any of them, or all. Those whose parents or guardians cannot pay, we ask the alms of the Church at large to help maintain that they may have an equal opportunity with those more fortunate.

Resolved, That the Bishop of Asheville, if he approve, be, and hereby is requested to petition the House of Bishops at the General Convention to be holden in New York City in October, to appoint a judicial committee with power to act on all changes in Canons proposed by the Convocations, or Conventions of Missionary Districts.

The Secretary presented the report of the Thompson Orphanage, which, on motion, was received and ordered printed in the Journal as follows:

REPORT OF THE BOARD OF MANAGERS OF THE THOMPSON ORPHANAGE AND
TRAINING INSTITUTION.

The annual meeting of the Board of Managers of the Thompson Orphanage and Training Institution was held in the new residence of the Superintendent, Tuesday, April 22d, at 10 o'clock, the Bishop of the Diocese presiding.

The annual reports of the Superintendent and Treasurer, Rev. Walter J. Smith, and Mr. J. G. Shannonhouse, Trustee of the Endowment Fund, with auditor's certificates attached, were read and accepted, and are hereby filed as Exhibits "A" and "B," respectively, and made a part of this report.

Rev. Edwin A. Osborne, having been appointed a committee of one to sell a portion of the land belonging to the Institution, reported that he had, with the consent of the Executive Committee, sold a lot of land on the lower southwest corner of the tract, for six thousand dollars cash, which is accounted for in the report of the Treasurer of the Endowment Fund, and will be used for the improvement of the property, according to the terms of the deed of trust, under which the property is held.

He also reported that he had, with the concurrence of the Building Committee, procured the building of a residence for the superintendent, at a cost of \$6,671.43.

From the Superintendent's report, which is herewith filed as Exhibit "A," it appears that the Drainage Committee has completed a splendid ditch through the entire property, from north to south, which greatly enhances the value of the bottom land for farming purposes, and also the health conditions of the entire community.

It further appears, from the same report, that the financial condition of the Institution is most satisfactory. This arises from the fact that the contributions from various sources during the year have been unusually liberal, and also from the further fact that notwithstanding some untoward

circumstances, the financial results from the farm have been larger than usual.

The Superintendent's residence, which has just been completed, is a handsome and substantial structure, thoroughly equipped with all modern conveniences.

Work on the first of the six cottages is progressing satisfactorily, and it is hoped that the building will be ready for occupancy in the near future.

The sanitary conditions are excellent, and the children appear to be happy and well provided for.

Rev. Mr. Smith and his efficient co-workers deserve the utmost commendation for their zeal and faithfulness to duty.

Respectfully submitted,

EDWIN A. OSBORNE,
WILLIAM A. HARDIN,
For the Board of Managers.

Exhibit "A"

ANNUAL REPORT OF THE REV. WALTER J. SMITH, SUPERINTENDENT OF THE
THOMPSON ORPHANAGE AND TRAINING INSTITUTION.

To the Board of Managers—Greeting:

In reviewing the work of the past year we have much for which to be thankful, for while it is true that we had over thirty cases of measles, and about forty of German measles, yet we emerged from them all without any serious results, nor have we had any other cases of serious sickness during the year with the exception of a girl who developed lung trouble just before leaving for her former home. It is true, too, that our funds ran very low during the summer, so low, in fact, that for the first time since I took charge of the work we had to borrow money from the bank (which was promptly returned), and yet at the end of the fiscal year we find ourselves with over six hundred dollars more on hand than we had this time last year. Our people were not only very generous with their Thanksgiving offerings, but the Sunday-Schools contributed over two hundred dollars during the year. Then, again, while we had to sell some of our teams at a sacrifice, and also made an unfortunate investment in machinery for getting out sand, still the farm account makes a better showing than it has ever done before. Including what was sold and consumed, the net proceeds amounted to \$2,055.51. Compared with previous year this is a good showing. After remaining with us for nearly two years, and doing faithful service, Mr. E. M. Jamison gave up his position as foreman of the farm, and was succeeded by Mr. M. Y. Barrett, of Amherst County, Va., who has taken hold of the work with zeal and interest, and promises to make a success of it.

During the year a handsome and commodious building has been erected for the Superintendent with the legacy from the Stedman estate, to be known as the Stedman Memorial Building, and the building being put up by the Federation of Orphanage Guilds is fast approaching completion. Of the amount turned over to the Treasurer of that organization \$67.24 was received during the last fiscal year.

Only fourteen children have been received into the Orphanage during the past year, eleven of whom came from the Diocese of North Carolina, and three from the Diocese of East Carolina. Not counting a little girl who is making us a visit while her mother is at work, we have sixty-seven at present, thirty-three of whom are from the Diocese of North Carolina, eighteen from the Diocese of East Carolina, and sixteen from the District of Asheville.

Our faithful and efficient lady assistants have remained the same with the exception of the teacher of the primary department. Miss Eliza Hill was a pleasant worker, and faithful to her duties. She resigned her position at the end of the year, and was succeeded by Miss Elizabeth Manson, of Jorgensen, Va., who did very efficient service for three months, and then returned home. Her place since then has been filled very acceptably by Miss Lucile Barrett, daughter of Mr. Barrett, our farmer.

Dr. Myers Hunter, our physician, has taken very good care of the children during the year, and I want to thank him and the other physicians and dentists of the city, and also the Standard Ice and Fuel Company, the railroads, and Mr. F. M. Shannonhouse, our attorney, for their continued favors.

Hereto I append my report as treasurer.

The funded debt of the school remains at forty thousand dollars, the interest on which is paid semi-annually out of the current funds of the school, and therefore is not included in the above statement of the Treasurer. The balance of about five thousand dollars for permanent improvements mentioned in the report last year has since been paid from current funds of the school.

The internal administration and history of the school during the current year have been most satisfactory. The work of the school has gone on smoothly, effectively, and successfully. The health of pupils and of teachers has been good, and the rigid enforcements of sanitary regulations has warded off danger, threatened by reason of the prevalence of some minor contagious diseases such as measles, etc., in the City of Raleigh. On the whole, we can congratulate ourselves and the Rector and officers of the school upon a most satisfactory year, and the promise of continued prosperity.

The attendance during the year has been the largest during the history of the school, and even our increased accommodations were unable to meet the demands made upon them.

After receiving all whom we could possibly provide for, the Rector had to decline applications for admission. The enrollment during the year has been 301 in all; of whom 187 were boarding pupils and 114 were day scholars. The average attendance of boarding pupils during the year has been 172; of day scholars, 103. This is an increase of about twenty (20%) per cent. over the attendance during the previous years, both in boarding pupils and in day scholars. It is believed that this year's experience fully justifies the policy of the Rector and the Board of Trustees, in the expenditures made within the last few years in increasing the accommodations and improving the equipment of the school, even though in doing so it became necessary to incur the many considerable debts above mentioned. We cannot but believe that the many friends of St. Mary's School and the members of the Church generally in the associated Carolina Dioceses will see the necessity of coming forward promptly and generously, and enabling the Trustees to provide for the speedy payment of the debts, and to make some adequate beginning in raising an endowment

for the permanent establishment and security of so invaluable an instrumentality in the Church's work.

Perhaps the President of the Board should say on his own behalf that he has not been able to accomplish all he had hoped to do for the school during the past year. This has been more from his own inability to give his time to the work than from lack of sympathy or response on the part of those whom he had hoped to interest. He has received gratifying evidences of interest from most of those whom he has approached, and he trusts that he may yet be able to do something towards improving the financial condition of an institution in whose permanent welfare and success he is so deeply interested.

He expresses not only his own feelings, but the earnest desire of all of his associates on the Board of Trustees, in urging upon the Clergy and laity of the Carolinas the importance of a general and generous sympathy in the work of St. Mary's School, and generous gifts for its maintenance and extension. We have in many respects the best and most successful Church school for girls in the United States, and we should take the proper pride in affording it every means of opportunity for further development and increase and permanent usefulness to the Church and to the country.

Respectfully submitted,

JOS. BLOUNT CHESHIRE,

President of the Board of Trustees of St. Mary's School, Raleigh
May 5, 1913.

Resolved, That we extend to the Priest in charge, and the congregation of St. Philip's Church, Brevard, the thanks of the Convention for their hospitality, and for making our visit enjoyable in many ways.

Resolved, That the Secretary be instructed to notify all the Clergy and the Treasurers of the Parishes and Missions of the District, of the

amount of the deficit in our District Missions Fund, and urge that the matter be presented to the congregations on the third Sunday in July, and liberal offerings solicited

The Committee on Unfinished Business having reported that there were no further matters requiring the attention of the Convention, it was moved that the Convention should stand adjourned to meet on the third Wednesday in June, 1914, in Trinity Church, Asheville, N. C.

Appendix A

Address of the Bishop

Brethren of the Clergy and Laity:

Grace be unto you, and Peace from God our Father, and from the Lord Jesus Christ.

We give thanks to our Lord that we have been permitted to pass another year in His service, and pray for His guidance in our deliberations, that all things may be so ordered that we may work together to the best advantage for the advancement of His Kingdom in the world.

As we look back over the past year we find that many important advances have been made in the District. Several changes have been made in the ranks of our Clergy, and several improvements have been made in buildings—churches, rectories and schools.

We have lost by transfer to other fields during the year, seven men.

The Rev. John H. Crosby, who had charge of Franklin and other Missions in Macon county, has returned to the Diocese of East Carolina. The Rev. Alfred S. Lawrence, who assisted in the Patterson School, has been transferred to the Diocese of North Carolina.

The Rev. Arthur B. Livermore, who was Rector of Calvary Church, Fletchers, has removed to the Diocese of West Virginia.

The Rev. William B. Magnan, who was assistant in the Morganton Missions, has removed to the Diocese of Colorado.

The Rev. Hervey C. Parke, Jr., who was in charge of the Missions in Haywood county, has gone to the Diocese of Western Massachusetts.

The Rev. Malcolm S. Taylor, Rector of the Patterson School, has removed to the Diocese of Massachusetts.

The Rev. J. W. Areson has been transferred to the Diocese

of Delaware. The Rev. W. P. Brown, and the Rev. H. F. Saumenig, though still canonically resident in this District, have given up active work here and are serving the Church elsewhere.

Thus we have lost nine Clergy from the active work of the District, and to take their places have added seven others to our staff of active workers.

Of these two were added by ordination to the Diaconate, and two others have taken charge of Parishes but have not presented their Letters Dimissory, and so, though actively at work in the District, are not canonically resident here.

The Rev. Mr. Bowne comes to us from the Diocese of Long Island, and has charge of the Holy Cross Church, Tryon.

The Rev. Benjamin S. Lassiter, from East Carolina, has taken the place left vacant by the Rev. Mr. Magnan in the Morganton Missions.

The Rev. Herbert Jukes, from the District of Wyoming, has taken the place of assistant to the Rev. Mr. Allen in the Waynesville Missions.

The Rev. Samuel B. Stroup, recently ordained Deacon, has charge of the Church of the Ascension in Hickory.

The Rev. Albert Rufus Morgan, recently ordained Deacon, is in charge for the summer of the Appalachian Industrial School in Mitchell county, and of the Missions in that county.

The Rev. Hugh A. Dobbin, from the Valle Crucis Mission, has taken charge, as Rector, of the Patterson School.

These important changes and transfers have been made during the year, and the District is in better shape than ever before.

We welcome most cordially the band of new workers in our District and bid them God-speed in their work.

MISSION GROUPS.

The different groups of Missions have done excellent work and I commend the workers most highly, one and all. I still believe the methods adopted in this grouping of Missions are desirable and should be continued, and I wish to emphasize again the necessity in such groups for absolute loyalty on the part of the co-

workers in each group to the head of the group. I called your attention to this last year, and when you consider it carefully, you will see how necessary it is for the efficient work of the group, that there should be this harmony and loyalty. I wish also to direct your attention one step further along this same line. You must remember that all the Missions of the District are ecclesiastically under the direction of the Bishop, and that the Clergy hold these Missions as curates, so to speak, under the Bishop. I do not believe the best work can be accomplished by trying to force all into one mould, and am satisfied that individual liberty in thought, word, and practice should be allowed as far as possible. Such has been, and will continue to be my policy, so long as the Clergy under my care do not go beyond legitimate limits, but I feel it my duty to warn certain of the Clergy against doctrinal teachings and practices that are not in accord with the spirit and use of the Church in America.

THE PROPOSED PLAN OF THE BOARD OF MISSIONS FOR MOUNTAIN
AND MILL WORK.

The most important matter for our consideration at this Convention, I think, is the plan proposed by the Board of Missions for the conduct of the Mountain and Mill work of the South. This plan is prepared in response to a memorial to the Board from the Fourth Missionary Department in which the Board of Missions was urged to give this work more attention and help than heretofore. There are some details in the proposed plan that may be modified before it is finally adopted, but it deals with, and if carried out in full, will solve the difficult problem of "Specials" in the conduct of the Missionary work of the Church. The Board proposes to take care of all the work as now supported by specials under certain conditions, and I wish to have the Clergy who are affected by these specials to express themselves freely in regard to the plan, and all that is involved in the new method. The plan as proposed by the Board is this:

PLAN FOR FURTHERING THE WORK OF THE CHURCH AMONG THE
MOUNTAIN AND MILL PEOPLE OF THE SOUTH.

At its February meeting the Board received a memorial from

the Fourth Department Council concerning work among the mountain and mill people. The following resolution was adopted:

“Resolved, That the Executive Committee be requested to carefully study these problems and report to the Board as soon as practicable a broad and comprehensive plan for dealing with them. The Board hereby express their belief that the problems of the cotton mill operatives and of the Southern Mountaineers are of sufficient magnitude that the work should not be undertaken by the Board unless it be done on an effective, well considered plan looking forward to steady development for a term of years rather than a mere vote of two or three thousand dollars for the immediate present.”

The Executive Committee reports to the Board for its action the following:

PLAN CONCERNING MOUNTAIN AND MILL WORK.

I. Ask the Bishops in whose Dioceses or Districts mountain and mill work is being carried on for a joint statement concerning plans and policy for the conduct and development of the work as a whole.

II. Ask each Bishop for a statement of the work of each Mission and institution among the mountain and mill people in his Diocese or District, indicating

(a) Its relation to the work in the Diocese as a whole.

(b) Why it is important that the particular Mission or institution should be maintained.

III. Ask each Bishop to send with the statement concerning the work of the Missions and institutions a financial statement for one year showing the expenditures of every kind for each Mission and institution itemized as follows:

The names of the workers.

Amount paid each.

Amount expended for running expenses.

How much of the support of the Mission comes from the appropriations of the Board.

How much comes from Specials.

How such Specials have been raised, whether by annual subscriptions or spasmodic efforts.

The names of donors of such Specials, whether individuals or congregations.

IV. Ask each Bishop whether present donors of specials will agree to continue their gifts if the Board makes appropriation for all the work, with the understanding that such gifts would be used by the Board towards meeting the appropriations.

V. Let a committee of the Board visit the mountain and mill work for the purpose of studying the situation carefully and recommending to the Board whether any of the present work should be given up or modified.

VI. If agreement can be reached with the Bishops, let the Board make appropriations for the support of all the present mountain and mill work on the following conditions:

1. The work to be administered by the Bishop with the advice and consent of the Board.
2. A table of salaries, increasing with term of service to be adopted for single men, married men, women.
3. Salaries to be inclusive with no allowances, except possibly for house rent, where no residences are owned by the Mission.
4. Periodical furloughs to be granted with pay and travel expenses to domicile.
5. Addition to the staff, whether for vacancies or new work to be made by the joint action of the Board and the Bishop.
6. New work to be undertaken only with the approval of the Board.
7. Transfers and other changes in the staff to be made by the joint action of the Board and the Bishop.
8. Property to be purchased and financial obligations incurred by the Bishop or any member of the staff only with the approval of the Board.
9. The Board to make all appeals for funds for this work.

10. Each Bishop and missionary to give such time each year as the Board and the Bishop agree upon to speaking on behalf of the whole mountain or mill work. Any financial returns from such speaking to be available for the appropriations of the Board.
11. Each Bishop to supply the Board each year with an itemized estimate of the appropriations needed for the next fiscal year.

You see from this how comprehensive the plan is, and how much is involved. We lose much, of course, in initiative because no new work could be started up without the cumbersome method of consulting with the Board, but I believe we gain more than we lose in that the Board assumes the responsibility of supplying the money necessary for carrying on the work. Are you willing to turn over to the Board the trouble (or perhaps for some the pleasure), of going outside the District to secure the funds necessary to carry on the work you feel your bounden duty to carry on and in compensation therefor give the Board the right of initiative in all new work and the right to audit and examine all expenditures of money placed in your hands? These are vital and important matters, and should not be turned over to any special committee of the Convention here assembled, but rather it should be carefully considered in committee of the whole, that all of us may have ample opportunity of expressing our views of the feasibility and advisability of accepting the plan as proposed by the Board of Missions.

EDUCATIONAL WORK.

Our Mission Schools continue to be important factors in the Missionary work of the Church in our Mountain District.

The schools usually denominated Church schools in the United States are so conducted that they are practically separated from the real life of the Diocese in which they are located, and the patrons of such schools are located for the most part beyond the limits of the Diocese, and the management of each school separated from the other interests of the Diocese, and the Church school thus patronized and managed is practically independent and has little to do with the development of the local interests of the

Church. It is considered perfectly legitimate for a private individual to own and operate a school, nominally under ecclesiastical control and denominated a Church school, and to make out of the school a reasonable profit for himself, but when the Church owns the property and undertakes to operate the school, it is somehow considered unreasonable to expect a profit therefrom or to use any surplus for other purposes than the school itself. I maintain that it would be to the advantage both of the school and of the Diocese in which the school is located, to expect a reasonable profit and to use such profit for Missionary work or for other Diocesan purposes to which the Parishes of the Diocese contribute. In this way the school would become a vital part of the Diocese and be ranked as one of the important Parishes. The contributions would not be merely what the pupils are willing to give from their pocket change. We are trying to develop our Industrial Schools into schools of this type. There is an important and real difference that is here outlined, and it will ultimately mean much when this District is developed into an independent Diocese, as we hope some day will be the case. The Appalachian School, Christ School, the Valle Crucis School, and the Patterson School are all being developed along these lines. They are drawing their patronage principally or entirely from our own District, and when they are fairly well equipped they will begin to contribute to the various funds of the District from school earnings, according as they prosper, and not merely from the pocket change of the pupils. You will find from the reports of the Principals and Treasurers of these schools what has been accomplished during the past year. I have visited each one of them more than once during the year, and am glad to be able to commend most warmly the work that is being done.

The Valle Crucis School has harnessed a little mountain stream and converted the potential energy thereof into electricity, and is thus utilizing the energy in various ways, at a saving and profit to the school of about \$1,220 a year.

Christ School has collected part of the money necessary, and is planning to erect a new building to accommodate the increasing

number of boys. The buildings are rather small for the large number already in the school.

The Patterson School is entering upon a new life with the Rev. Mr. Dobbin as Principal.

The Appalachian School at Penland also starts with a new impulse under the direction of the Rev. Mr. Morgan, recently ordained Deacon.

I beg the sympathy and co-operation of the whole District in the development of these schools. In a few years they will be regarded by the whole District as very important integral parts of the work, and not as independent and expensive parasites of the Church life of our District.

ST. MARY'S SCHOOL.

The report of St. Mary's School, Raleigh, will be presented to this Convention in regular order, and you will find in that report that the school is making important and rapid advances and is in better condition than ever before to care for the girls placed in the school.

THE THOMPSON ORPHANAGE.

The Orphanage at Charlotte continues to minister to the children committed to its care, and deserves our combined help in its maintenance. The report from the Orphanage will be presented, and we hope the Superintendent will have an opportunity to tell the Clergy about the work of the past year.

THE SUNDAY-SCHOOLS.

Our Sunday-Schools are doing good work, but nothing has been accomplished along the line suggested by the appointment of a Special Commissioner for Sunday-School work. We could not secure the services of a suitable man for the position. The various Rectors and Missionaries have done excellent work, however, along individual lines. The problem of our Sunday-School work is too diversified ever to expect a satisfactory plan to be devised that will suit all the schools. The environment and local conditions must be reckoned with, and these are so varied in different sections that no uniform method will suit all.

There is one feature of the work of the Sunday-Schools, however, which has been ordered by your Convention to be tried, and which I am not satisfied to let drop until the Clergy as a whole give it at least a fair trial. It is the *Penny Offering* from the Sunday-Schools, for the Missionary work of the District. I am satisfied this much can be contributed by the children of the mountains each week, and it will be for the good of the children, as well as for the advancement of our whole work. I hope this matter will at the proper time receive due consideration from this gathering of the Clergy and representatives of the Sunday-Schools. Eventually this source should yield for the District Mission Fund at least \$1,500, which would go far towards meeting the deficit in that fund for the payment of the stipends of our Clergy.

WOMAN'S AUXILIARY.

The work of the Woman's Auxiliary has been, as usual, most satisfactory and helpful. More has been done than ever before. The United Offering from the Auxiliary will be larger than heretofore. We should take a special interest in this fund, for we receive from the fund in New York the support of several workers in our mountains. I urge upon the Clergy to give this organization, including the Junior and Babies' Branches, more interest than some of them are wont to do in their Parishes and Missions. The help given by the women to work beyond the borders of their own Parishes or Missions has a great reflex influence upon their immediate environment. You cannot in justice to your work neglect this opportunity of good for your own Missions.

GENERAL MISSIONARY INTERESTS.

The apportionment for the General Missions of the Church at home and abroad seems much larger than heretofore, principally because there has been placed in the one fund the amounts to be expected from the Sunday-Schools and Woman's Auxiliary as well as from the Parishes and Missions. We are still far behind in this fund but as there are two more months in which to make up this amount, I hope it will be fully met and that our District as heretofore will be in the list of those Dioceses and Districts

that give to the Board the full amount asked of us or more. We can do this and we must try to measure up to our possibilities.

A social service commission was appointed at our last Convention to study the problems that are receiving such marked attention from similar commissions in all parts of the country. Because our people are so scattered is no reason why there are not as important problems to be worked out in their midst as in the congested district of the large cities. The rural sections of this country are the ones that in the near future are to play the most important part in the development of the national life. Our rural sections are in close touch with what is going on elsewhere in the world. There is no part of our country that is not in closer communication with the great metropolis of the United States than were the large cities in the State of Pennsylvania with one another half a century ago. We read today what happened yesterday in all parts of the world. Men are becoming more and more closely bound together the world over. "Washington had been buried for two weeks before his death was known in Boston." No such towering character could pass away in any part of the civilized world today, and the same not be known in all the great cities of the world within less than twenty-four hours. All parts of the world are so intertwined by social and economic interests, that self interest alone will force some kind of union.

Dr. Strong, in his book published this year, says: "I venture the assertion that there is a much greater need of the *United States of the World* today than there was of the United States of America four generations ago. This need is increasing and will continue to increase until all opposition is overwhelmed and Immanuel Kant's prophecy of 'A State of Nations' is fulfilled."

The Church must keep in touch with all that is going on in the world as far as these things affect the welfare of the people, for we are closely associated with and concerned about the people that are far off as well as those that are nigh.

May God give us grace to play our part faithfully and bravely.

ALFRED H. STUBBS,
Treasurer.

Asheville, N. C., June 20th, 1913.

Having been appointed by the Bishop as Auditing Committee, we do hereby certify that we have this day carefully examined the accounts of the Rev. Alfred H. Stubbs, Treasurer of the Missionary District of Asheville, and find all expenditures made by him supported by proper receipts and vouchers, and that the Treasurer's receipts and disbursements are correctly stated in detail in the foregoing statement.

We also find that the Ledger balances as stated above, showing the financial condition of the District, on May 31, 1913, are correct, and that the amount of cash on hand, as therein stated, is on deposit in the Battery Park Bank, to the credit of the Treasurer of the District, and subject to his check.

And we further recommend that a professional accountant be engaged to prepare a Simplified System of book keeping to relieve the work of the Treasurer.

R. R. SWOPE,
PHILIP R. MOALE.

The Committee on New Parishes made the following report, which, on motion of the Rev. Wyatt Brown, was adopted:

REPORT OF COMMITTEE ON NEW PARISHES.

We, the Committee on New Parishes, respectfully report that we have received and examined the letter of Reginald Howland, Junior Warden of St. Mary's Parish, to Rev. Alfred H. Stubbs, dated June 11, 1914, applying for admission of this Parish into union with the Convention; together with the original Articles of Association signed by twenty persons, dated May 12, 1914; the original letter of Bishop Junius M. Horner, dated May 23, 1914, giving his consent to its organization "with the understanding that the boundaries of the new Parish are to be that part of the city of Asheville bounded by Hillside Street on the south and Merrimon Avenue on

the west;" also the original letter of Wm. M. Redwood, Secretary of Trinity Parish, Asheville, N. C., dated May 16, 1914, containing the consent of Trinity Parish to its organization on practically the same condition as that contained in the letter of Bishop Horner. The original or certified copies of which letters and communications are hereby attached to this report; and we find:

First: That Sections 1 to 5, inclusive, of Canon X have in all things been duly complied with so far as this committee has power to investigate and ascertain and that the application is regular on its face and the Parish of St. Mary's is entitled to union with this Convention and we recommend that such union be granted and its delegates received and welcomed.

Second: That in view of the conditions attached to the consent of the Bishop of Trinity Parish that the bounds of the Parish of St. Mary's be defined as follows: Merrimon Avenue to city line on the west; the city line east of Merrimon Avenue on the north; the city line on the east; Hillside Street and a line continuing Hillside Street as far as the city limits on the east, on the south.

Respectfully submitted,

R. R. HARRIS, Chairman;
R. R. SWOPE,
F. P. BACON,
HAYWOOD PARKER,
KINGSLAND VAN WINKLE,
Secretary.

Dated June 17, 1914.

On motion of the Rev. Wyatt Brown, it was

Resolved, That St. Mary's Parish, Asheville, be received in full communion with the District, according to the recommendation of the Committee on New Parishes, and that the delegates thereof be given seats in this Convention.

The names of Thomas Settle, J. B. Tate and Reginald Howland were then called as such delegates, Mr. Howland answering to his name and taking his seat.

The Rev. Frederick D. Lobdell presented and read the following report, which was, on motion, accepted:

REPORT OF THE DEAN OF THE CONVOCATION OF MORGANTON.

The Convocation of Morganton held an Advent meeting at the Church of the Ascension, Hickory, Dec. 8th to 9th.

At the opening service the Dean addressed the congregation and the Rev. B. S. Lassiter followed with a thoughtful sermon. The Holy Communion was celebrated the following day at 7:30, and preceding the busi-

ness session in the morning, the Rev. deF. Heald conducted the meditation helpful to the Clergy, on the "Call of the Missionary and the Saving of Souls." In the afternoon a conference on "Work in Rural Places," led by the Dean, brought out many phases of interest; the Rev. Hugh O. Dobbin, E. N. Joyner, Rev. Stephen Prentiss, and Mr. William Wilson, spoke on this topic. There was a rousing missionary meeting in the evening, the Rev. E. N. Joyner speaking earnestly on the domestic field, and the Rev. B. S. Lassiter on the foreign field. A well attended corporate communion at the close of the Convocation was a fitting close to this unusually well attended and enthusiastic meeting of our Convocation.

Emphasis should be laid upon the value of opportunities such as this for developing among the Clergy a larger personal touch and a more intimate acquaintance with their several fields of work.

The Dean has preached ten times outside his own district in Convocation and delivered twelve addresses in the North in the interest of our work.

Respectfully submitted,

F. D. LOBDELL, Dean.

The Rev. Rodney R. Swope, D. D., presented and read the following report, which was, on motion, accepted:

REPORT OF THE DEAN OF THE CONVOCATION OF WAYNESVILLE.

The Convocation of Waynesville held its first regular meeting in the present Convention year at St. James' Church, Hendersonville, September 17th to 19th. There was a good attendance of the Clergy of this Convocation and we also had the pleasure of having present the Dean and four of the Clergy of the Morganton Convocation. The occasion was made specially noteworthy by the occurrence of the fiftieth anniversary of the consecration of St. James' Church. A special service was held at which historical addresses were delivered by Rev. Mr. Willcox and Mr. Thomas W. Valentine. In the absence of Bishop Horner the Dean conveyed the congratulations of the District to the rector and congregation. As the addresses showed the early years of this Parish were marked by many discouragements but since the Rev. Mr. Willcox has been in charge of this work there has been a steady forward movement and the work at St. James, and in Henderson County, under his administration has kept pace with the development of the progressive town of Hendersonville.

The winter meeting of the Convocation was held at Trinity Church, Asheville, on the 19th of February, and partook of the character of a quiet day, as preparatory to the Lenten season. The Rev. Dr. Whitaker, of Knoxville, conducted the services and gave a series of finished, thoughtful and deeply spiritual addresses on "The Five Senses of the Priesthood."

From this gathering those present carried away much that was inspiring and helpful to the higher life.

The Clergy of this Convocation have also had monthly meetings partaking of a social and literary character, at which papers have been read of more than ordinary interest upon topics of the day, and we have been enabled to consider in an informal way many things relating to our work and the individual problems we have to deal with. These meetings have been very helpful to all who have been able to attend.

At the meeting of the Convocation at Hendersonville some consideration was given to the question of lay work and the opinion was expressed that we were not using the talents of our laymen as successfully as we might do. So far as the Clergy are concerned the District is undermanned and we do not see how provision is to be made for putting more into the field, our District Missions fund being now largely in deficit. Some parts of this Deanery, which are full of promise of results, are now left entirely without services for months, or only at long intervals have the ministrations of a priest. Is it not possible to supply some of these places with regular lay services? We have educated and godly laymen who are well fitted to do efficient work, and we ought to use them to keep open some of the church buildings that are now without services of any kind.

Respectfully submitted,

R. R. SWOPE, Dean.

The Secretary presented and read the following report, which was, on motion, accepted:

ANNUAL REPORT OF THE COUNCIL OF ADVICE.

The Council of Advice respectfully reports:

That on February 4th, 1914, the Rev. Samuel Bradley Stroup was recommended to the Bishop to be ordained Priest.

That on the same date Joseph Durant Cooper Wilson was recommended to the Bishop to be admitted a Candidate for Holy Orders, and it was also recommended that a dispensation from Latin and Greek be granted him, to expire when he shall have been made Deacon.

Respectfully submitted for the Council,

ALFRED H. STUBBS,

President and Secretary.

The Rev. Rodney R. Swope, D. D., presented and read the report of the Special Committee appointed at the last Convention to consider the advisability of holding all future Conventions in Asheville.

On motion of the Rev. Reginald N. Willcox, the report was referred back to the committee with instructions to take into consideration the entertainment of the Woman's Auxiliary.

The Secretary presented and read the following report, which was, on motion, adopted :

REPORT OF THE MISSIONARY COMMITTEE.

Three meetings of the Committee have been held since last Convention.

At the first, the Rev. William B. Allen, the Rev. Wyatt Brown, Mr. Harmon A. Miller, Mr. Charles E. Waddell and Mr. John H. Law were elected as members at large under the canon, and it was

Resolved, That the apportionment for District Missions be three times the Convention and Contingent assessment, the Sunday-School Advent and Penny offerings being credited on the same, and that the apportionment for General, Domestic, and Foreign Missions be likewise three times said assessment, the Sunday-School Lenten offering being credited in like manner.

The Committee has expended \$4,175.00, the same being used to pay the stipends of twenty-three of the Missionary Clergy, that of the Rector of Chapel Hill Parish, and the debit balance of last year.

Towards this amount the congregations of the District gave \$2,729.42, being \$376.08 more than last year. The Sunday-School Advent and Penny offering yielded \$172.74, and the net income from the Ravenscroft Fund was \$1,615.69. The debit balance now is \$1,742.12, being \$342.85 less than last year.

The General Apportionment on the District of Asheville, for General, Domestic, and Foreign Missions, amounting this year to \$3,041, lacks \$1,411.08 of being paid. We failed last year to meet this apportionment. It looks as if we were going to do so again, the sum asked for being large for this District.

The Committee recommends the Duplex System of Envelopes for collecting missionary contributions, and has appointed one of its body to confer with the Clergy attending this Convention to determine how many such envelopes they would use, the same being supplied by the District, if the Convention so directs.

The publication of a catechism upon the missionary work of the District has so far failed of being accomplished, but the members of your Committee are in hopes that in the near future an agency like this, supplying much needed information, may become a valued, as well as profitable asset.

Respectfully submitted,

ALFRED H. STUBBS,
Secretary

Mr. Benjamin F. Finney, Southern Field Secretary, addressed the Convention in regard to the Twenty-ninth Annual Convention of the Brotherhood of St. Andrew, to be held in Atlanta, Ga., October next, extending a cordial invitation from the members of that city to attend and participate in its proceedings.

On motion of the Rev. William B. Allen it was

Resolved, That so much of the Bishop's Address as dealt with General Clergy Pensions, Social Service, and Sunday-Schools, be referred to their respective committees.

On motion of Mr. Kingsland Van Winkle it was

Resolved, That the Committee on Constitution and Canons be directed to investigate and report on the advisability of an amendment to Canon X so that no new parish shall be accorded recognition by the Convention of the District until it shall have been organized for at least six months prior to its application, and a full report of its resources and financial condition submitted with its application for union.

On motion, Mr. Van Winkle's resolution was referred to the Committee on Constitution and Canons.

On motion of the Rev. Frederick D. Lobdell it was

Resolved, That the Bishop be requested to appoint a committee of five to consider and report to the next Convention some plan by which the District may be formed into a Diocese at the next meeting of the General Convention.

Under this resolution the Bishop appointed the Rev. Rodney R. Swope, D. D., the Rev. Frederick D. Lobdell, the Rev. Wyatt Brown, Mr. Haywood Parker, and Mr. Francis P. Bacon.

The Rev. Homer W. Starr, Rector of Chapel Hill Parish, addressed the Convention regarding his work among the students of the University of North Carolina.

The Bishop appointed the following Committee on The Church Pension Fund: The Rev. William B. Allen, the Rev. H. Norwood Bowne, the Rev. Edmund N. Joyner, Mr. Kingsland Van Winkle, Mr. William L. Balthis, and Mr. John H. Pearson.

The Rev. Chalmers D. Chapman made in substance the following report, which was, on motion, referred to the Committee on The Church Pension Fund:

REPORT OF THE COMMITTEE ON THE GENERAL CLERGY RELIEF FUND.

Your Committee regret that they cannot report advance, but retreat, when we compare this year's offerings, and the number of parishes and missions contributing with those of last year.

Referring to the official report, and statement made to our District by the Treasurer of the Fund, we find that but 20 of the parishes and missions contributed to the Fund this year as against 29 last year, a loss of nine. The offerings from these 20 congregations, the two branches of the Woman's Auxiliary and individuals, amount to \$303.65, as against \$386.63 last year, a decrease of \$82.98.

The District received in grants this year \$1,050 as against \$950, an increase of \$100. The average amount required from each congregation, in order to equal amounts granted to beneficiaries by the Fund is \$11.30. The beneficiaries are five, the same as last year.

The statements above are not encouraging, but we take heart, and hope from the quaint remark of the old negro woman, "If you cannot see the bright side, polish up the dark one," and accordingly offer the following resolution:

Resolved, That in the quarterly statements of the Treasurer of the District the average amount required from each congregation be indicated immediately after the assessment for the Convention and Contingent Fund.

Respectfully yours,

C. D. CHAPMAN,
G. H. BELL,
W. F. RICE.

The Secretary read the following communication from

THE GENERAL CONVENTION

To the Ecclesiastical Authority of the Missionary District of Asheville:

In compliance with the requirement of Canon 48, Sec. I. [V.], I hereby give notice that the following alterations of the Constitution of the Church are proposed: to wit, those comprised in the resolutions printed herewith, said resolutions having been constitutionally adopted by a General Convention held in the city of New York, in October, A. D., 1913.

HENRY ANSTICE,

Secretary of the House of Deputies.

New York, March 15, A. D., 1914.

RESOLUTIONS.

Resolved, That the following change be made in the Constitution, and that the proposed alteration be made known to the several Dioceses, in order that the same may be adopted at the next General Convention, in accordance with Article XI. of the Constitution, as follows:

Strike out Section 3 of Article I. and insert in place thereof the following:

Section 3. Upon the expiration of the term of office of the Presiding Bishop, the General Convention shall elect the Presiding Bishop of the Church. The House of Bishops shall choose one of the Bishops having jurisdiction within the United States to be such Presiding Bishop, by a vote of a majority of all the Bishops entitled to vote in the House of Bishops, such choice to be subject to confirmation by the House of Deputies. His term and tenure of office and duties shall be prescribed by the Canons of the General Convention.

But if the Presiding Bishop shall resign his office as such, or if he shall resign his episcopal jurisdiction, or if by reason of infirmity he shall become disabled, the Bishop next in seniority by consecration, having jurisdiction within the United States, shall thereupon become the Presiding Bishop until the next meeting of the General Convention.

Resolved, That the following change be made in the Constitution, and that the proposed alteration be made known to the several Dioceses, in order that the same may be adopted at the next General Convention, in accordance with Article XI. of the Constitution, as follows:

Strike out the words in the second line of Article I. Section 7 of the Constitution "on the first Wednesday in October" and insert in the place thereof the following, "on the Wednesday after the first Sunday in October," so that the section as amended shall read:

Section 7. The General Convention shall meet in every third year on the Wednesday after the first Sunday in October, unless a different day be appointed by the preceding Convention, and at the place designated by such Convention; but if there shall appear to the Presiding Bishop of the Church sufficient cause for changing the place so appointed, he may appoint another place for such meeting. Special meetings may be provided for by Canon.

Resolved, That the following change be made in the Constitution, and that the proposed alteration be made known to the several Dioceses, in order that the same may be adopted at the next General Convention, in accordance with Article XI. of the Constitution, as follows:

Add to the second paragraph of Article IX. the words "*Provided, however,*" that the General Convention may by Canon provide for a change of the place of trial," so that the paragraph as amended shall read as follows:

Presbyters and Deacons shall be tried by a Court instituted by the Convention of the Diocese, or by the Ecclesiastical Authority of the Missionary District, in which they are canonically resident; *provided, however*, that the General Convention may by Canon provide for a change of the place of trial.

Resolved, That the following change be made in the Constitution, and that the proposed alteration be made known to the several Dioceses, in

order that the same may be adopted at the next General Convention, in accordance with Article XI. of the Constitution, as follows:

Amend Article X. by inserting in line 17 on page 13, after the words "Table of Lessons" the words "and Table of Proper Psalms on Certain Days and Table of Selections of Psalms," so that the Proviso as amended shall read:

Provided, however, That the General Convention at any meeting shall have power to amend the Tables of Lessons and Table of Proper Psalms on Certain Days and Table of Selections of Psalms by a majority of the whole number of Bishops entitled to vote in the House of Bishops, and by a majority of the Clerical and Lay Deputies of all the Dioceses entitled to representation in the House of Deputies voting by Orders.

The following Report of the "Joint Committee to report a plan for Uniform Registration of Communicants" is herewith transmitted in pursuance of the following resolution adopted at the last General Convention:

Resolved, That the Secretary of the House of Deputies have this Report printed as a circular within one year after the final adjournment of this Convention, and send it to the Secretary of each Diocese and Missionary District, with the request that it be communicated to the next annual Convention or Convocation thereof, as the decision of the General Convention with reference to the registration and enumeration of Communicants.

HENRY ANSTICE,
Secretary.

REPORT.

The Joint Committee appointed in 1907, and continued in 1910, "to report a plan for the uniform registration of Communicants," respectfully reports that it has given the matter careful consideration, and is of the opinion that the different aspects of the question are admirably covered by the report made in 1907 by a similar Committee of the House of Deputies, to which they beg leave to refer. It will be found on pages 231 to 233 of the Journal for that year. We agree with all that is there said defining a "Communicant" as one who has received Baptism and Confirmation, or has been formally admitted to the Holy Communion as being "ready and desirous to be confirmed." We reiterate that all such should be enrolled and kept upon the Parish Register until death, transfer or discipline removes the name.

Neglect of the privilege of receiving the Sacrament, long absence, or even departure without a letter is not sufficient reason for erasing a name, as the person may reappear or ask for transfer after many years. His *rights* as a potential Communicant should be scrupulously conserved. On the other hand, parochial reports should not be padded with misleading statistics. To *enumerate* all these non-effective members is to exaggerate the real strength of the Parish. Communicants known to have neglected

for three years the reception of the Holy Communion, in spite of due and sufficient opportunity therefor, should not be reported for statistical purposes. But, as above suggested, nothing but death, transfer or discipline should justify the removal of a name from the Register.

We recommend that this ruling be made known to Diocesan authorities in order to secure the requisite uniformity.

Respectfully submitted,

FRANCIS K. BROOKE,
ROBERT CODMAN,
FREDERICK W. HARRIMAN,
GEORGE WHARTON PEPPER,

Joint Committee.

delegate from Grace Church, Morganton, the certificate of his election having been misdirected.

The Rev. Edmund N. Joyner, the Rev. Reginald N. Willcox, Mr. Joseph D. C. Wilson, and Mr. Haywood Parker were elected as members of the Missionary Committee.

The Rev. Alfred H. Stubbs was elected as Trustee to succeed himself.

The Rev. Wyatt Brown, Mr. Thomas A. Cox, and Mr. Harmon A. Miller were elected as Trustees of the University of the South for three years.

Mr. William E. Stone addressed the Convention in behalf of St. Mary's School, Raleigh, N. C. He said in part:

The school year just ended has been a good one, but not quite equal to the banner year 1912-13, the average number of boarding pupils has been 165 as against 172 the previous year.

The expenses of the school this year have about kept pace with the income, but out of the receipts about \$3,000 has been spent in needed improvements; \$2,000 for furniture, and \$3,500 for repairs of all kinds, necessary to make the school property as comfortable, sanitary and attractive as possible. Many more changes are needed, however, in the main buildings, which have been in use since about 1835. The domestic arrangements in the dining room and elsewhere have never been more satisfactory.

Our patronage this year has come from 13 states, the District of Columbia, and Mexico; 12 pupils from the District of Asheville as against 5 in 1912-13.

The services of a competent director of physical culture are to be employed, and the gymnasium will be equipped with proper apparatus.

The advantages to be had at St. Mary's in music may not be fully realized. We have each year in that department from 150 to 175 pupils.

At the St. Mary's conference just had, the Rev. Mr. Gardner, Secretary of the General Board of Education, laid special emphasis on the importance of religious education. Our Clergy of this State should be able to show their people why they should send their daughters to St. Mary's rather than to some school without definite religious instruction, or to Church schools of some other body where the instruction is very definitely contrary to what they ought to receive.

This great institution, great in its past, great in its present, and with possibilities for greatness in the future, ought not to be hampered in its work for lack of what could be easily and thankfully given. What is especially needed at this time is the interest and enthusiasm of some earnest laymen and laywomen, who would not only give generously of their own

means, but what is of more importance, fill all our Church people with their interest and enthusiasm for the adequate and generous support of their Church School. Looked at from a mere business point of view, St. Mary's has been a valuable Church investment, influencing for good, from generation to generation, many girls who, later, in their homes, become workers in parish, in Sunday-school, in mission school and in social service. This fact was very noticeable in the recent St. Mary's conference. When a show of hands was called for among the ladies, of those who had been St. Mary's girls, or connected in some way with St. Mary's, over half the number of delegates raised their hands, and they are virtually all of them doing practical Christian work as teachers, or leaders, today in their various homes.

We hope that another year the District of Asheville will be more largely represented.

On motion, Mr. Stone received the thanks of the Convention for his address.

The Rev. H. Norwood Bowne and Mr. Frank A. Clinard were elected Trustees of St. Mary's.

The Rev. Rodney R. Swope, D. D., was elected Registrar.

The Rev. William B. Allen presented and read the following report and recommendations, which, on motion, were adopted :

REPORT OF THE COMMITTEE ON THE CHURCH PENSION FUND.

Your Committee on the Church Pension Fund respectfully submit the following as their report :

That a permanent committee of three Clergymen and three laymen be appointed to constitute the Committee on The Church Pension Fund.

That in view of the magnitude of the questions presented, and the time necessary for an intelligent presentation of them to this Convention, we recommend that the entire subject be referred to said Permanent Committee, to report to the next annual Convention.

That we heartily recommend the formation in our parishes and missions, and especially among the children of the Sunday-Schools of branches of the Church League of the Baptized, auxiliary to the Pension Fund, as a quiet, educative influence, which shall bring results in the future.

Respectfully submitted,

WILLIAM B. ALLEN,
H. N. BOWNE,
E. N. JOYNER,
KINGSLAND VAN WINKLE,
W. L. BALTHIS,
JOHN H. PEARSON.

The Bishop appointed the Rev. William B. Allen, the Rev. H. Norwood Bowne, the Rev. Edmund N. Joyner, Mr. Kingsland Van Winkle, Mr. William L. Balthis and Mr. John H. Pearson as the Permanent Committee on The Church Pension Fund.

The Rev. Rodney R. Swope, D. D., presented and read the following report of the committee on the advisability of holding all future Conventions of the District of Asheville in Trinity Church, Asheville, which had been referred back to them for amendment and which was now, on motion, adopted.

The committee appointed at the last Convention "to consider and report on the advisability of holding all future Conventions of the District in Trinity Church, Asheville," would respectfully report that the matter was brought to the attention of the Rector and Vestry of Trinity Church, and the following communication has been received by the chairman of your committee:

Asheville, N. C., June 5th, 1914.

Rev. Rodney R. Swope, D. D.,
Biltmore, N. C.

Dear Dr. Swope:—

At the regular meeting of the Vestry of Trinity Church held last evening, your letter of June 3d was duly presented.

I am instructed to advise you that the Vestry of Trinity Church will be only too glad to offer Trinity Church for the use of the Convention, should it be decided to hold the future conventions in this city and will do all in its power to have a hearty welcome accorded the delegates by the congregation of our Church.

Trusting that this action of our Vestry may be of some assistance to you, and with very kind regards, I beg to remain,

Yours faithfully,

WM. M. REDWOOD,
Secretary Trinity Vestry.

There will be no difficulty then in holding future conventions in Asheville, but if this meets with favor, it will be necessary to provide for the expenses of entertainment which are associated with this annual gathering, as we could not reasonably expect the members of Trinity Church to extend hospitality to the delegates year after year. There are two ways suggested for making such provision, one of these being to request the Parishes and Missions to pay the expenses of their clergymen and of the lay delegates that attend the Convention. Another way of providing for the entertainment of the Convention is to assess the Parishes and Missions and

so raise a sum sufficient to cover the necessary expenses for the entertainment of the Clerical and Lay delegates and the delegates to the Woman's Auxiliary.

An examination of the Journals of the Convention, and the Reports of the Woman's Auxiliary, for the past five years, show that the average attendance of Clergymen has been 25, and of lay delegates, 24. Of the Woman's Auxiliary the attendance has been 36, though this number has been materially increased each year by the presence of visitors and interested persons.

If we deduct from this total of 85 the 18 delegates to the Convention and the Auxiliary resident in Asheville or the immediate neighborhood, we shall have 67 persons to provide entertainment for. This we have ascertained can be obtained for \$1.50 a day, making \$201.00 for the period of our sessions. We should probably add \$50.00 to this for other expenses that would be incurred, or say \$250.00, to be apportioned among the Parishes and Missions.

To put the matter in form for the action of this Convention, we offer the following resolutions:

Resolved, That hereafter the annual Conventions of the Missionary District of Asheville be held in Trinity Church, Asheville, unless the Convention shall elect to go elsewhere.

Resolved, That the Finance Committee be instructed to increase the present assessment upon the Parishes and Missions for contingent expenses, so as to secure an additional sum of \$250.00 and that at all future Conventions the Treasurer shall pay the expenses incurred for board by the Clerical and lay delegates and the delegates to the Woman's Auxiliary, in addition to the traveling expenses of the Clergy.

Respectfully submitted,

R. R. SWOPE,
WYATT BROWN,
HARMON MILLER.

The Rev. William B. Allen presented and read the following report, which was, on motion, adopted, subject to revision and correction by the Secretary:

REPORT OF THE COMMITTEE ON THE STATE OF THE CHURCH.

Your Committee on the State of the Church of the Missionary District of Asheville begs leave to report that it has done its best to ascertain the true state of the Church in this District, but that owing to the negligence of some of the Clergy, a complete and satisfactory report is impossible. Such a condition ought not to be. The reports should be in the hands of the Committee on the State of the Church at least one week previous to

the meeting of the Convention, in order for the Committee to render a true statement of the actual condition of the District. The Committee ventures to make the following recommendations:

First. That forms for the reports be sent out one week earlier than is now customary, that a beginning be made, and reports completed promptly.

Second. That the Convention vest in this Committee, on its appointment each year, authority to request complete reports not received at the specified time.

A matter which the Committee considers of vital importance is the apparent lack of interest on the part of a number of Missions, in the matter of District responsibility.

Considering the financial state of affairs in the District, we commend to the prayerful and thoughtful consideration of both Clergy and laity, the deep necessity of meeting all assessments and obligations devolving upon Parishes and Missions promptly.

We recommend the Duplex Envelope System, every member canvass, and the Sunday-School Penny Offering to your thoughtful consideration, believing that these ways and means will very materially help to redeem the situation, and put the District on a good financial basis. If any Parish or congregation has not adopted the Duplex Envelope, it is, we believe, the most effectual instrumentality discovered in recent times for the solving of parochial financial difficulties, and for the stimulation of parochial, and missionary, and spiritual activities. Your Committee suggests that the Duplex Envelope System be given a fair trial in every Parish and Mission.

Figures do not measure spiritual advancement and uplift, nor are they indicative of conditions. The Church is alive, aggressive, and Missionary, and accomplishing great things for the moral, spiritual, physical and mental life of our people.

The reports show an increase in families, baptisms, communicants, marriages, burials, Sunday-School teachers, and scholars; in value of Church property, indebtedness, insurance and expenditures for District objects.

They show a decrease in the number of baptized persons, confirmations, Mission School teachers, and pupils, parochial expenditures and contributions for objects outside the District.

In conclusion, your Committee feels thankful to see the deep interest which is manifested in this present Convention, indicating life and progress—real life and development in the Church, and we feel encouraged and inspired at the outlook and vision which the Master has given us, and let us go forward, strong in the Lord, and in the power of His might accomplishing great things for the upbuilding of His Kingdom, and the salvation of souls, believing "That the best is yet to be."

Respectfully submitted,

WILLIAM B. ALLEN,
BENJAMIN S. LASSITER,
F. P. BACON.

The Rev. Rodney R. Swope, D. D., presented and read the following report, which was, on motion, adopted, with thanks :

REPORT OF THE SUNDAY-SCHOOL COMMISSION.

The Sunday-School is admittedly one of the problems and perplexities of our work. That the gathering of the children of the Church, and of the non-church, people and instructing them in the elements of morality and religion is a necessary work, and one which is capable of yielding rich results, all admit. But how to work with children so as to get these results is the puzzling thing. In city life, and in large and well organized congregations, these schools flourish and the children trained in them pass naturally on to their place in the congregation as communicants. This is the usual order, though even in some of our most influential churches the Sunday-School is a small factor. I have before me the Year Book of a city parish of 3,100 communicants which reports 117 in its Sunday-School. In suburban fields, and I think this describes our work in small towns, and in rural districts, we can gather the children but we lack the trained teachers; yes, we lack any teachers, trained or untrained. Where we have parochial schools of course we have one or more efficient teachers. But in this work there is need of the personal and individual touch and interest and where thirty or forty active youngsters are committed, on a day regarded by them as a holiday, to the instruction of one or two good women wearied with the labors of the week, the results are not very apparent.

What our Sunday-School work needs, and we have reference to the work in our District, is, first, teachers: men and women, and more especially *men*, who are willing to give the hour or more on Sunday to work with the children, and the several hours during the week to preparing for that Sunday session, and to calling at the homes of the members of their class and carrying them and their needs daily before the throne of grace. Here is where our church life is defective; in other bodies of Christians we find the best men in their organization, lawyers, judges, doctors, busy business men, present in the schools and enthusiastic for the work. Why cannot we get our men to feel and work thus? What is the cause of the indifference we note toward this branch of church work? We ought to try to diagnose the reason and set ourselves zealously to work to remedy it.

And in the second place our Sunday-School work needs system—system in organization and in instruction.

Today great attention is being given by scholarly and religious men, working under the auspices of churches and of publishing houses, to both these matters. There are innumerable publications that deal with the organization of the school, the grading of classes, conduct of service, and modes of interesting and holding the children. It is the same with lessons. The whole Bible has been covered, and besides this there are special topics treated, as the Life and Teaching of our Lord, The Acts of the

Apostles, Church History, Story of Missions, the Prayer Book, and innumerable other subjects. And there is as much diversity in the treatment of these subjects as there is in their pedagogical value. You can get the Bible treated from the Baptist point of view, and the Methodist point of view, and the Christian Science point of view, and the Unitarian, and any other brand of religious thought that one may wish for.

Then there are all sorts of appliances for illustrating these lessons, pictures, maps, games, stereopticon slides, moving picture films, plays, song services, toys and so on, as man's ingenuity can devise.

They are useful no doubt, and have a value, but they are not inevitably necessary. A man or woman, devout, earnest, whose heart is full of the love of God and of His little ones, and whose mind is stored with the knowledge that comes from the faithful study of the Word of God, can take a class of boys and girls, and with no extraneous help other than a copy of the Bible and Prayer Book, can interest them Sunday after Sunday and make them look forward with eager anticipation to that hour of enlightening instruction. Yes, and they will remember through life what they are taught and it will mould their characters and fix their eternal destiny.

What seems to your Committee most needed in this work is the awakening of an interest and an enthusiasm for the Sunday-School. If we can get our people to really appreciate the value of it as an agency of the Church they will gladly volunteer their services.

Next there is need of training them how to do the work to which they have put their hand. If one is fortunate enough to have the services of some public school teachers, he is greatly helped. They know how to teach, but men and women who are not professional teachers need advice and direction. The rector of this church gave some lectures to his teachers and others on the art of teaching. They were of great value, and several of those who attended have testified to the great benefit they derived.

The conditions of our work in the District make it impossible for us to assemble any number of those interested in the Sunday-Schools, unless we do it during our Convention. We have no doubt that among those who are present here as lay delegates, and among the members of the Woman's Auxiliary, there will be found a large percentage of our teaching force. If we could have an hour or two given to the practical side of this work it would be of infinite value, not talk about the value of the Sunday-School or depreciation of it and its instruction, but exemplification of methods by some one who is competent to do it. Have a practice class, show how a lesson should be presented to the child's mind, how a primary class should be conducted, and how an adult Bible class should be taught; explain and exemplify methods. This is the course that it seems to your Commission should be undertaken in order that we may rear the children that come under our influence so that they may grow in grace, and as they

mature, take their place naturally in our churches, and remain there, loyal, devout and intelligent Churchmen and Church-women.

H. NORWOOD BOWNE,
CHAS. E. WADDELL.

On motion, the Rev. Wyatt Brown was requested to explain the methods in Sunday-School instruction recommended by the General Board of Christian Education, which he did.

On motion, the Rev. Homer W. Starr was requested to address the Convention on the same subject, which he did.

On motion of the Rev. Dr. Swope, the Rev. Wyatt Brown was requested to furnish a list of the books mentioned in his address, and append the same to the report of the Sunday-School Commission.

The Rev. Walter J. Smith addressed the Convention in behalf of the Thompson Orphanage.

The Rev. Rodney R. Swope, D. D., was, on motion, nominated as a Trustee of the Thompson Orphanage.

ANNUAL REPORT OF THE REV. WALTER J. SMITH, SUPERINTENDENT OF THE THOMPSON ORPHANAGE AND TRAINING INSTITUTION.

To the Board of Managers—Greeting:

The past year has been marked by many interruptions and uncertainties in the working force of the Institution, with the usual falling off of funds during the summer months, and yet we have much for which to be thankful, and close the year with a credit balance of \$2,107.24.

On the 10th of May, the twenty-sixth anniversary of the opening of the Orphanage, the Superintendent moved into the Stedman Memorial Building erected with the legacy left by the late Mr. James C. Stedman, of Fayetteville, and has found it both convenient and comfortable.

On February 23rd, the handsome Federation Cottage, built by the ladies of the Thompson Orphanage Guilds of the State, was opened with appropriate ceremonies, and formally turned over to the Orphanage. It was occupied at once by sixteen girls, with Miss Kate Capehart as matron. This change made it necessary to have a matron for Bronson Hall, and Miss Field, the sewing teacher, was asked to take the position, while her own place was filled for a limited time by Miss Virginia B. Pretlow, of Richmond, Va., who returned home at the end of six weeks.

On the 4th of February Miss Hampton, matron of Thompson Hall, was

married to Mr. McBride Barrett, son of our former farmer, and Miss Margaret M. Proffe, of Brooklyn, N. Y., came to take her place till the first of June.

Miss Lucile Barrett, teacher of the primary department, having been called home by the sickness of her father, her place was filled for a month by Miss Florence M. Ferguson, of Eastover, S. C.

After being with us about a year, Mr. Barrett, our farmer, was taken sick, and on the last day of the old year he was taken to St. Andrew's Home in Lynchburg, Va., and after staying there more than a month he was taken to his old home at Pedlar Mills, where he died a peaceful death on the 26th day of March. He was a good and faithful man, and he and his wife both are greatly missed at the Orphanage. His place was filled by his son till the middle of February, when Mr. Julius F. Thornton, of Sparrow's Point, Md., came to take charge of the farm. While we did not sell a great deal from the farm last year, we made more for the use of the Orphanage than ever before, and this year we hope to do even better. Our expenses will be necessarily greater now that the new cottage has been opened, and I wish to ask that all of our parishes and missions try to carry out the resolution of the Convention in regard to the Sunday-School offerings, and also that the Thanksgiving offering be made to represent a day's work, or income.

During the year we have received fourteen children into the Orphanage, and fourteen have gone out, thereby leaving the number the same as it was last year, sixty-seven. Of this number, forty are from the Diocese of North Carolina, thirteen from the Diocese of East Carolina, and fourteen from the District of Asheville. We have no room for any more boys, but we could take about a dozen more girls, several applications of which are now under consideration. One of our little boys was discovered to have tuberculosis in the summer, and is now at the State Sanatorium at Montrose.

During the winter more than half of our children were vaccinated by Dr. Hunter, to whom with other physicians and dentists of the city I wish to extend our thanks for their kind attention. I also wish to thank the Standard Ice & Fuel Co., and the railroads for their continued favors.

Hereto I append my report as treasurer.

ANNUAL REPORT OF THE BOARD OF MANAGERS OF THE THOMPSON ORPHAN-
AGE AND TRAINING INSTITUTION.

The Board of Managers held its twenty-eighth annual meeting in the office of the Superintendent at the Orphanage on the 28th day of April, 1914, a quorum being present and the Bishop presiding.

The Rev. Walter J. Smith, Superintendent, read his annual report, also his annual statement as treasurer, which are enclosed herewith as Exhibits "A" and "B." Mr. Joseph G. Shannonhouse also read his statement as treasurer of the permanent and endowment funds, which is herewith filed as Exhibit "C." All of which constitute a part of this report.

The appearance and deportment of the children indicate good health, kind treatment, good training and sufficient and judicious diet and nourishment.

The condition of the institution is sanitary and comfortable, as compared with the average homes of the country, and as far as our people throughout the state, for it is doing a good work, and has vast possibilities of greater usefulness.

The farm and dairy show a net profit of \$1,180.77. They constitute very important auxiliaries in the support of the institution by supplying wholesome food, affording healthy exercise for the children and valuable training in the business of farming and dairying, and at the same time adding materially to its income as shown above.

The two splendid new buildings mentioned in the Superintendent's report add greatly to the comfort and efficiency as well as to the appearance of the institution, and should command the lasting and deepest gratitude to those whom generosity and self denying labors placed them there.

From funds contributed.....	\$ 6,732.59
Farm products sold and used.....	3,559.53
Total.....	<u>\$10,292.12</u>

Making the cost of each child \$12.70 a month; or if we add only the expense of the farm and dairy instead of their gross products, the cost will be \$9,101.35 or \$11.17 per capita.

This includes all salaries, namely, the Superintendent, two matrons, two assistant matrons, two school teachers, one music teacher, one sewing teacher, a manager of the farm and all incidental expenses.

If the above expenses seem somewhat excessive, the present price of labor and cost of living with the salaries of the Superintendent and his staff of assistants will explain the cause, as a small institution of this kind must necessarily cost more per capita than large ones. For instance the Baptist Orphanage at Thomasville with three hundred and ninety-seven children, spends only \$9,371.00 for salaries, which amount to only \$23.61 per capita; while we pay \$4,563.00 for salaries with only sixty-seven children, or \$68.50 per capita. While our Superintendent and his staff are necessary for these sixty-seven children, the same equipment would be almost sufficient for one hundred children, if properly distributed, and thus reduce the cost of each child to about \$8.00 per month; and upon the same basis, if we had two hundred children the cost would be considerably below \$8.00 a month. Upon the whole we think the institution is doing well with the means provided for it, and we commend it and those engaged in the arduous and benevolent work of carrying it on to the generous and sympathetic co-operation and support of all the members of the Church in the State.

Respectfully submitted,

E. A. OSBORNE,
For the Committee.

EDMUND N. JOYNER,

Chairman.

A pause in the proceedings was had while the Bishop said Mid-day Prayer for Missions.

The Rev. Rodney R. Swope, D. D., the Rev. Wyatt Brown, the Rev. Reginald N. Willcox, and the Rev. Frederick D. Lobdell, Mr. Haywood Parker, Mr. Charles E. Waddell, Mr. Francis P. Bacon, and Mr. Harmon A. Miller were elected Clerical and Lay deputies to Primary Synod of the Fourth Province.

The Rev. Walter R. Dye, the Rev. H. Norwood Bowne, the Rev. William B. Allen, and the Rev. J. Norton Atkins, Mr. Ernest L. Ewbank, Mr. William T. Lindsey, Mr. William L. Balthis, and Mr. Michael Schenck were elected Clerical and Lay alternate deputies to the same.

On motion, the Treasurer was instructed to pay to the Treasurer of the General Board of Religious Education \$56.00, the amount apportioned to the District of Asheville for the maintenance of said Board and its work.

The reports of the Industrial Schools were then presented, and, on motion, were ordered printed in the Journal.

REPORT OF THE VALLE CRUCIS INDUSTRIAL SCHOOL TO THE ANNUAL CONVENTION OF THE DISTRICT OF ASHEVILLE.

The school is located at Valle Crucis, in Watauga County, N. C., the nearest railway station being Elk Park, N. C. fourteen miles distant, which is the freight depot for the school. The equipment, besides a few small outbuildings, consists of two main structures: Auxiliary Hall and Auchmuty Hall. There is a farm and timber tract of five hundred acres, sixty-five acres of which are set in fruit trees, one-third of them bearing fruit. A small repair and blacksmith shop is in operation on the school grounds. The almost indispensable wagon factory and saw mill burned to the ground the fall of 1912, and has not been rebuilt.

The electric plant has been in successful operation for fifteen months. The electricity is generated by water power. The two school buildings, the Chapel, the rectory, the dairy, the shop and the power house are lighted by electricity. There are electric irons and an electric mangle in the laundry; two electric ranges, a baker and an electric griddle in the kitchen, also a tank for hot water, all of which are heated by electricity and have been in successful operation for a year. There are also twelve electric heaters which can be moved from one room to another. These have been of incalculable benefit to the school as a labor saving device; while the genuine comfort derived from them can only be felt to be appreciated. The saving of two days' labor in the laundry each week is of sufficient value to justify the equipment in that department, and the saving of labor and cost of providing fuel in other departments is equally great.

Instruction has been given in the Primary and Grammar School grades, with training in kitchen, laundry and other house work, basketry, plain sewing and embroidery. The enrollment during the past year was 85, of which 50 were boarding pupils. The Staff consists of Principal, four academic teachers, two industrial teachers, matron and a book-keeper, who is also secretary to the Principal. We have arranged to add a trained nurse to our Staff for the year 1914-15. Her services will not be confined to the School. But she will go out from our doors as a benefactor to the community.

Appendix A

Address of the Bishop

Brethren of the Clergy and Laity:

Grace be unto you, and Peace from God our Father, and from the Lord Jesus Christ.

It is a great pleasure to have you meet here in this beautiful Church, which has been erected since you last met in the City of Asheville. We pray that the Holy Spirit may guide and direct us in our deliberations as we consult together for the advancement of the Kingdom of God throughout the world.

The work of the District has gone forward with encouragements and discouragements which seem a necessary part of any kind of progressive endeavor. Improvements and additions to Church property have been made. Several changes have been made in our Clergy list. Four of our Clergy have been transferred to other fields of labor. The Rev. Theodore Andrews has taken work in the Diocese of North Carolina; the Rev. Herbert Jukes gave up his work in the Waynesville group of Missions and moved to the Diocese of West Virginia. The Rev. Stephen E. Prentiss resigned his charge of the Parish and Missions around Morganton and has gone to the Diocese of West Virginia. The Rev. R. M. W. Black resigned Calvary Parish, Henderson Co., and is now in the Diocese of Tennessee. We wish all of these joy in their new fields of labor. The Rev. Minor J. Peters has recently given up his charge of the Missions in Gaston Co., but is still canonically resident in the District, with temporary work for the summer in the Diocese of New York.

The places left vacant by these five removals have not been filled permanently, but are being supplied for the summer by visiting Clergy. The Rev. H. H. Roche has been added to the Associate Mission in Rutherford Co. The Rev. John H. Crosby has taken charge of the Parish and Mission in Lincolnton.

On account of an insufficient Missionary fund we have not been able to place an assistant in the Waynesville group of Missions or in the Wilkesboro Parish. Morganton, Fletcher and Gastonia are actively striving to secure suitable men for their work.

MISSION GROUPS.

Every change made in the work is necessarily accompanied by some delay and at least temporary friction, and though circumstances may make it advisable to separate for a time the Mission from the Parish in some particular group of Missions, I do not wish this in any case to be considered a permanent change. We have had to make this separation at Morganton and at Lincolnton, but hope as soon as possible to restore the co-operative working of the Missions with the Parish. So much is lost by the separation that I am satisfied for the present that the grouping of the several Missions together is much more desirable and more conducive to vigorous growth than the separation of the Missions from the Parish can produce. It should be understood, therefore, that this separation is only temporary, and because of peculiar conditions.

THE PLAN OF THE BOARD OF MISSIONS FOR MOUNTAIN AND MILL WORK.

The Plan of the Board of Missions of New York proposed to our Convention and favorably considered by us at our last year's meeting, has not been put into operation by the Board, principally, I think, because the strained condition of the treasury of the Board was such that it was not thought wise to venture upon any new and enlarged appropriations of money at this time. The plan has not been abandoned for any reason as far as I know except that of an insufficient amount of money in the treasury to justify the Board in making the necessary appropriation.

We all feel that the present method of securing money to keep up our Missionary endeavors is unsatisfactory. All our Clergy feel that they would like to be relieved of the necessity of having to leave their fields of labor to go out to collect money to keep the school work going forward, and yet these little Mission Schools

seem absolutely necessary. It may be that within another year we will be placed upon an entirely different footing in this regard.

EDUCATIONAL WORK.

The problem of primary education in rural sections of our State is more serious than the average man in ordinary life seems to realize. The sum total of money expended by the State for this kind of education seems large, but when it is divided up and expended, and we find that less than \$3.00 is spent per year upon each child in the primary grades and common school grades, and that this amount keeps the schools open only about four months of the year, we can make a calculation of how much the child can learn within his school life of 15 years from 6 to 21 years of age. It requires $2\frac{1}{2}$ years to make a grade when the child goes only 4 months each year, so that if the child goes every year from 6 to 21 he will make only 6 grades. He will be at 21 just where the ordinary city child is at 12 years of age. As a matter of fact the average child of the rural sections becomes discouraged with such conditions and drops out of school at about the age of 16, when only four grades have been made—and this condition educationally dominates the life of about 95 per cent. of the entire school population.

It is because of such conditions that we find it so important for us to supplement the public school work with our Mission Schools.

A few instances of aroused ambition under the urging and advice of these Mission Schools are sufficient to justify the full expenditure that has been made to keep this work going on. We must not discontinue it as yet.

The Industrial Schools at Valle Crucis, Arden, Legerwood, and Penland will have special reports presented to the Convention. These are most important factors in our Missionary work in the mountains. The real value of the work that is being done in these schools will become more manifest as the years go by. The possibilities are great, as are also the opportunities, and we must continue to emphasize these until we are enabled to impress our Church people here and elsewhere with the compelling call that is bringing men and women to this kind of social service.

For the present at least I beg of you to give these schools your moral support.

ST. MARY'S SCHOOL.

The report from St. Mary's School, Raleigh, shows continued advancement. This school deserves our hearty endorsement, and we commend it to the patronage of our people.

THE THOMPSON ORPHANAGE.

The Orphanage at Charlotte is ministering to many children from our mountain section and we hope the superintendent of the school will have an opportunity of telling us something of the past year's work in the Orphanage. Our Thanksgiving offerings are usually designated for this institution, and I hope you will continue to make these offerings liberal.

THE SUNDAY-SCHOOLS.

The Sunday-School work deserves more attention perhaps than is given it, and we hope you will listen with open minds to the reports and recommendations of the Committee on Sunday-School Work. The conditions prevailing in different parts of our District are so varied that any uniform system of Sunday-School instruction will be found difficult for all the schools, but those schools that are not being conducted satisfactorily under their own methods, might at least try the recommendations of the Committee. We have a beautiful opportunity of reaching the children of the mountains in our Sunday-Schools, and every Clergyman should feel dissatisfied with his own work in his Missions until he finds out and puts into operation some system that will reach his people. It requires a liberal expenditure of effort on the part of any clergyman working even the best system to make it a success.

The Sunday-School will not be satisfactory to the clergyman unless he makes a definite personal effort on his own part. The superintendent alone cannot make the Sunday-School what both would have it be. The reports show that we have the material to work upon. The children are attending in large numbers, and we should not miss the opportunity thus offered us.

WOMAN'S AUXILIARY.

The Auxiliaries of the District have done most admirable work during the past year. The large number who are willing to come to this annual Convention is in some measure an indication of the real life of the Auxiliary of the District. I urge again upon the Clergy the great need for this organization in every Mission where it is possible to effect an organization. If you consider your Mission too feeble to support a branch, perhaps you will find the weakness due in large measure to your neglect in this respect.

A GENERAL PENSION SYSTEM.

The last General Convention authorized a pension system for the Church. A competent committee was appointed to put into operation a system that would reach the needs of the Church. There will be distributed a published report of what has been done, and I would ask you to appoint a special committee to take this matter up and recommend some action for our own District, that will put us in line with other Church organizations in dealing with this matter. You know how inadequate our present Clergy Relief Fund is. This movement will appeal to you I am sure as soon as you have examined into it.

GENERAL MISSIONS.

Our apportionment for General Missions was not met last year, the first time we have failed to give the full amount asked of us. I am afraid we are going to fail again unless some special effort is made between now and September. Some may think the apportionment of \$3,000 too large for the District. We can raise this amount, however, if each Clergyman will make the effort that he should.

The Board of Missions is urging upon the whole Church to back them up in their enthusiasm. I ask now each Clergyman of our District, who has not been able to get from his people the amount asked to report to me by special letter within the next thirty days the situation in his Mission because of which he thinks the money cannot be given and I will make a special effort in harmony with him and with his co-operation to make a canvass of his Mission and find out to the satisfaction of all of us, if the

amount asked is really too much. I call your attention to the leaflet, "A Message from the Board of Missions," which will be handed you at this Convention. The statement of facts in this leaflet should be convincing. We cannot hold back, but must go forward.

In this connection I wish to urge upon all the Clergy to make a special effort to be in their seats when the report of our own Missionary Committee is presented to the Convention. This Committee has a special message also for you, and every Clergyman of the District should hear it.

We must constantly bear in mind that we are a Missionary District, and our special effort should be along the line of the extension of Christ's Kingdom here and far off. With Christ we are sent "to preach peace to them that are far off and to them that are nigh." We cannot do this if we allow ourselves to be too much occupied with personal views and opinions, in which we differ from others. Examine your own minds, brethren, and see if you do not find that the time and effort spent upon personal opinions with matters kindred thereto have lessened just so far your comprehensive view of the great Kingdom of God which has no bounds in time or in space.

Those who are restive because some one else breaks the law as contained in the rubric at the end of the Confirmation Service, are oftentimes most eager to break the law as contained in the rubric at the end of the most solemn and important service of the Prayer Book, the service for the administration of the Holy Communion. Those who are guilty in this respect know to what I am alluding. For a time your lawlessness may escape me to whom as the ordinary such things should be referred, but they never escape the Great Head of the Church, and they do not pass through your own consciousness without making a sting and leaving a wound. Remember that you are sent out as messengers, watchmen, stewards. Read over occasionally the vows that you made when you were commissioned to exercise the office of Priesthood in the Church of God: "And if it shall happen that the same Church, or any member thereof, do take any hurt or hindrance by reason of your negligence, ye know the greatness of the fault."

In this connection I consider it my duty to call your special attention to two questions answered by the Deacon in the presence and hearing of the congregation before he is commissioned to exercise the office of a Priest.

The Bishop asks:

Will you maintain and set forward as much as lieth in you, quietness, peace and love, among all Christian people, and especially among them that are or shall be committed to your charge?

Answer: I will so do, the Lord being my helper.

The Bishop: Will you reverently obey your Bishop, or other Chief Ministers, who, according to the Canons of the Church, may have the charge and government over you; following with a glad mind and will their godly admonition, and submitting yourselves to their godly judgments?

Ans.: I will so do, the Lord being my helper.

These questions and answers are plain and unequivocal and must be lived up to, or else much hurt is sustained by the conscience. It is needless for me to be more specific in my allusions. May the Holy Spirit guide and direct us in all our consultations.

ALFRED H. STUBBS.
Treasurer.

Asheville, N. C., June 25, 1914.

Having been appointed by the Bishop as Auditing Committee, we do hereby certify that we have this day carefully examined the accounts of the Rev. Alfred H. Stubbs, Treasurer of the Missionary District of Asheville, and find all expenditures made by him supported by proper receipts and vouchers, and that the Treasurer's receipts and disbursements are correctly stated in detail in the foregoing statement.

We also find that the Ledger balances as stated above, showing the financial condition of the District, on May 31, 1914, are correct, and that the amount of cash on hand, as therein stated, is on deposit in the Battery Park Bank, to the credit of the Treasurer of the District, and subject to his check.

R. R. SWOPE,
PHILIP R. MOALE.
